Education

Bachelor of Science (B.Sc.) in Media Technology

aug 2023 - jun 2026

Södertörns högskola, Huddinge

I hold a Bachelor of Science in Media Technology with a specialization in Game Design. Through my studies, I developed a broad foundation in programming, software development, user experience, project management, and collaborative development. Working on both individual and team-based projects strengthened my technical, creative, and problem-solving skills. I enjoy solving technical challenges and creating practical solutions that provide value to users.

Music Theory & General Music Studies

aug 2021 - feb 2022

Uppsala universitet, Linnéuniversitetet, Luleå Tekniska universitet

Natural Science Programme

aug 2014 - jun 2017

Kristofferskolan (High school), Bromma

Work Experience

Internship - Teamleader

mar 2026 - jun 2026

Arkeolog 8, Stockholm

Developed a 2D pixel art game during a 10-week project for a Swedish dance collective. The game was designed as a companion experience to their touring stage performance, allowing audiences to continue engaging with the performance after the show. As Team Leader, I coordinated the project, managed client communication, programmed gameplay systems, and created the game's sound design. The completed game was published on itch.io and is publicly available to play.

Cooking & Customer Service

jun 2024 - Nutid

Alphabar, Örnberg

Alphabar is a restaurant and bar connected to Alphaspel, one of the largest tabletop and hobby game stores in the Nordic region. My role includes both kitchen work and guest service.

Service & Administration

okt 2022 - jun 2023

Proffsmagasinet, Liljeholmen

Proffsmagasinet is Sweden's leading e-commerce retailer for tools, lasers, measuring instruments, and other construction-related products. My responsibilities included handling customer and supplier service cases.

After-School Pedagogue, Substitute Teacher & Diabetes Resource

feb 2022 - okt 2022

Kristofferskolan, Bromma

Rental & Administration Coordinator

apr 2021 - jul 2021

Parking Partner, Nacka

I worked with administration, customer service, and the rental of parking spaces. This role strengthened my skills in administrative systems, organization, and IT - related tasks. I left the position to begin my studies.

Customer Support Representative

dec 2016 - mar 2021

ATG, Sundbyberg

As a customer support representative, I worked with several systems and tools such as POB, Account Admin, gaming systems, and Excel.

IT-support
