PHRASES

HEY-OH, WE WON'T BE SILENT
HEY-OH, we won't be silent while our friends are gunned down.
Hey-Oh, we won't be silent while our friends are gunned down.
Say it loud, say it proud.
Hey-Oh, we won't be silent while our friends are gunned down.
Hey-Oh, we won't be silent while our friends are gunned down.
Tears in our eyes.
Hands held up high.
We are still standing,
We choose to rise!
Hey-Oh, we won't be silent while our friends are gunned down.
Repeat.

Throw my Salt

I'm not gonna let ICE take my brother!
I'm not gonna let ICE break my shovel!
Gonna throw my salt on city hall floor!
I'm not gonna fight in a rich man's war!

I'm not gonna let ICE take my brother!
I'm not gonna let ICE break my shovel!
Gonna throw my salt on city hall floor!
And send my salt to Amazon's door!

Songs:

Are you, are you
seeing what I'm seeing?
They're carefully conditioned
to fear the men in green.
No one ever knows when
their boots will hit your street.
Cause the man in charge
Are you, are you
seeing the irony?
A nation mourns a man who
claimed that death is just a fee.
A price paid with young lives,
just to keep his trigger free.
Are you, are you
when it's one of them who bleeds,
listening to their pleas?
and left her there to bleed.
Sirens scream useless when
retracted from the scene.
The wife and her kids
Are you, are you
witnessing these scenes?
They tore away his baby and
they beat him when he seized.
Strange things did happen here,
no stranger would it be,
pick apart their souls and
Are you, are you
noticing their greed?
The rich grow on their riches
while the poor can't even eat.
Strange things did happen here,
no stranger would it be,
Disguise it as protection
while neighborhoods flee.

The Hanging Tree (ICE version)

There's fascists in Florida,
The Nazis in Nashville,
Tyranny in Tennessee,
They're throwing their fits
Deep in the "land of the free!"
chorus:
Whoa ho! Drink to the people
who stand against Evil
We'll dance until morning,
while they're out snoring.
The woke is about to awake!
So bring on the MAGA'S,
the red-hatted bigots,
Cry over your privilege and greed,
us dirty old hags,
We're all calling you a Nazi!

[chorus]

So bring on the MAGA'S,
the red-hatted bigots,
Cry over your privilege and greed,
us dirty old hags,
We're all calling you a Nazi!

Verse 2:
So fuck all the fighting,
The lefting and righting,
They're bleeding us dry just the same.
Those billionaires
with their fake Turkish hairs,
They're all just crooks on cocaine.

[chorus] x 2

Revolution Drinking Song

Super Callous Fragile Ego (Braggadocious)

Verse 1:
He's— Super callous fragile egocentric
braggadocious
Likes to throw big words around and hopes that
we all notice
If he keeps repeating them they might just make
him POTUS
Super careless fragile ego extra braggadocious!

Optional Refrain:
um did you really vote for this guy?
hm you're really gonna follow this guy?
repeat.

Verse 2:
He says that he's the man and thinks he's got the
Mida's touch
But does have a plan to fix the country?
Not so much
And if you're not convinced by all of that
hyperbole
He says, "Shut up, just buy a stupid hat and vote
for me."

[repeat verse 2]

[refrain]

Verse 3:
He found a word that sounded smart and used it
all day long
But even Webster dictionary said he got it wrong
So if you're undecided or you hate the other sex
Remember in November how he likes to sign his
checks!

It's— Super sleazy fabricating sexist and
obnoxious
Even just the thought of voting for him makes
me nauseous
If you like America you'll kick him out of office
Superficial chauvinistic arrogant and
thoughtless!
