

## Terms and Conditions, Privacy Policy & Disclaimer

### Welcome to Art Glass Impressions

Thank you for visiting [www.artglassimpressions.com](http://www.artglassimpressions.com).

This website is a creative space for original glass artwork, education, and inspiration.

By using this site, you agree to the terms below. They're here simply to protect the work, the artist, and the experience for everyone.

---

### About the Artwork & Content

All artwork, images, text, tutorials, diagrams, and digital materials on this website are the original creations of **Art Glass Impressions**, unless otherwise noted.

You're welcome to browse, enjoy, and draw

inspiration for your **personal, non-commercial use**.

All content is protected by copyright and may not be copied, reproduced, shared, or sold without written permission.

---

### Please Don't...

To keep things fair and respectful, please do not:

- Copy or republish content from this website
- Sell, rent, or distribute artwork or instructional materials
- Share or resell digital downloads or e-books
- Use images or designs for commercial purposes without permission

If you're ever unsure whether something is okay — just ask. I'm happy to clarify.

---

### Digital Products

Digital items such as e-books, guides, and instructional materials are provided for **personal use only**.

Because these products are delivered instantly, all digital sales are **final and non-refundable**.

Purchasing a digital product does not transfer ownership of the artwork or content.

---

### **Handmade & One-of-a-Kind**

Each glass piece is handmade and unique. Variations in color, texture, and form are part of the beauty of working with glass.

- Colors may appear slightly different depending on screen settings
  - Minor variations are normal and expected
  - No two pieces are ever exactly the same
- 

### **Educational Use & Safety**

Instructional content is shared for educational purposes and reflects personal experience and techniques.

Working with glass, kilns, and tools involves risk. Please use appropriate safety equipment and follow best practices at all times.

**Art Glass Impressions cannot be responsible for injuries or damages resulting from the use of instructional content.**

### **Privacy & Respect**

Your privacy matters.

- Personal information is collected only when you choose to provide it
- Information is used solely for communication, orders, and customer service
- Your information is never sold or shared

Payments are processed securely through trusted third-party providers such as PayPal or Stripe. Payment details are never stored on this site.
