PROFILE

I am a dedicated and detail-oriented B.Sc. (Hons) Mathematics undergraduate with hands-on experience in e-commerce web portal management and graphic design. Currently working with two export companies, managing real-time web operations, product catalogs, order processing, and digital brand presentation across multiple platforms. I also support audit planning and 3D product modeling as required. Known for sincerity, consistency, and strong work ethics, I am seeking a stable, growth-oriented role where responsibility, creativity, and technical skills are valued.

WORK EXPERIENCE

MANISH EXPORTS 2022 - PRESENT

Web Account Manager | Audit Planner

- Designing brochures, catalogs, ad posters, and digital creatives for export branding
- Managing company web accounts, enquiries, and verified buy leads.
- Creating 3D product models for newly designed export items (as required).
- Supporting audit planning and internal documentation
- Supporting digital branding and product presentation.

SJL EXPORTS 2024 - PRESENT

Web Account Manager | Graphic Designer

- End-to-end management of e-commerce platforms including Amazon, Meesho, Flipkart, Snapdeal & Myntra
- SEO-driven catalog structuring to improve product visibility and sales performance
- Designing export catalogs and product presentation layouts.
- Maintaining brand consistency across digital platforms.
- Assisting in client communication and lead response.

EDUCATION

Bachelor of Science (Honours) 2023 - 2027

Aligarh Muslim University, Aligarh

Key Subjects : Mathematics & Statistics
