Karim Talal

01 Honored to perform at DSF City Walk and RAK Art Festival, a celebration of culture and creativity. These showcases allowed me to engage diverse audiences, elevate the atmosphere, and contribute to the UAE's vibrant live entertainment scene.

02 Delighted to headline entertainment at Al Nafoura Tent, Address Montgomerie, throughout Ramadan 2025. Performing locally and consistently for 29 consecutive Suhoor nights ensured unforgettable evenings for guests and a beautifully warm cultural experience.

03 A special performance at the Theatre of Digital Arts (TODA), where I brought nostalgic Arabic classics from the 80s-2000s to life in a fully immersive 360° environment.

04 Headlining a performance with the Lebanese Oriental Orchestra was a truly memorable experience, celebrating the richness of Arabic musical heritage.

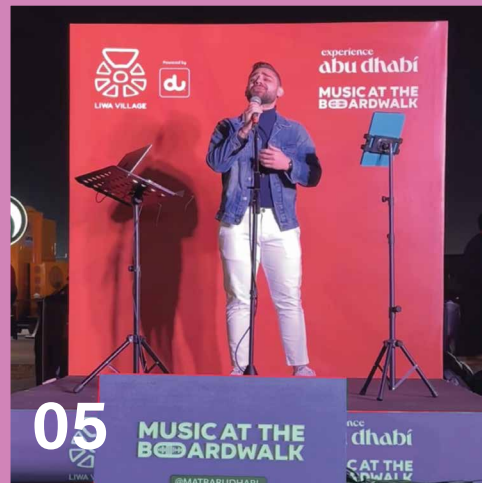

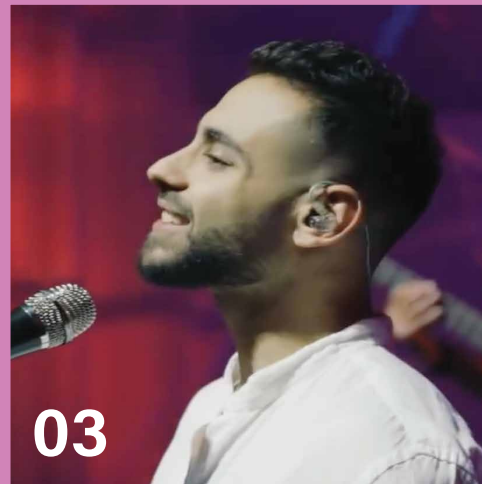

05 A standout moment: my voice featured in the Midnight Festival City Fountain Show for New Year's Eve — alongside a thrilling live celebration at LIWA 24/2023. Delivering a grand, emotionally charged performance to welcome the year in spectacular fashion.

07-06 I have delivered numerous high-profile performances across top UAE venues in 2025-2024. Each show has strengthened my connection with audiences and showcased my reliability, versatility, and stage presence for prestigious live entertainment.

08 Proud to be part of Music at the Boardwalk — a six-month Abu Dhabi festival hosting hundreds of shows across landmark destinations. Bringing live music to iconic waterfront settings and enriching guest experiences.

Available for concerts, gala events, corporate bookings, cultural festivals, exclusive private performances, and vocal coaching engagements.

PERFORMANCES

I WAS HONoured TO PERFORM AT THE THEATRE OF DIGITAL ARTS (TODA), WHERE MY CONCERT FEATURED ARABIC NOSTALGIC HITS, REVIVING BELOVED SONGS FROM THE 80S TO THE EARLY 2000S. TODA, THE UAE'S FIRST 360° HUB, ENRICHES THE CULTURAL LANDSCAPE BY BLENDING ART AND TECHNOLOGY IN A TRULY IMMERSIVE EXPERIENCE.
