## **SPECIFIC CONDITIONS**

5.1 This consent is granted subject to the power of the Board to review and make variations in all or any of the conditions as per section 21 of the Air (Prevention and Control of Pollution) Act 1981 and section 25 of the Water (Prevention and Control of pollution) Act 1974 or revoke the consent as the board deems fit.

5.2 Mining shall be restricted to the land bearing Sy nos: 265/33,265/26,265/25 and 265/25-2 for an area of 0.1580 Hectares and shall comply with the EC conditions.

5.3 This Consent is granted on the basis of ENVIRONMENTAL CLEARANCE (EC) NO.EC24C0108KL5965940N dated 04.02.2025 and other documents furnished by the applicant. If any document is found false, the consent issued will be cancelled/ revoked.

5.4 The operation of the unit shall be commenced/done only after obtaining clearances from all concerned authorities.

5.5 Any change in the particulars furnished in the references and/or in the identity of the occupier /authorized agent shall be intimated to the Board within a week.

5.6 It is the responsibility of occupier to ensure that quarrying activities are restricted to only area shown in the attached drawing and at a distance more than 50 m from the nearby residential buildings, places of worship, public buildings, public road having vehicular traffic, river or lake, railway line and bridges.

5.7 After excavation at the site is completed, the land may be reclaimed or closed as per the mining closure plan approved by the concerned authority.

5.8 All the necessary control measures provided should be maintained properly to ensure that the system is adequate to control the air and water pollution caused by the functioning of the unit within the limit.

5.9 Fugitive emission from the quarry premises and road leading to mine area shall be suppressed using water sprinkling.

5.10 The suspended particulate matter (SPM) at boundary of the premises shall not exceed the limit applicable to that area as per the National Ambient Air Quality Standards.

5.11 The sound level measured at 1.0 m outside the boundary shall not exceed the limit as per the Ambient Air Quality Standards in respect of Noise.

5.12 The proponent shall strictly follow conditions as stipulated in the EC and other clearances issued by the concerned authorities.

5.13 For renewal of the consent in case of continuance of operation of the industry, application in the prescribed form shall be submitted through the web portal of the Board <http://krocmms.nic.in> for renewing the Consent on or before two months in advance to expiry date. Late application will be accepted with 10%(for application before expiry date) & 50% (for application after due date) of yearly fee as fine for late submission.
