MULTISERVICES SARL  
COMPANY PROFILE

# About Us

TRIMS SARL (Triomphale Multi Services SARL) is a Congolese multidisciplinary company providing innovative engineering, construction, maintenance, drilling, and industrial support services across the Democratic Republic of Congo.

Founded with a commitment to excellence, safety, and customer satisfaction, TRIMS has built a reputation for delivering reliable and cost-effective solutions tailored to the specific needs of the mining, industrial, commercial, and public sectors.

Our expertise spans civil engineering, electromechanical works, electrical installations, water drilling, infrastructure management, gas and pneumatic systems maintenance, land surveying, laboratory equipment services, and various technical support solutions. Through a combination of skilled professionals, modern equipment, and industry best practices, we consistently deliver projects that meet the highest standards of quality, safety, and performance.

At TRIMS, we believe that every project is an opportunity to create lasting value for our clients, communities, and stakeholders. Our commitment to integrity, innovation, and continuous improvement enables us to provide sustainable solutions that contribute to the growth and development of the industries we serve. With a strong focus on operational excellence and customer partnership, TRIMS continues to position itself as a trusted service provider and strategic partner for organizations seeking dependable technical and engineering solutions throughout the region.

## Vision

To become a leading and trusted engineering, construction, and industrial services company in the Democratic Republic of Congo and across Africa, recognized for excellence, innovation, safety, and sustainable development.

We aspire to create long-term value for our clients, employees, and communities by delivering world-class solutions that support industrial growth and infrastructure development.

## Mission

Our mission is to provide high-quality engineering, construction, maintenance, drilling, and technical support services through skilled professionals, modern technologies, and a strong commitment to safety, quality, and environmental responsibility.

We are dedicated to exceeding our clients' expectations by delivering reliable, cost-effective, and sustainable solutions while building lasting partnerships based on integrity, professionalism, and continuous improvement

# What We Do

TRIMS SARL provides integrated engineering, construction, maintenance, and industrial support services to the mining, industrial, commercial, and public sectors.

Our multidisciplinary expertise enables us to deliver reliable, cost-effective, and sustainable solutions throughout the entire project lifecycle, from planning and design to execution, operation, and maintenance.

**Civil Engineering & Construction**

**Architecture & Infrastructure  
Development**

**Mechanical & Electrical  
Maintenance**

**Electromechanical Installations**

**Water & Mining Borehole Drilling**

Maintenance**

**Refrigeration & Air Conditioning  
Systems**

**Laboratory Equipment Supply &  
Maintenance**

**Project Management & Technical  
Consultancy**

**Dust Suppression & Environmental  
Solutions**

**General Industrial Supplies &  
Support Services**

# Innovation

At TRIMS SARL, innovation is at the heart of everything we do. We continuously seek smarter, safer, and more efficient ways to deliver value to our clients through modern technologies, advanced engineering practices, and innovative problem-solving approaches. By embracing continuous improvement and industry best practices, we develop solutions that enhance operational performance, reduce costs, improve safety, and promote sustainable development.

Our commitment to innovation enables us to adapt to evolving industry demands while providing reliable and future-focused services that support the growth and success of our clients.

## **Pioneering Technology and Solutions**

We invest heavily in research and development to advance cutting-edge technologies that enhance efficiency and safety across all our operations.

## **Sustainable Practices and Environmental Stewardship**

We are at the forefront of developing sustainable practices that minimize environmental impact while meeting global energy demands.

## **Safety and Operational Excellence**

Our unwavering commitment to safety and operational excellence is reflected in our rigorous standards and practices.

## **Strategic Partnerships and Collaborations**

We believe in the power of collaboration to drive innovation and achieve mutual goals.

**Thought Leadership and  
Expertise**

Our team of experts and leaders are recognized for their deep industry knowledge and thought leadership.

**Global Presence and Market  
Adaptability**

Our extensive global network and market presence enable us to adapt to changing industry dynamics and seize new opportunities.

# Solutions

TRIMS SARL delivers comprehensive and customized solutions designed to meet the unique challenges of the mining, industrial, commercial, and infrastructure sectors.

We combine technical expertise, innovative thinking, and practical experience to provide efficient, reliable, and sustainable solutions that optimize performance, improve productivity, and ensure operational continuity.

From engineering design and construction to maintenance, drilling, infrastructure development, and technical support services, we are committed to delivering results that create long-term value for our clients.

Our solutions are built on quality, safety, innovation, and a deep understanding of our clients' operational needs.

# Health, Safety, and Environmental Commitment

At TRIMS SARL, Health, Safety, and Environmental (HSE) responsibility is a fundamental part of our corporate culture and operational excellence. We are committed to providing a safe and healthy workplace for our employees, contractors, clients, and the communities in which we operate.

Our objective is to achieve zero harm by promoting a proactive safety culture, identifying and controlling risks, and ensuring compliance with all applicable regulations, industry standards, and client requirements.

We are dedicated to protecting the environment through responsible resource management, pollution prevention, waste reduction, and sustainable work practices. Every project is executed with careful consideration of its environmental impact and the well-being of surrounding communities.

Through continuous training, risk assessment, effective communication, and ongoing improvement of our HSE management systems, we strive to maintain the highest standards of safety, environmental stewardship, and operational performance.

**TRIMS SARL**

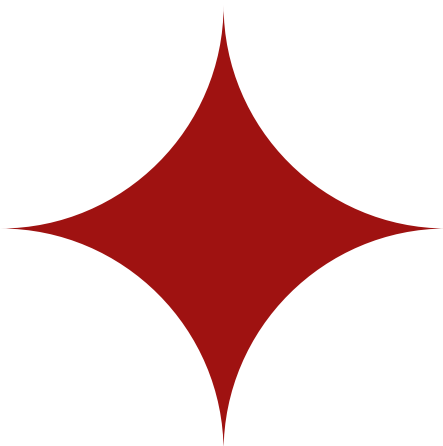

## OUR CLIENTS & PARTNERS

TRIMS SARL is proud to collaborate with leading organizations across the mining, industrial, commercial, and public sectors. Our success is built on strong partnerships, mutual trust, and a shared commitment to excellence.

We work closely with our clients and partners to deliver safe, innovative, and cost-effective solutions that support their operational objectives and long-term growth.

Through professionalism, reliability, and consistent performance, we continue to establish lasting relationships with companies and institutions that value quality, integrity, and operational excellence.

Our partnerships are founded on collaboration, transparency, and a common vision of sustainable development and continuous improvement.

# Conclusion

At TRIMS SARL, we are committed to delivering excellence through quality services, innovative solutions, and uncompromising safety standards. Our multidisciplinary expertise, skilled workforce, and customer-focused approach enable us to successfully support projects across the mining, industrial, commercial, and infrastructure sectors.

As we continue to grow and evolve, our commitment remains the same: to build lasting partnerships, exceed client expectations, and contribute to sustainable development through reliable and professional services.

We look forward to collaborating with organizations that share our vision of excellence, integrity, and continuous improvement.

TRIMS SARL – Your Trusted Partner for Engineering, Construction, Maintenance, and Industrial Solutions.
