**BUYER OVERVIEW**

# Frozen seafood portfolio

## Positioning

Marinepex presents a focused frozen seafood range for importers, wholesalers, processors and foodservice buyers. The catalogue is organized by commercial families and designed for practical sourcing conversations.

## Origins

Products are sourced from West African Atlantic supply chains with commercial focus on Mauritania, Senegal and Morocco, depending on season, landing port, vessel, factory approval and buyer specification.

## Frozen formats

- Whole round (WR), gutted, HGT, H&G
- IQF, BQF and block frozen
- Fillets, steaks, loins, portions
- Cephalopods: cleaned whole, flower, tubes, rings, tentacles

## Commercial controls

- Scientific name confirmed on documents
- Net weight, glaze and packing clearly stated
- Storage temperature: -18°C or colder
- Health certificate and origin documentation on request

FAMILY	CORE SPECIES	COMMERCIAL USE
Small pelagics	Sardines, sardinellas, horse mackerels, mackerel, anchovy	Volume, competitive pricing, wholesale, processing and regional distribution.
