3.01. *Description.* Except as otherwise in this Declaration provided, the Common Elements shall consist of all portions of the Property, except the individual Units. Without limiting the generality of the foregoing, the Common Elements shall include the land, lakes, detention basins, swimming pools, club houses and other common

3.02. *Restricted Common Elements.* Except as otherwise in this Declaration provided, the Restricted Common Elements shall consist of all portions of the Common Elements set aside and allocated for the restricted use of particular Units. Without limiting the generality of the foregoing, the Restricted Common Elements shall include the following, all of which are indicated as such on the Plat: (a) the floor and ceiling, if any, contained within any Unit and which separates the first and second floors thereof, together with any stairways contained within such Unit; (b) all carports; (c) any patio, direct access to which is provided from a Unit and which is located outside of an adjoining such Unit; and (d) any front or back yard area (but only to the extent indicated on the Plat), direct access to which is provided from a Unit and which is located outside of and adjoining such Unit.

3.03. *Ownership of Common Elements.* Each Unit Owner shall be entitled to and own an undivided interest in the Common Elements as a tenant-in-common with all other Owners of the Property, and, except as otherwise limited in this Declaration, shall have the right to use the Common Elements for all purposes incident to the use and occupancy of such Owner's Unit as a place of residence, and such other incidental uses permitted by this Declaration, which right shall be appurtenant to and run with his Unit. The extent or amount of such ownership shall be expressed by a percentage amount which, except as provided in Article XIV hereof, may not be changed without unanimous approval of all Unit Owners. The Trustee has so determined each Unit's initial corresponding percentage of ownership in the Common Elements as set forth in the schedule attached hereto as Exhibit C and incorporated herein by reference as though fully set forth herein.

3.04. *No Partition of Common Elements.* There shall be no partition of the Common Elements through judicial proceedings or otherwise until this Declaration is terminated and the Property is withdrawn from its terms or from the terms of any statute applicable to condominium ownership; provided, however, that if any Unit Ownership shall be owned by two or more co-Owners as tenants-in-common or as joint tenants, nothing herein contained shall be deemed to prohibit a voluntary or judicial partition of said Unit Ownership as between such co-Owners.

ARTICLE IV
GENERAL PROVISIONS AS TO UNITS AND COMMON ELEMENTS

4.01. *No Severance of Ownership.* No Owner shall execute any deed, mortgage, lease or other instrument affecting title to his Unit Ownership without including therein both his interest in the Unit and his corresponding percentage of ownership in the Common Elements, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

4.02. *Use of the Common Elements.* Subject to the provisions of Section 4.04 each Unit Owner shall have the right to use the Common Elements, except the Restricted Common Elements, in common with all other Unit Owners, as may be required for the purposes of ingress and egress to and use, occupancy and enjoyment of the respective Unit owned by such unit Owners and to the use and enjoyment of community facilities. Such rights shall extend to the Unit Owner and the members of the immediate family and guests and other authorized occupants and visitors of the Unit Owner. Each Unit Owner shall have the right to the exclusive use and possession of the Restricted Common Elements serving his Unit exclusively. The use of the Common Elements and the rights of the Unit Owners with respect thereto shall be subject to and governed by the provisions of the Act, this Declaration and the By-Laws and rules and regulations of the Board of Managers, or Association acting through the Board of Managers, as hereinafter described (for convenience hereinafter sometimes referred to as "Board" or "Association").

4.03. *Maintenance of Common Elements; Common Expenses:* Except as otherwise provided herein, management, repair, alteration and improvement of the Common Elements, including the Restricted Common

528 012 22

Elements, shall be the responsibility of the Board or Association. Each Unit Owner shall pay his proportionate share of the expenses of maintenance, repair, replacement, administration and operation of the Common Elements, which expenses are hereinafter referred to collectively as "Common Expenses". Such proportionate share shall be in the same ratio as his percentage of ownership in the Common Elements as set forth in Exhibit C. Payment thereof shall be in such amount and at such times as may be provided by the By-Laws and/or rules and regulations of the Board. In the event of the failure of a Unit Owner to pay such proportionate share when due, the amount thereof shall constitute a lien on the interest of such Unit Owner, as provided by the Act.

4.04. *Easements.*

(a) *Encroachments.* In the event that by reason of the construction, settlement or shifting of a Building, or the design or construction of any Unit, any part of the Common Elements encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Elements or any other Unit, or, if by reason of the design or construction of utility systems any main pipes, ducts or conduits serving more than one Unit encroach or shall hereafter encroach upon any part of any Unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit and the Common Elements, as the case may be, so long as all or any part of the Building containing such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of the Owner of any Unit or in favor of the Owners of the Common Elements if such encroachment occurred due to the wilful conduct of said Owner or Owners.

(b) *Balconies.* All balconies if any, shall be a part of the Common Elements and not a part of any individual Unit; however, each Unit Owner shall be entitled to the exclusive use and possession of that balcony, if any, direct access to which is provided from his respective Unit and which is or are located outside of and adjoining his respective Unit; until such time as the Board or Association, as hereinafter provided, determines to the contrary, each Unit Owner shall be responsible for repair, maintenance and appearance of the balconies, the exclusive use and possession whereof is extended hereby, at his own expense, including (without limitation) responsibility for breakage, damage, malfunction and ordinary wear and tear. A Unit Owner shall not paint or otherwise decorate or adorn or change the appearance of any such balcony in any manner contrary to such rules and regulations as may be established by the said Board or Association. In the event any such balcony shall be appurtenant to more than one Unit, then all rights and obligations of the Owners of each such Unit with respect to the use, maintenance and repair of such balcony shall be joint, common and indivisible, and shall not be subject to partition through judicial proceedings or otherwise.

(c) *Easements for Utilities.* The Illinois Bell Telephone Company, Commonwealth Edison Company, Village of Wheeling, Illinois and all other public utilities and municipalities serving the property are hereby granted the right to install, lay, construct, operate, maintain, renew, repair or replace, conduits, cables, pipes and wires and other equipment into, over, under, along and on any portion of the Common Elements for the purpose of providing the Property with utility services, together with the reasonable right of ingress to and egress from the Property for said purpose. The Board or Association may hereafter grant other or additional easements for utility purposes for the benefit of the Property over, under, along and on any portion of said Common Elements, and each Unit Owner hereby grants the Board or Association an irrevocable power of attorney to execute, acknowledge and record or register, for and in the name of such Unit Owner, such instruments as may be necessary to effectuate the foregoing. Easements are also hereby declared and granted to install, lay, operate, maintain, repair and replace any pipes, wires, ducts, conduits, public utility lines or structural components running through the walls of a Unit, whether or not such walls lie in whole or in part within the Unit boundaries.

(d) *Easements to Run with Land.* All easements and rights described herein are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the undersigned, its successors and assigns, and any Owner, purchaser, mortgagee and other person having an interest in the Property or Development Parcel, or any part or portion thereof. Reference in any deed of conveyance or in any mortgage or trust deed or other evidence of obligation, to the easements and rights described in this Article or described in any other part of this

88 210 22 823

Declaration, shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees and trustees of such parcels as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.

4.05. *Carports and Other Parking Areas:* Carports and other portions of the Property allocated to parking purposes shall be part of the Common Elements and not part of any individual Unit; provided, however, the Trustee hereby reserves the right, until sale and conveyance of all Unit Ownerships, to grant to any Unit Owner and to no other person the perpetual and exclusive use of one carport, which exclusive use shall be deemed to be appurtenant to and pass with the title to the Unit to which appurtenant (and in no other manner) even though not expressly mentioned in the document passing title to the Unit. The Trustee shall, in the event of exercise of such reserved right, give the Board or Association notice thereof and the name of the Unit Owner to whom the Trustee has granted the exclusive use, which notice shall be conclusive upon the Board or Association and all Unit Owners as to the rights of the Unit Owner designated in such notice. Subject to the foregoing, the Board or Association may determine to grant exclusive use and possession to designated parking stalls in any portion of the Property allocated to parking purposes to Unit Owners, and the Board or Association may, in any event, prescribe such rules and regulations with respect to such Carports and other Parking Areas as the Board may deem fit. Such exclusive use and possession given a Unit Owner or Owners shall be subject to such rules and regulations as the Board may deem fit, including the requirement that such exclusive use and possession encompass the obligation to clean and maintain that portion of the Common Elements subject thereto as an expense of a Unit Owner rather than a Common Expense.

4.06. *Separate Mortgages of Units.* Each Unit Owner shall have the right to mortgage or encumber his own respective Unit, together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to mortgage or otherwise encumber in any manner whatsoever the Property or any part thereof, except his own Unit and his own respective ownership interest in the Common Elements as aforesaid.

4.07. *Separate Real Estate Taxes.* It is intended that real estate taxes are to be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that, for any year, such taxes are not separately taxed to each Unit Owner, but are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements.

4.08. *Utilities.* Each Unit Owner shall pay for his own telephone, electricity and other utilities which are separately metered or billed to each user by the respective utility company. Each Unit Owner shall pay his proportionate share of utilities which are metered or billed to a Building, and not to the individual Units contained therein. Such proportionate share shall be in the same ratio as his percentage of ownership in the Common Elements, as set forth in Exhibit C, bears to the aggregate percentage of ownership in the Common Elements of all Owners of Units contained in said Building. Utilities for the Common Elements shall be treated as part of the Common Expenses.

4.09. *Insurance; Unit Owners.* Each Unit Owner shall be responsible for his own insurance on the contents of his own Unit, and decorating and furnishings and personal property therein, and his personal property stored elsewhere on the Property, and his personal liability, all to the extent not covered by the fire and liability insurance for all of the Unit Owners obtained as part of the Common Expenses as provided below in Section 5.08.

The Board shall not be responsible for obtaining insurance on any additions, alterations or improvements made by any Unit Owner to his Unit unless and until such Unit Owner shall request the Board in writing so to do (each such Unit Owner agreeing to give the Board prompt notice and particulars concerning such additions, alterations and improvements) and shall make arrangements satisfactory to the Board to reimburse the Board for any additional premiums attributable thereto; and upon the failure of such Unit Owner so to do, the Board shall not be obligated to apply any insurance proceeds to restore the affected Unit to a condition better than the condition existing prior to the making of such additions, alterations or improvements.

22270823

Each Unit Owner hereby waives and releases any and all claims which he may have against any other Unit Owner, the Association, its officers, members of the Board, the Trustee, the manager and managing agent of the Building, if any, and their respective employees and agents, for damage to the Common Elements, the Units, or to any personal

property located in the Unit or Common Elements, caused by fire or other casualty, to the extent that such damage is covered by fire or other form of casualty insurance.

4.10. *Maintenance, Repairs and Replacements of Units*

(a) *By the Board* The Board or Association, at its expense, shall be responsible for the maintenance, repair and replacement of those portions, if any, of each Unit which contribute to the support of a Building, excluding, however, interior wall, ceiling and floor surfaces. In addition, the Board or Association shall maintain, repair and replace all conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services which may be located within the Unit boundaries as specified in Sections 2.02 and 2.03, exclusive of any portions of the foregoing which may be located at or beyond the wall outlets, or which may be the responsibility of an individual Owner under any other provision of this Declaration.

(b) *By the Owner.* Except as otherwise provided in paragraph (a) above, each Unit Owner shall furnish and be responsible for, at his own expense:

(1) All of the maintenance, repairs and replacements within his own Unit and of the doors and windows appurtenant thereto, and all internal installations of such Unit such as refrigerators, ranges, and other kitchen appliances, lighting fixtures and other electrical fixtures, and heating, plumbing and air conditioning fixtures or installations, and any portion of any other utility service facilities located within the unit boundaries as specified in Sections 2.02 and 2.03, provided, however, such maintenance, repairs and replacements as may be required for the bringing of water, gas and electricity to the Unit, shall be furnished by the Board as part of the Common Expenses. The Board or Association may provide, by its rules and regulations, for ordinary maintenance and minor repairs and replacements to be furnished to Units by Building personnel as a Common Expense.

(2) All of the decorating within his own Unit from time to time, including painting, wall papering, washing, cleaning, panelling, floor covering, draperies, window shades, curtains, lamps and other furnishings and interior decorating. Each Unit Owner shall be entitled to the exclusive use of such portions of the perimeter walls, floors and ceilings as lie within the boundaries of his Unit as shown on the Plat, and such Unit Owner shall maintain such portions in good condition at his sole expense as may be required from time to time, which said maintenance and use shall be subject to the rules and regulations of the Board or Association. The interior surfaces of all windows forming part of a perimeter wall of a Unit shall be cleaned or washed at the expense of each respective Unit Owner, and the exterior surfaces of such windows shall be cleaned or washed as part of the Common Expenses by the Board at such time or times as the Board shall determine. No fence shall be contructed obstructing access to any Restricted Common Element without prior approval of the Board, which approval may be given or withheld in the absolute discretion of the Board. Decorating of the Common Elements (other than interior surfaces within the Units as above provided), and any redecorating of Units to the extent made necessary by any damage to existing decorating of such Units caused by maintenance, repair or replacement work on the Common Elements by the Association, shall be furnished by the Association as part of the Common Expenses. Nothing herein contained shall be construed to impose a contractual liability upon the Association for maintenance, repair and replacement, but the Association's liability shall be limited to damages resulting from negligence. The respective obligations of the Association and Unit Owners set forth in this Declaration shall not be limited, discharged or postponed by reason of the fact that any such maintenance, repair or replacement is required to cure a latent or patent defect in material or workmanship in the construction of the Property, nor because they may become entitled to the benefit of any construction guarantee or proceeds under policies of insurance. In addition and notwithstanding anything hereinabove to the contrary, no Unit Owner shall have a claim against the Board, Association or another Unit Owner for any work (such as exterior window cleaning, decorating or repair), ordinarily the responsibility of the Board or Association, but which the Unit Owner himself has performed or paid for, unless the same shall have been agreed to in writing in advance by the Board or Association.

4.11. *Negligence of Owner.* If, due to the negligent act or omission of a Unit Owner, or of a member of his

22 270 823

family or household pet or of a guest or other authorized occupant or visitor of such Unit Owner, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements shall be required which would otherwise be at the Common Expense, then such Unit Owner shall pay for such damage and such maintenance, repairs and replacements as may be determined by the Board.

4.12. *Joint Facilities.* To the extent that equipment, facilities and fixtures within any Unit or Units shall be connected to similar equipment, facilities or fixtures affecting or serving other Units or the Common Elements, then the use thereof by the individual Unit Owners shall be subject to the rules and regulations of the Board. The authorized representatives of the Association or the Board, or of the manager or managing agent for the Building, shall be entitled to reasonable access to the individual Units as may be required in connection with maintenance, repairs, or replacements of or to the Common Elements or any equipment, facilities or fixtures affecting or serving other Units or the Common Elements.

4.13. *Alterations, Additions and Improvements.* No alterations of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board.

ARTICLE V
ADMINISTRATION

5.01. *Board of Managers; Association.* The direction and administration of the Property shall be vested in a Board of Managers (hereinbefore and hereinafter sometimes referred to as the "Board"), consisting of nine (9) persons who shall be elected in the manner hereinafter provided. The Unit Owners, as described in this Declaration and in the By-laws hereinafter mentioned, acting collectively through the Board, shall be known as the TAHOE VILLAGE CONDOMINIUM ASSOCIATION an unincorporated association, subject to any incorporation as provided in Article XII below (hereinabove and hereinafter "Association"). The provisions of this Article V and Articles VI and VII below shall constitute the initial and basic By-laws of the Board and/or Association, as referred to in the Act. Each member of the Board shall be one of the Unit Owners; provided, however, that in the event a Unit Owner is a corporation, partnership, trust or other legal entity other than a natural person or persons, then any director or officer of such corporation, partner of such partnership, individual trustee or beneficiary of such trust, or manager of such other legal entity, shall be eligible to serve as a member of the Board.

5.02. *Determination of Board to be Binding.* Notwithstanding that the words "Board" and "Association" may in some instance be used interchangeably in various sections of this Declaration, matters of dispute or disagreement between Unit Owners or with respect to interpretation or application of the provisions of this Declaration or the By-laws shall be determined by the Board, which determination shall be final and binding on the Association and on all Unit Owners.

5.03. *Voting Rights.* There shall be one person with respect to each Unit Ownership who shall be entitled to vote at any meeting of the Unit Owners. Such person shall be known (and hereinafter referred to) as a "Voting Member". Such Voting Member may be the Owner or one of the group composed of all the owners of a Unit Ownership, or may be some person designated by such Owner or Owners to act as proxy on his or their behalf and who need not be an Owner. Such designation shall be made in writing to the Board and shall be revocable at any time by actual notice to the Board of the death or judicially declared incompetence of any designator, or by written notice to the Board by the Owner or Owners. Any or all of such Owners may be present at any meeting of the Voting Members and (those constituting a group acting unanimously) may vote or take any action as a Voting Member, either in person or by proxy. The total number of votes of all Voting Members shall be one hundred (100) and each Owner or group of Owners shall be entitled to the number of votes equal to the total of the percentage of ownership in Common Elements applicable to his or their Unit ownership as set forth in Exhibit C. The Trustee (or its nominee or designee) may exercise the voting rights with respect to any Unit owned by the Trustee.

82 270 22

5.04. *Meetings.*

(a) *Quorum; Procedure.* The presence at any meeting of the Voting Members having a majority of the total votes shall constitute a quorum. Unless otherwise expressly provided herein, any action may be

taken at any meeting of the Voting Members at which a quorum is present upon the affirmative vote of the Voting Members having a majority of the total votes present at such meeting. Any voting members in writing may waive notice of a meeting, or consent to the holding of a meeting without notice, or consent to any action of the Association without a meeting.

(b) *Annual Meeting.* The first Annual Meeting of the Voting Members shall be held upon ten (10) days' written notice given by the Trustee when at least ninety-five (95%) per cent of the Units are occupied. Thereafter, there shall be an Annual Meeting of the Voting Members on the first Tuesday of March of each succeeding year, at 7:30 o'clock P.M., on the Property, or at such other reasonable place or time (not more than thirty (30) days before or after such date), as may be designated by written notice of the Board delivered to the Voting Members not less than ten (10) days prior to the date fixed for said meeting.

(c) *Special Meetings.* Special Meetings of the Voting Members may be called at any time for the purpose of considering matters which, by the terms of this Declaration, require the approval of all or some of the Voting Members, or for any other reasonable purpose. Said meetings shall be called by written notice, authorized by a majority of the Board, or by the Voting Members having one-third (1/3) of the total votes, and delivered not less than seven (7) days prior to the date fixed for said meeting. The notices shall specify the date, time and place of the meeting and the matter to be considered.

5.05. *Notices of Meetings.* Notices of meetings required to be given herein may be delivered either personally or by mail to the person entitled to vote thereat, addressed to each such person at the address given by him to the Board for the purpose of service of such notice, or to the Unit of the Owner with respect to which such voting right appertains, if no address has been given to the Board.

5.06. *Board of Managers; Election; Meetings.*

(a) At the first Annual Meeting, the Voting Members shall, by a majority of the total votes present at such meeting elect a Board of Managers consisting of nine (9) Owners, three (3) of whom shall be elected to serve for one (1) year, three (3) for two (2) years and three (3) for three (3) years. At each Annual Meeting thereafter, the Voting Members shall elect three (3) members of the Board, each to serve for a term of three (3) years. All members of the Board shall reside on the Property, except for members nominated or designated by the Trustee. Five (5) members shall constitute a quorum. Members of the Board shall service, without compensation, until their successors are elected and shall have qualified. Vacancies in the Board may be filled by unanimous vote of the remaining members thereof. Except as otherwise provided in this Declaration, the Property shall be managed by the Board, and the Board shall act by majority vote of those present at its meetings when a quorum exists. Meetings of the Board may be called, held and conducted in accordance with such regulations.

(b) The Board shall elect from among its members a President who shall preside over both its meetings and those of the Voting Members (Association), a Secretary who shall keep the minutes of all meetings of the Board and of the Voting Members and who shall, in general, perform all the duties incident to the office of Secretary, and a Treasurer to keep the financial records and books of account.

(c) Any Board member may be removed from office by affirmative vote of the Voting Members having at least two-thirds (2/3rds) of the total votes, at any Special Meeting called for the purpose. A successor to fill the unexpired term of a Board member removed may be elected by majority vote of the Voting Members at the same meeting or any subsequent meeting called for that purpose.

(d) An Annual Meeting of the Board shall be held immediately following the Annual Meeting of the Unit Owners and at the same place. Special Meetings of the Board shall be held upon call by the President or by a majority of the Board on not less than forty-eight (48) hours' notice in writing to each director, delivered personally or by mail or telegram. Any director may in writing waive notice of a meeting, or consent to the holding of a meeting without notice, or consent to any action of the Board without a meeting.

(e) Board Members shall receive no compensation for their services, unless expressly provided for in resolutions duly adopted by the Unit Owners.

Premiums for such insurance shall be common expenses. Such insurance coverage shall be written in the name of, losses under such policies shall be adjusted by, and the proceeds of such insurance shall be payable to, the members of the Board as trustees for each of the Unit Owners in their respective percentages of ownership interest in the Common Elements as established in Exhibit C. The Board may engage the services of any bank or trust company authorized to do trust business in Illinois, and having a capital of not less than $5,000,000, to act as trustee, agent or depositary on behalf of the Board for the

93 012 22

purpose of receiving and disbursing the insurance proceeds resulting from any loss, upon such terms as the Board shall determine consistent with the provisions of the Act and this Declaration. The fees of such corporate trustee shall be Common Expenses. In the event of any loss in excess of $20,000 in the aggregate, the Board shall engage a corporate trustee as aforesaid, or in the event of any loss resulting in the destruction of the major portion of one or more Units, the Board shall engage a corporate trustee as aforesaid upon the written demand of the morgagee or owner of any Unit so destroyed;

The proceeds of such insurance shall be applied by the Board or by the corporate trustee on behalf of the Board for the reconstruction of the Building, or shall be otherwise disposed of, in accordance with the provisions of this Declaration and the Act; and the rights of the mortgagee of any Unit under any standard mortgage clause endorsement to such policies shall, notwithstanding anything to the contrary therein contained, at all times be subject to the provisions in the Act with respect to the application of insurance proceeds to reconstruction of the Building. Payment by an insurance company to the Board or to such corporate trustee of the proceeds of any policy, and the receipt of release from the Board of the company's liability under such policy shall constitute a full discharge of such insurance company, and such company shall be under no obligation to inquire into the terms of any trust under which such proceeds may be held pursuant hereto, or to take notice of any standard mortgage clause endorsement inconsistent with the provisions hereof, or see to the application of any payments of the proceeds of any policy by the Board or the corporate trustee.

(c) *Liability Insurance:* Comprehensive public liability insurance, including liability for injuries to and death of persons, and property damage, in such limits as it shall deem desirable (but not less than One Hundred Thousand Dollars ($100,000) for any one person injured, Three Hundred Thousand Dollars ($300,000) for any one occurrence and Ten Thousand Dollars ($10,000) for property damage), and other liability insurance as it may deem desirable, insuring each Unit Owner, the Association, its officers, members of the Board, the Trustee, the manager and managing agent of the Building, if any, and their respective employees and agents, from liability in connection with the ownership and/or use of the Common Elements and Units, and the streets and sidewalks adjoining the Property and insuring the officers of the Association and members of the Board from liability for good faith actions beyond the scope of their respective authorities. Such insurance coverage shall include cross liability claims of one or more insured parties against other insured parties. The premiums for such insurance shall be Common Expenses;

(d) *Workmen's Compensation:* Workmen's compensation insurance to the extent necessary to comply with any applicable laws;

(e) *Wages and Fees for Services:* The services of any person or firm employed by the Board, including, without limitation, the services of a person or firm to act as manager or as managing agent for the Property, the services of any person or persons required for maintenance or operation of the Property, and legal and/or accounting services necessary or proper in the operation of the Property or the enforcement of this Declaration and for the organization, operation and enforcement of the rights of the Association;

(f) *Care of Common Elements.* Landscaping, gardening, snow removal, painting, cleaning, tuckpointing, maintenance, decorating, repair and replacement of the Common Elements, including the Restricted Common Elements, (but not including the interior surfaces of the Units, which the Owner shall paint, clean, decorate, maintain and repair and subject to the provisions of subsection (i) of this Section 5.08, not including any portion of the Common Elements which are the responsibility of any Owner) and such furnishings and equipment for the Common Elements as the Board shall determine are necessary and proper, and the Board shall have the exclusive right and duty to acquire the same for the Common Elements;

(g) *Additional Expenses.* Any other materials, supplies, furniture, labor, services, maintenance, repairs, structural alterations, insurance or assessments which the Board is required to secure or pay for pursuant to the terms of these restrictions or by law or which in its opinion shall be necessary or proper for the maintenance and operation of the Property as a first class building or for the enforcement of this Declaration;

(h) *Discharge of Mechanic's Liens:* Any amount necessary to discharge any mechanic's lien or other encumbrance levied against the entire Property or any part thereof which may in the opinion of the

22270823

22270823

Board constitute a lien against the Property or against the Common Elements, rather than merely against the interests therein of particular Owners; it being understood, however, that the foregoing authority shall not be in limitation of any statutory provisions relating to the same subject matter. Where one or more Owners are responsible for the existence of such lien, they shall be jointly and severally liable for the cost of discharging it and any costs incurred by the Board by reason of said lien or liens shall be specially assessed to said Owners;

(i) *Certain Maintenance of Units:* Maintenance and repair of any Unit as provided in the Declaration and maintenance and repair of any Unit if such maintenance or repair is necessary, in the discretion of the Board, to protect the Common Elements, or any other portion of a building, and the Owner or Owners of said Unit have failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity of said maintenance or repair delivered by the Board or said Owner or Owners, provided that the Board shall levy a special assessment against such Unit Owner for the cost of said maintenance or repair. The Board or its agents may enter any Unit when necessary in connection with any maintenance or construction for which the Association is responsible. It may likewise enter any balcony or Restricted Common Element for maintenance, repair, construction or painting. Such entry shall be made with as little inconvenience to the Owners as practicable, and any damage caused thereby shall be repaired by the Board, at the expense of the maintenance fund. The Board reserves the right to retain a passkey to each Unit, and no locks or other devices shall be placed on the doors to the Units to obstruct entry through the use of such passkey. In the event of any emergency originating in or threatening any Unit, or in the event of the Owner's absence from the Unit at a time when required alterations or repairs are scheduled, the management agent or his representative or any other person designated by the Board may enter the Unit immediately, whether the Owner is present or not.

(j) *Capital Additions and Improvements:* The Board's powers hereinabove enumerated shall be limited in that the Board shall have no authority to acquire and pay out of the maintenance fund any capital additions and improvements (other than for purposes of replacing or restoring portions of the Common Elements, subject to all the provisions of this Declaration) having a total cost in excess of Five Thousand Dollars ($5,000), nor shall the Association authorize any structural alterations, capital additions to, or capital improvements of the Common Elements requiring an expenditure in excess of Five Thousand Dollars ($5,000), without in each case the prior approval of the Voting Members holding two-thirds (2/3rds) of the total votes.

(k) *Certain Utility Services to Units:* The Board may pay from the maintenance fund for water taxes, waste removal and/or any utilities which are not separately metered or otherwise directly charged to individual Owners. However, the Board may discontinue such payments at any time, in which case each Owner shall be responsible for direct payment of his share of such expenses as determined by the Board. The Board reserves the right to levy additional assessments against any Owner to reimburse it for excessive use by such Owner of any utility service the expense of which is charged to the maintenance fund.

5.09. *Vouchers:* All vouchers for payment of expenditures by the Board shall be signed by such officer or officers, agent or agents of the Board and in such manner as from time to time shall be determined by written resolution of the Board. In the absence of such determination by the Board, such vouchers shall be signed by the Treasurer and countersigned by the President of the Board.

5.10. *Rules and Regulations; Management:*

(a) *Rules:* The Board, at the direction of the Voting Members having two-thirds (2/3rds) of the total votes, may adopt such reasonable rules and regulations as it may deem advisable for the maintenance, conservation and beautification of the Property, and for the health, comfort, safety and general welfare of the Owners and Occupants of said Property. Written notice of such rules and regulations shall be given to all Owners and Occupants, and the entire Property shall at all times be maintained subject to such rules and regulations.

(b) *Management:* Subject to the provisions of Section 13.01 below, but notwithstanding any other provisions herein, the Board may, after prior approval of the Voting Members having two-thirds

22 270 823

(2/3rds) of the total votes, engage the services of an agent to manage the Property to the extent deemed advisable by the Board.

(c) Nothing hereinabove contained shall be construed to give the Board authority to conduct an active business for profit on behalf of all of the Owners or any of them.

ARTICLE VI

ASSESSMENTS - MAINTENANCE FUND

6.01. *Preparation of Estimated Budget:* Each year on or before December 1, the Board will estimate the total amount necessary to pay the cost of wages, materials, insurance, services and supplies which will be required during the ensuing calendar year for the rendering of all services, together with a reasonable amount considered by the Board to be necessary for a reserve for contingencies and replacements, and shall, on or before December 15, notify each Owner in writing as to the amount of such estimate, with reasonable itemization thereof. Said "estimated cash requirement" shall be assessed to the Owners according to each Owner's percentage of ownership in the Common Elements as set forth in Exhibit C attached hereto. On or before January 1 of the ensuing year, and the first of each and every month of said year, each Owner shall be obligated to pay to the Board, or as it may direct, one-twelfth (1/12th) of the assessment made pursuant to this Section. Within twenty (20) days after the recordation, pursuant to Article XIV hereof, of any Amended Condominium Declaration, the Board recalculate the estimated cash requirements, shall re-assess the Owners according to each Owner's percentage of ownership in the Common Elements as set forth in the amended Exhibit C to such Amended Condominium Declaration, and shall notify each Owner in writing of the adjusted monthly payments required for the remainder of the year. On or before the date of the Annual Meeting of each calendar year, the Board shall supply to all Owners an itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimates provided, and showing the net amount over or short of the actual expenditures, plus reserves. Any amount accumulated in excess of the amount required for actual expenses and reserves shall be credited to each Owner's percentage of ownership in the Common Elements to the next monthly installments due from Owners under the current year's estimate, until exhausted, and any net shortage shall be added according to each Owner's percentage of ownership in the Common Elements to the installments due in the succeeding six (6) months after rendering of the accounting.

6.02. *Reserve for Contingencies and Replacements:* The Board shall build up and maintain a reasonable reserve for contingencies and replacements. Extraordinary expenditures not originally included in the annual estimate which may become necessary during the year, shall be charged first against such reserve. If said "estimated cash requirement" proves inadequate for any reason, including non-payment of any Owner's assessment, the Board may, at any time, levy a further assessment, which shall be assessed to the Owners according to each Owner's percentage ownership in the Common Elements. The Board shall serve notice of such further assessment on all Owners by a statement in writing giving the amount and reasons therefor, and such further assessment shall become effective with the monthly maintenance payment which is due more than ten (10) days after the delivery or mailing of such notice of further assessment. All Owners shall be obligated to pay the adjusted monthly amount. At the time each Unit is first occupied, the Unit Owner shall pay (in addition to the first monthly assessment) to the manager or managing agent, or as otherwise directed by the Board, an amount equal to three times the first full monthly assessment for such Unit Owner, which amount shall be used and applied as an operating reserve for common expenses in the manner herein provided.

6.03. *Initial Budget.* The beneficiary of the Trustee shall determine the "estimated cash requirement," as hereinabove defined, for the initial period commencing with the date which is thirty (30) days after the sale of the first Unit and ending on December 31 of the calendar year in which said sale occurs and shall continue to determine the "estimated cash requirement" for each succeeding calendar year until such time as the first Board elected hereunder takes office. Assessments shall be levied against the Owners during said periods as provided in Section 1 of this Article provided that with respect to any Units which have not been sold by the Trustee (or its nominee) and which the Trustee continues to own, the Trustee (or its beneficiary) shall pay to the Association the aggregate amount of the actual operating expenses, as hereinafter defined, from time to time required to be paid with respect to the operation of the Property over and above such amounts as have been established by the beneficiary of the

828 027 22

Trustee as the assessments with respect to all other Units. In no event shall the Trustee (or its beneficiary) be required to pay an amount in excess of the aggregate of the assessments established with respect to those Units owned by the Trustee. Commencing with the calendar year following the election of the first Board, the Board shall determine the annual "estimated cash requirement," as hereinabove defined, and assessments in respect thereof shall be levied against the Owners, including the Trustee as the Owner of all unsold Units, as provided in Section 6.01 of this Article. For the purpose of this Section, "actual operating expenses" shall mean those ordinary expenses attributable only to the period in question and shall not include capital expenditures, amounts set aside as a reserve for contingencies or replacements, prepaid items or inventory items to the extent attributable to subsequent periods.

6.04. *Failure to Prepare Annual Budget*' The failure or delay of the Board to prepare or serve the annual or adjusted estimate on the Owner shall not constitute a waiver or release in any manner of such Owner's obligation to pay the maintenance costs and necessary reserves, as herein provided, whenever the same shall be determined, and, in the absence of any annual estimate or adjusted estimate, the Owner shall continue to pay the monthly maintenance charge at the then existing monthly rate established for the previous period until the monthly maintenance payment which is due more than ten (10) days after such new annual or adjusted estimate shall have been mailed or delivered.

6.05. *Books and Records:* The Board shall keep full and correct books of account in chronological order of the receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available for inspection by any Owner or any representative of an Owner duly authorized in writing, at such reasonable time or times during normal business hours as may be requested by the Owner. Upon ten (10) days' notice to the Board and payment of a reasonable fee, any Owner shall be furnished a statement of his account, setting forth the amount of any unpaid assessments or other charges due and owing from such Owner.

6.06. *Status of Collected Funds:* All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in the percentages set forth in Exhibit C.

6.07. *Remedies for Failure to Pay Assessments:* If an Owner is in default in the monthly payment of the aforesaid charges or assessments for thirty (30) days, the Board may bring suit for and on behalf of itself and as representative of all Owners, to enforce collection thereof or to foreclose the lien therefor as hereinafter provided or to recover possession of such Owner's Unit; and there shall be added to the amount due the costs of said suit, together with legal interest and reasonable attorneys' fees to be fixed by the court. To the extent permitted by any decision or any statute or law now or hereafter effective, the amount of any delinquent and unpaid charges or assessments, and interest, costs and fees as above provided, shall be and become a lien or charge against the Unit Ownership of the Owner involved when payable and may be foreclosed by an action brought in the name of the Board as in the case of foreclosure of liens against real estate. Unless otherwise provided in this Declaration, the members of the Board and their successors in office, acting on behalf of the other Unit Owners, shall have the power to bid in the interest so foreclosed at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Said lien shall take effect and be in force when and as provided in the Act; provided, however, that encumbrances owned or held by any bank, insurance company or savings and loan association shall be subject as to priority after written notice to said encumbrancer of unpaid Common Expenses only to the lien of all Common Expenses on the encumbered Unit which become due and payable subsequent to the date said encumbrancer either takes possession of the Unit, accepts a conveyance of any interest therein, or has a receiver appointed in a suit to foreclose his lien. Any encumbrancer may, from time to time, request in writing a written statement from the Board setting forth the unpaid Common Expenses with respect to the Unit covered by his encumbrance, and, unless the request shall be complied with within twenty (20) days, all unpaid Common Expenses which become due prior to the date of the making of such request shall be subordinate to the lien of such encumbrance. Any encumbrancer holding a lien on a Unit may pay any unpaid Common Expenses payable with respect to such Unit and upon such payment such encumbrancer shall have a lien on such Unit for the amounts paid at the same rank as the lien of his encumbrance.

6.08. *Amendments:* Except for such amendments as may be required to conform any provision of this Declaration to the requirements of law, all amendments to this Article VI shall only be effective upon unanimous

22 270 823

written consent of the Owners, and their mortgagees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his or their Unit.

ARTICLE VII

COVENANTS AND RESTRICTIONS

AS TO

USE AND OCCUPANCY

7.01. The Units and Common Elements shall be occupied and used as follows:

(a) *Residential Purposes:* No part of the Property shall be used for other than housing and related common purposes for which the Property was designed. Each Unit or any two or more adjoining Units used together shall be used as a residence for a single family or such other uses permitted by this Declaration and for no other purpose. That part of the Common Elements separating any two or more adjoining Units used together as aforesaid may be altered to afford ingress and egress to and from such adjoining Units in such manner and upon such conditions as shall be determined by the Board in writing.

(b) *Obstruction of Common Elements:* There shall be no obstruction of the Common Elements, nor shall anything be stored in the Common Elements without the prior consent of the Board, except as hereinafter expressly provided. Each Owner shall be obligated to maintain and keep in good order and repair his own Unit.

(c) *Hazardous Uses and Waste:* Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance on the Building, or contents thereof, applicable for residential use, without the prior written consent of the Board. No Owner shall permit anything to be done or kept in his Unit or in the Common Elements which will result in the cancellation of insurance on the Property, or contents thereof, or which would be in violation of any law. No waste shall be committed in the Common Elements.

(d) *Exterior Exposure of Building:* Owners shall not cause or permit anything to be hung or displayed on the outside of windows or placed on the outside walls of the Building, and no sign, awning, canopy, shutter, radio or television antenna shall be affixed to or placed upon the exterior walls or roof or any part thereof, without the prior consent of the Board.

(e) *Pets:* No animals, rabbits, livestock, fowl or poultry of any kind shall be raised, bred, or kept in any Unit or in the Common Elements, except that dogs, cats, or other household pets may be kept in Units, subject to rules and regulations adopted by the Board, provided that they are not kept, bred, or maintained for any commercial purpose; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed from the Property subject to these restrictions upon three (3) days' written notice from the Board.

(f) *Nuisances:* No noxious or offensive activity shall be carried on in any Unit or in the Common Elements, nor shall anything be done therein, either wilfully or negligently, which may be or become an annoyance or nuisance to the other Owners or Occupants.

(g) *Impairment of Structural Integrity of Building:* Nothing shall be done in any Unit or in, on or to the Common Elements which will impair the structural integrity of the Building or which would structurally change the Building except as is otherwise provided herein. No Unit Owner shall overload the electric wiring in the Building, or operate any machines, appliances, accessories or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others.

(h) *Laundry or Rubbish:* No clothes, sheets, blankets, laundry, of any kind or other articles shall

22 270 823

be hung out or exposed on any part of the Common Elements. The Common Elements shall be kept free and clear of rubbish, debris and other unsightly materials.

(i) *Lounging or Storage in Common Elements:* There shall be no playing, lounging, parking of baby carriages or playpens, bicycles, wagons, toys, vehicles, benches or chairs on any part of the Common Elements, except that baby carriages, bicycles and other personal property may be stored in a storage area designated for the purpose, and balconies and the Restricted Common Elements may be used for their intended purposes.

(j) *Prohibited Activities and Signs:* No industry, business, trade, occupation or profession of any kind, commercial, religious, educational, or otherwise, designed for profit, altruism, exploration, or otherwise, shall be conducted, maintained, or permitted on any part of the Property, nor, except with the consent of the Board, shall any "For Sale" or "For Rent" signs or other window displays or advertising be maintained or permitted by any Owner on any part of the Property or in any Unit therein. The right is reserved by the Trustee, its beneficiary or its agent, to place "For Sale" or "For Rent" signs on any unsold or unoccupied Units, and to place such other signs on the Property as may be required to facilitate the sale of unsold Units. The right is hereby given to any mortgagee, who may become the Owner of any Unit, to place "For Sale" or "For Rent" signs on any Unit owned by such mortgagee and to the Board or its representatives to place "For Sale" or "For Rent" signs on any Unit or on the Property, for the purpose of facilitating the disposal of Units by any Owner, mortgagee, or the Board.

(k) *Alterations of Common Elements:* Nothing shall be altered or constructed in or removed from the Common Elements, except upon the written consent of the Board.

(l) *Parking Area:* That part of the Common Elements identified in Exhibit B as Parking Area shall be used by the Owners for parking purposes, subject to the exclusive rights of the respective Unit Owners as to that portion thereof designated as Restricted Common Elements.

(m) *Display of Model Units by Trustee's Beneficiary:* During the period of construction of the Building on the Property by the Trustee, the Trustee, its beneficiary or beneficiaries (hereinafter collectively "beneficiary") and its contractors and sub-contractors, and their respective agents and employees, shall be entitled to access, ingress and egress to said Building and Property as may be required in connection with said construction. During the period in which sales of Units by the beneficiary of the Trustee are in process, the Trustee's beneficiary may occupy or grant permission to any person or entity to occupy, with or without rental, as determined by the Trustee or said beneficiary, one or more Units for business or promotional purposes, including clerical activities, sales offices, model Units for display and the like; provided that the activities in the Units so occupied do not interfere with the quiet enjoyment of any other Owner or Occupant.

(n) *Certain Personal Professional Activities Permitted:* The use restrictions in Paragraphs (a) and (j) of this Article VII shall not, however, be construed in such a manner as to prohibit an Owner from (a) maintaining his personal professional library therein; (b) keeping his personal, business or professional records or accounts therein; or (c) handling his personal, business or professional telephone calls or correspondence therefrom. Such uses are expressly declared customarily incident to the principal residential use and not in violation of Paragraphs (a) or (j) of this Article VII.

ARTICLE VIII

SALE, LEASING OR OTHER ALIENATION

8.01. *Sale or Lease:* Any Owner, other than the Trustee or its beneficiary, who wishes to sell or lease his Unit Ownership (or any lessee of any Unit wishing to assign or sublease such Unit) to any person not related by blood or marriage to the Owner (including the beneficiary of any Unit held in Trust) shall give to the Board of Managers no less than thirty (30) days' prior written notice of the terms of any contemplated sale or lease, together with the name and address of the proposed purchaser or lessee, and its or their financial and character references.

22 270 823

The Board, acting on behalf of the other Unit Owners as hereinafter provided, shall at all times have the first right and option to purchase or lease such Unit Ownership upon the same terms as the proposed sale or lease, which option shall be exercisable for a period of forty-five (45) days following the date of receipt of such notice; provided, however, that if the proposed purchase or lease shall be for a consideration which the Board, in its reasonable opinion, deems inconsistent with the bona fide fair market value of such Unit Ownership, the Board may elect to exercise such option in the manner, within the period, and on the terms set forth in Section 8.02 below. If said option is not exercised by the Board within the aforesaid option period, or if said option is properly waived, the Owner (or Lessee) may, at the expiration of said period (and at any time within sixty (60) days after the expiration of said period) contract to sell or lease (or sublease or assign) such Unit Ownership to the proposed purchaser or lessee named in such notice upon the terms specified therein, and, if he fails to close said proposed sale or lease transaction within said sixty (60) days, his Unit Ownership shall again become subject to the Board's right of first option as herein provided.

8.02. *Gift:* Any Owner, other than the Trustee, who wishes to make a gift of his Unit Ownership or any interest therein to any person or persons who would not be heirs at law of the Owner under the Rules of Descent of the State of Illinois were he or she to die within ninety (90) days prior to the contemplated date of such gift, shall give to the Board not less than ninety (90) days' written notice of his or her intent to make such gift prior to the contemplated date thereof, together with the name and address of the intended donee and the contemplated date of said gift. The Board, acting on behalf of the Unit Owners as hereinafter provided, shall at all times have the first right and option to purchase such Unit Ownership or interest therein for cash at fair market value to be determined by arbitration as herein provided, which option shall be exercisable until the date of expiration as provided herein. Within fifteen (15) days after receipt of said written notice by the Board, the Board and the Owner desiring to make such gift shall each appoint a qualified real estate appraiser to act as arbitrators. The two arbitrators so appointed shall, within ten (10) days after their appointment, appoint another qualified real estate appraiser to act as the third arbitrator. Within fifteen (15) days after the appointment of said arbitrator, the three (3) arbitrators shall determine, by majority vote, the fair market value of the Unit Ownership or interest therein which the Owner contemplates conveying by gift, and shall thereupon give written notice of such determination to the Owner and the Board. The Board's option to purchase the Unit Ownership or interest therein shall expire forty-five (45) days after the date of receipt by it of such notice.

8.03. *Devise:* In the event any Owner dies leaving a will devising his or her Unit Ownership, or any interest therein, to any person or persons not heirs at law of the deceased Owner under the Rules of Descent of the State of Illinois and said will is admitted to probate, the Board and their successors in office, acting on behalf of the Unit Owners as hereinafter provided, shall have a like option (to be exercised in the manner hereinafter set forth) to purchase said Unit Ownership or interest therein either from the devisee or devisees thereof named in said will, or, if a power of sale is conferred by said will upon the personal representative named therein, from the personal representative acting pursuant to said power, for cash at fair market value which is to be determined by arbitration. Within sixty (60) days after the appointment of a personal representative for the estate of the deceased Owner, the Board shall appoint a qualified real estate appraiser to act as an arbitrator, and shall thereupon give written notice of such appointment to the said devisee or devisees or personal representative, as the case may be. Within fifteen (15) days thereafter, said devisee or devisees, or personal representative, as the case may be, shall appoint a qualified real estate appraiser to act as an arbitrator. Within ten (10) days after the appointment of said arbitrator, the two so appointed shall appoint another qualified real estate appraiser to act as the third arbitrator. Within fifteen (15) days thereafter, the three arbitrators shall determine, by majority vote, the fair market value of the Unit Ownership or interest therein devised by the deceased Owner, and shall thereupon give written notice of such determination to the Board, and said devisee or devisees, or personal representative, as the case may be. The Board's right to elect to purchase the Unit Ownership or interest therein at the price determined by the three arbitrators shall expire sixty (60) days after the date of receipt by it of such notice if the personal representative of the deceased Owner is empowered to sell, and shall expire eight (8) months after the appointment of a personal representative who is not so empowered to sell. The Board shall be deemed to have exercised its option if it tenders the required sum of money (directly or in escrow, pending title clearance) to said devisee or devisees or to said personal representative, as the case may be, within the said option periods. Nothing herein contained shall be deemed to restrict the right of the Board or its authorized representative, pursuant to authority given to the Board by the Owners as hereinafter provided, to bid at any sale of the Unit Ownership or interest therein of any deceased Owner which said sale is held pursuant to an order or direction of the court having jurisdiction over that portion of the deceased Owner's estate which contains his or her Unit Ownership or interest therein.

88 270 822

8.04. *Involuntary Sale:*

(a) In the event any Unit Ownership or interest therein is sold at a judicial or execution sale (other than a mortgage foreclosure sale), the person acquiring title through such sale shall, before taking possession of the Unit so sold, give thirty (30) days' written notice to the Board of his intention so to do, whereupon the members of the Board of Managers and their successors in office, acting on behalf of consenting Unit Owners as hereinafter provided, shall have an irrevocable option to purchase such Unit Ownership or interest therein at the same price for which it was sold at said sale. If said option is not exercised by the Board within said thirty (30) days after receipt of such notice, it shall thereupon expire and said purchaser may thereafter take possession of said Unit. The Board shall be deemed to have exercised its option if it tenders the required sum of money (directly or in escrow pending title clearance) to the purchaser within said thirty (30) day period.

(b) In the event any Owner shall default in the payment of any monies required to be paid under the provisions of any mortgage or trust deed against his Unit Ownership, the Board shall have the right to cure such default by paying the amount so owing to the party entitled thereto, and shall thereupon have a lien therefor against such Unit Ownership, which lien shall have the same force and effect and may be enforced in the same manner as provided in Article VI.

8.05. *Transfer of Option Rights to Single Unit Owner or Group of Owners:* Any right to purchase or lease which the Board may have or obtain under the provisions of this Article may be transferred, with the consent of the Unit Owners, as hereinafter provided, to one or more of the Unit Owners so as to enable the said Unit Owner or Owners to acquire the subject Unit or interest as a personal investment, provided that the Board is reasonably assured that such Unit Owner or Owners have the financial capacity to undertake such purchase or lease and will fulfill the requirements of said purchase or lease within all stipulated time periods.

8.06. *Consent of Voting Members:* The Board shall not exercise any option hereinabove set forth to purchase any Unit Ownership or interest therein, or transfer its rights to any single Unit Owner or group of Unit Owners, without the prior written consent of the Voting Members holding at least seventy-five percent (75%) of the voting rights in the Association, and whose Unit Ownerships are not the subject matter of such option. The Board may bid to purchase at any sale of a Unit Ownership or interest therein, which said sale is held pursuant to an order or direction of a court upon the prior written consent of the aforesaid Voting Members, which said consent shall set forth a maximum price which the Board of Managers is authorized to bid and pay for said Unit or interest therein. If the requisite consent is obtained any of the aforesaid options shall be exercised by the Board of Managers solely for the use and benefit of all Owners, including the minority of Owners not consenting thereto.

8.07. *Release, Waiver and Exceptions to Option:* Upon the written consent of two (2) of the Board members, any of the options contained in this Article VIII may be released or waived, and the Unit Ownership or interest therein which is subject to an option set forth in this Article may be sold, conveyed, leased, given or devised free and clear of the provisions of this Article. In addition, none of the options contained in this Article VIII shall be applicable to any sales, leases, or subleases to purchasers, lessees or sublessees procured by or through the Trustee (or its beneficiary) for its own account.

8.08. *Proof of Termination of Option:* A certificate executed and acknowledged by the acting President or Secretary of the Board, stating that the provisions of this Article VIII as hereinabove set forth have been met by an Owner, or duly waived by the Board, and that the rights of the Board hereunder have terminated, shall be conclusive upon the Board and the Owners in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner who has, in fact, complied with the provisions of this Article or in respect to whom the provisions of this Article have been waived, upon request at a reasonable fee, not to exceed Ten Dollars ($10.00).

8.09. *Financing of Purchase under Option:*

(a) Acquisition of Unit Ownerships or any interests therein under the provisions of this Article shall be made from the maintenance fund. If said fund is insufficient, the Board shall levy any assessment against each Owner in the ratio that his percentage of ownership in the Common Elements as set forth in

72 270 823

Exhibit C bears to the total of all such percentages applicable to Units subject to said assessment (thus, excluding the percentage of any Unit Ownership being the subject of the purchase), which assessment shall become a lien and be enforceable in the same manner as provided in Article VI.

(b) The Board, in its discretion, may borrow money to finance the acquisition of any Unit Ownership or interest therein authorized by this Article; provided, however, that no financing may be secured by an encumbrance or hypothecation of any portion of the Property other than the Unit Ownership or interest therein to be acquired. The loan documents evidencing such borrowing may be executed by the members of the Board, a nominee of the Board, or by a land trust of which the Board shall be the beneficiary.

8.10. *Title to Acquired Interests:* Unit Ownerships or interests therein acquired pursuant to the terms of this Article shall be held of record in the name of the members of the Board and their successors in office, or such nominee as they shall designate, for the benefit of all the Owners. Said Unit Ownerships or interests therein shall be sold or leased by the Board in such manner as it shall determine. All proceeds of such sale and/or leasing shall be deposited in the maintenance fund and credited to each Owner in the same proportion in which the Board could levy a special assessment under the terms of Section 8.09(a) above.

8.11. *Responsibility of Transferees for Unpaid Assessments:* In a voluntary transfer of a Unit, the transferee of the Unit shall be jointly and severally liable with the transferor for all unpaid assessments against the latter up to the time of transfer, without prejudice to the transferee's right to recover from the transferor the amounts paid by the transferee therefor. However, any such transferee shall be entitled to a statement from the Board or President, or managing agent of the Association, as the case may be, setting forth the amount of the unpaid assessments against the transferor due the Association and such transferee shall not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid assessments made by the Association against the transferor in excess of the amount therein set forth.

ARTICLE IX

DAMAGE OR DESTRUCTION

AND

RESTORATION OF BUILDINGS

9.01. *Insurance:*

(a) *Sufficient Insurance:* In the event the improvements forming a part of the Property, or any portion thereof, including any Unit, shall suffer damage or destruction from any cause and the proceeds of any policy or policies insuring against such loss, or damage, and payable by reason thereof, shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction shall be undertaken and the insurance proceeds shall be applied by the Board or the payee of such insurance proceeds in payment therefor; provided, however that in the event, within thirty (30) days after said damage or destruction, the Unit Owners elect either to sell the Property as hereinafter provided in Article X or to withdraw the Property from the provisions of this Declaration and from the provisions of the Act, as therein provided, then such repair, restoration or reconstruction shall not be undertaken.

(b) *Insufficient Insurance:* In the event the Property or the improvements thereon so damaged are not insured against the risk causing the loss or damage, or the insurance proceeds are not sufficient to pay the cost of repair, restoration or reconstruction, and the Unit Owners and all other parties in interest do not voluntarily make provision for reconstruction of the improvements within one hundred eighty (180) days after said damage or destruction, then the provisions of the Act in such event shall apply.

22 028 328

9.02. *Substantial Restoration:* Repair, restoration or reconstruction of the improvements, as used in this Article, means restoring the improvements to substantially the same condition in which they existed prior to the fire or other disaster, with each Unit and the Common Elements having the same vertical and horizontal boundaries as before.

ARTICLE X

SALE OF THE PROPERTY

10.01. *Voluntary Sale of Property:* The Owners by affirmative vote of at least seventy-five percent (75%) of the total vote, at a meeting duly called for such purpose, may elect to sell the property as a whole. Such action shall be binding upon all Unit Owners, and it shall thereupon become the duty of every Unit Owner to execute and deliver such instruments, and to perform all acts as in manner and form may be necessary to effect such sale, provided, however, that any Unit Owner who did not vote in favor of such action and who has filed written objection thereto with the Board within twenty (20) days after the date of the meeting at which such sale was approved shall be entitled to receive from the proceeds of such sale an amount equivalent to the value of his interest, as determined by a fair appraisal, less the amount of any unpaid assessments or charges due and owing from such Unit Owner. In the absence of agreement on an appraiser, such Unit Owner and the Board may each select an appraiser, and two so selected shall select a third, and the fair market value, as determined by a majority of the three so selected shall control. If either party shall fail to select an appraiser, then the one designated by the other party shall make the appraisal.

ARTICLE XI

REMEDIES FOR BREACH OF COVENANTS,

RESTRICTIONS AND REGULATIONS

11.01. Abatement and Enjoinment: The violation of any restriction or condition or regulation adopted by the Board, or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to the rights set forth in the next succeeding section and to the remedies set forth in Section 6.07 hereof.

(a) to enter upon the property upon which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting owner, any structure, thing or condition that may exist there on contrary to the intent and meaning of the provisions hereof, and the Trustee, or its successors or assigns, or the Board, or its agents, shall not thereby be deemed guilty in any manner of trespass; or

(b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach.

11.02. *Involuntary Sale:* If any Owner (either by his own conduct or by the conduct of any other occupant of his Unit) shall violate any of the covenants or restrictions or provisions of this Declaration or the regulations adopted by the Board, and such violation shall continue for thirty (30) days after notice in writing from the Board, or shall occur repeatedly during any thirty (30) day period after written notice or request to cure such violation from the Board, then the Board shall have the power to issue to the defaulting Owner a ten(10) day notice in writing to terminate the rights of the said defaulting Owner to continue as an Owner and to continue to occupy, use or control his Unit and thereupon an action in equity may be filed by the members of the Board against the defaulting Owner for a decree of mandatory injunction against the Owner or occupant or, subject to the prior consent in writing of any mortgagee having a security interest in the Unit Ownership of the defaulting Owner, which consent shall not be unreasonably withheld, in the alternative a decree declaring the termination of the defaulting Owner's right to occupy, use or control the Unit owned by him on account of the breach of covenant, and ordering that all the right, title and interest of the Owner in the property shall be sold (subject to the lien of any existing mortgage) at a judicial sale upon such notice and terms as the court shall establish, except that the court shall enjoin and

22 270 803

restrain the defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees, and all other expenses of the proceeding and sale, and all such items shall be taxed against the defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to the Owner. Upon the confirmation of such sale, the purchaser thereat shall thereupon be entitled to a deed to the Unit Ownership and, subject to the Board's rights as provided in Section 8.04(a) hereof, to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the property sold subject to this Declaration, and the purchaser shall become a member of the Association, in the place and stead of the defaulting Owner.

ARTICLE XII

INCORPORATION OF ASSOCIATION

12.01. *Formation of Association* The Trustee, upon the sale of one or more Units, and prior to the election of the first Board of Managers, and the Board at any time thereafter, may cause to be incorporated a not-for-profit corporation under the laws of the State of Illinois to be called "Tahoe Village Condominium Association" or a name similar thereto, to facilitate administration and operation of the Property. Upon the formation of such Association, every Owner shall be a member therein, which membership shall terminate upon the sale or other disposition by such member of his Unit Ownership, at which time the New Owner shall automatically become a member therein.

ARTICLE XIII

GENERAL PROVISIONS

13.01. *Initial Rights of Trustee's Beneficiary.* Until such time as the Board of Managers provided for in this Declaration is formed, and until such time thereafter as Trustee shall have consummated the sale of Unit Ownerships aggregating ninety-five (95%) per cent of all Unit Ownerships computed as set forth in Exhibit C attached hereto (as amended from time to time pursuant to the provisions of Article XIV hereof), the beneficiary of the Trustee shall exercise the powers, rights, duties and functions of the Board of Managers and Association, and the Trustee shall have the further right, anything herein to the contrary notwithstanding, including, but not limited to, the provisions of Sections 5.07(c) and 5.10(b) above, to appoint (and in this instance has appointed) a manager or managing agent to operate the property and the Common Elements thereof for all the Unit Owners in the Condominium Assocation hereby created. The appointment of such manager or managing agent by the beneficiary of the Trustee shall be for a term that does not extend for any period beyond twelve months following the completion of the thirty-sixth building to be constructed on the Development Parcel and the Additional Condominium Area referred to in Article XIV hereof. Thereafter, the Board may engage the services of an agent to manage the Property in accordance with Sections 5.07(c) and 5.10(b) above.

22 270 823

13.02. *Notices to Morgage Lenders.* Upon written request to the Board, the holder of any duly recorded mortgage or trust deed against any Unit Ownership shall be given a copy of any and all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit Ownership is subject to such mortgage or trust deed.

13.03. *Service of Notices on Board.* Notices required to be given to said Board or the Association may be delivered to any member of the Board or officer of the Association, either personally, or by mail, addressed to such member or officer at his Unit.

13.04. *Service of Notices on Devisees and Personal Representatives:* Notices required to be given any devisee or personal representative of a deceased Owner may be delivered either personally or by mail to such party at his or its address appearing in the records of the court wherein the estate of such deceased Owner is being administered.

9

13.05. *Covenants to Run With Land:* Each grantee of the Trustee, by the acceptance of a deed of conveyance, or each purchaser under Articles of Agreement for Trustee's Deed, or any contract for any deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest in said land, and shall inure to the benefit of such Owner in like manner as though the provisions of the Declaration were recited and stipulated at length in each and every deed of conveyance.

13.06. *Non-Waiver of Covenants:* No covenants, restrictions, conditions, obligations or provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

13.07. *Waiver of Damages:* Neither the Trustee, nor its beneficiary, nor their respective representatives or designees, shall be liable for any claim whatsoever arising out of or by reason of any actions performed pursuant to any authorities granted to or delegated to it by or pursuant to this Declaration, or in the Trustee's (or its beneficiary or their respective representative's or designee's) capacity as developer, contractor, Owner, manager or seller of the Property, whether or not such claim (a) shall be asserted by any Owner, occupant, the Board or the Association, or by any person or entity claiming through any of them; or (b) shall be on account of injury to person or damage to or loss of property wherever located and however caused; or (c) shall arise *ex contractu* or (except in case of gross negligence) *ex delictu*. Without limiting the generality of the foregoing, the foregoing enumeration includes all claims for, or arising by reason of, the Property or any part thereof being or becoming out of repair or containing any patent or latent defects, or by reason of any act of neglect of any Owner, Occupant, the Board, the Association, and their respective agents, employees, guests, and invitees, or by reason of any neighboring property or personal property located on or about the Property, or by reason of the failure to function, or disrepair of, any utility services (heat, air conditioning, electricity, gas, water, sewage, etc.).

13.08. *Amendments to Declaration:* The provisions of Article II, Article III, Article VI, Section 8.06 and Section 13.08 of this Declaration may be changed, modified, or rescinded by instrument in writing setting forth such change, modification or rescission, signed and acknowledged by the Board, all of the Owners and all mortgagees having bona fide liens of record against Unit Ownerships. Other provisons of this Declaration (except Section 13.07 and Article XIV, which may never be changed without the written consent of the Trustee) may be changed, modified or rescinded by an instrument in writing setting forth such change, modification or rescission, signed and acknowledged by the Board, the Owners having at least three-fourths (3/4ths) of the total vote and containing an affidavit by an officer of the Board certifying that a copy of the change, modification or rescission has been mailed by certified mail to all mortgagees having bona fide liens of record against any Unit Ownership, not less than ten (10) days prior to the date of such affidavit. The change, modification or rescission shall be effective upon the recording of such instrument in the Office of the Recorder of Deeds, in Cook County, Illinois, provided, however that no provision in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act. At the request of any municipality deemed affected thereby a copy of any amendment to Section 3.01 or 4.04(c) shall be delivered to the municipality requesting the same.

13.09. *Severability:* The invalidity of any covenant, restriction, condition, limitation, or any other provision of this Declaration, or of any part of the same, shall not impair or affect in any manner the validity, enforceability or effect of the rest of this Declaration.

13.10. *Perpetuities and Restraints on Alienation:* If any of the options, privileges, covenants or rights created by this Declaration would otherwise be unlawful or void for violation of (a) the rule against perpetuities or some analgous statutory provisions, (b) the rule restricting restraints on alienation, or (c) any other statutory or common law rules imposing time limits, then such provision shall continue only until twenty-one (21) years after the death of the now living lawful descendants of Richard J. Daley, Mayor of Chicago, and the late Robert F. Kennedy, former Junior Senator from the State of New York.

13.11. *Interpretation of Declaration:* The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a first class condominium apartment development.

27 210 863

13.12. *Ownership by Trust:* In the event title to any Unit Ownership is conveyed to a land title holding trust under the terms of which all powers of management, operation and control of the trust property remain vested in the trust beneficiary, then the trust estate under such trust and the beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens or indebtednesses and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit Ownership. No liability shall be asserted against any such title holding trustee personally for payment of any claim, lien or obligation or for the performance of any agreement, covenant or undertaking hereby created, and the Trustee shall not be obligated to sequester funds or trust property to apply in whole or in part thereon, but the amount thereof shall continue to be a charge or lien upon the Unit Ownership, notwithstanding any changes in the beneficial interest of any such trust or transfers of title to such Unit Owners.

13.13. *Indemnity to Board Members:* The members of the Board and the officers thereof or of the Association shall not be liable to the Unit Owners for any mistake of judgment, or any acts or omissions made in good faith as such member or officers. The Unit Owners shall indemnify and hold harmless each of such members or officers against all contractual liability to others arising out of contracts made by such members or officers on behalf of the Unit Owners or the Association, unless any such contract shall have been made in bad faith or contrary to the provisions of this Declaration. Such members or officers shall have no personal liability with respect to any contract made by them on behalf of the Unit Owners or the Association. The liability of any Unit Owner arising out of any contract made by such members or officers or out of the aforesaid indemnity shall be limited to such proportion of the total liability thereunder as his percentage interest in the Common Elements bears to the total percentage interest of all the Unit Owners in the Common Elements. Each agreement made by such members or officers or by the managing agent on behalf of the Unit Owners or the Association shall be executed by such members or officers or the managing agent, as the case may be, as agents for the Unit Owners or for the Board or Association.

ARTICLE XIV

PROPOSED ADDITIONS

TO DEVELOPMENT PARCEL

14.01. *Additional Condominium Area.* The Trustee, or its beneficiaries, intends to develop as condominiums, additional real estate located in the vicinity of the Development Parcel. Said real estate (hereinafter referred to as the "Additional Condominium Area") is legally described in Exhibit D hereto. The Trustee hereby reserves the right, from time to time, within a period of five (5) years after the date of recording of this declaration, to add on and annex to the Development Parcel all or any portion of the Additional Condominium Area, by recording an amended declaration or amended declarations (each such instrument being hereinafter referred to as "Amended Condominium Declaration") which shall set forth the legal description of the additional parcel or parcels within the Additional Condominium Area to be annexed to the Development Parcel and which shall state the intention of the Trustee thereby to submit said additional parcel or parcels to the Act and to the Plan of Condominium Ownership established by this declaration. Upon the recording of such Amended Condominium Declaration the additional parcel or parcels therein described shall be deemed to be governed in all respects by the provisions of this declaration and shall thereupon become part of the Development Parcel. A copy of each such recorded Amended Condominium Declaration shall in each instance be delivered to the Village of Wheeling, Illinois. Those portions of the Additional Condominium Area which are not made part of the Development Parcel by this declaration shall not be subject to any of the provisions of this declaration and shall not be affected in any manner by the Plan of Condominium Ownership established by this declaration unless and until an Amended Condominium Declaration is recorded annexing such portions to the Development Parcel as aforesaid. Unit Owners shall have no rights whatsoever in or to any portions of the Additional Condominium Area unless and until an Amended Condominium Declaration is recorded annexing such portions to the Development Parcel as aforesaid. Upon the expiration of said period of five (5) years after the date of recording of this declaration, no further portions of the Additional Condominium Area which have not theretofore been made part of or annexed to the Development Parcel shall thereafter be annexed to the Development Parcel.

22 270 823

14.02. *Amended Condominium Declarations.* Each amended Condominium Declaration shall include:

(a) An amended Exhibit A which shall amend Exhibit A hereto by setting forth the amended legal description of the Development Parcel, including that portion or portions of the Additional Condominium Area annexed thereto, as well as a separate legal description of such addition.

(b) An amended Exhibit B which shall amend Exhibit B hereto by showing the boundaries of the Development Parcel, including that portion or portions of the Additional Condominium Area annexed thereto, and delineating and describing the Units, including the Units constructed or to be constructed on such addition.

(c) An amended Exhibit C which shall amend Exhibit C hereto by setting forth the amended percentage of ownership in the Common Elements, including the Common Elements attributable to that portion or portions of the Additional Condominium Area annexed thereto, allocable to each Unit, including all previous Units and Additional Units added by such Amended Condominium Declaration.

(d) An amended Exhibit D which shall amend Exhibit D hereto by setting forth the amended legal description of the Additional Condominium Area, deleting therefrom that portion or portions annexed to the Development Parcel by such Amended Condominium Declaration.

14.03. *Determination of Amended Percentage of Ownership in Common Elements.* Each Unit's percentage of ownership in the Common Elements, as amended by each Amended Condominium Declaration and as set forth in the amended Exhibit C attached thereto, shall be determined as follows:

(a) The Common Elements, as amended by such Amended Condominium Declaration, shall be deemed to consist of the Common Elements as existing immediately prior to the recording of such Amended Condominium Declaration (hereinafter referred to as the "Existing Common Elements") and the Common Elements added by such Amended Condominium Declaration (hereinafter referred to as the "Added Common Elements").

(b) The Units, as amended by such Amended Condominium Declaration, shall be deemed to consist of the Units as existing immediately prior to the recording of such Amended Condominium Declaration (hereinafter referred to as the "Existing Units") and the Units added by such Amended Condominium Declaration (hereinafter referred to as the "Added Units").

(c) The value of each of the Added Units shall be added to the aggregate value of the Existing Units, as previously determined and the total thereof shall be deemed to be the new value of the Units as a whole.

(d) The percentages of Ownership in the entire Common Elements, consisting of the Existing Common Elements plus the Added Common Elements, to be allocated among all the Units, consisting of the Existing Units plus the Added Units, shall be computed by taking as a basis the value of each Unit in relation to the value of the Units as a whole, determined as aforesaid.

(e) The Existing Units shall be entitled to their respective percentages of ownership, as amended and adjusted and set forth in amended Exhibit C attached to such Amended Condominium Declaration, in the Added Common Elements as well as in the Existing Common Elements.

(f) The Added Units shall be entitled to their respective percentages of ownership, as set forth in such amended Exhibit C not only in the Added Common Elements but also in the Existing Common Elements.

(g) Each and all of the provisions of this declaration and the exhibits attached hereto, as amended by each successive Amended Condominium Declaration and the amended Exhibits attached thereto, shall be deemed to apply to each and all of the Units, including all such Added Units as well as all Existing Units, and to all of the Common Elements, including all such Added Common Elements as well as all Existing Common Elements.

828 012 22

(h) The recording of an Amended Condominium Declaration shall not alter or affect the amount of any lien for common expenses due from any Existing Unit Owner prior to such recording, nor the respective amounts theretofore assessed to or due from Existing Unit Owners for common expenses or other assessments.

14.04. *Existing Mortgages.* The lien of any mortgage encumbering any Existing Unit, together with its appurtenant percentage of ownership in the Existing Common Elements, shall automatically be deemed to be adjusted and amended when an Amended Condominium Declaration is recorded, in accordance with the respective percentages of ownership in the Common Elements for such Existing Unit as set forth in the Amended Exhibit C attached to such Amended Condominium Declaration, and the lien of such mortgage shall automatically attach to such percentage of the Added Common Elements.

14.05. *Binding Effect.*

(a) Each and all of the Unit Owners, of all Existing Units and of all Added Units, and their respective mortgagees, grantees, heirs, administrators, executors, legal representatives, successors and assigns, by their acceptance of any deed or mortgage or other interest in or with respect to any of such Units, shall be deemed to have expressly agreed, assented and consented to each and all of the provisions of the declaration set forth in Sections 14.01, 14.02 and 14.03, both with respect to the recording of Amended Condominium Declarations which may amend and adjust their respective percentages of ownership in the Common Elements, including the Existing Common Elements and the Added Common Elements, from time to time as hereinabove provided; and each hereby further agrees to each and all of the provisions of any Amended Condominium Declaration which may hereafter be recorded in accordance with the foregoing provisions of this declaration.

(b) A power coupled with an interest is hereby granted to Peachin-Pekin, Inc., the beneficiary of the Trustee as attorney in fact, to amend and adjust the percentages of ownership in the Common Elements, from time to time in accordance with each such Amended Condominium Declaration recorded pursuant hereto, and the acceptance of each such deed or other instrument with respect to any Unit shall be deemed to be a confirmation of such power to such attorney in fact.

(c) The acceptance of each deed or other instrument with respect to any Unit shall, in addition to the foregoing, be deemed to constitute a consent and agreement to and acceptance and confirmation of each of the following provisions as though fully set forth in such deed or other instrument:

(i) That the respective percentage of ownership in the Common Elements relating to such Unit shall be deemed thereby to be reconveyed effective upon the recording of each such Amended Condominium Declaration and re-allocated among the respective Unit Owners in accordance with the amended and adjusted percentages set forth in each such Amended Condominium Declaration;

(ii) That such deed or other instrument shall be deemed given upon a conditional limitation to the effect that the respective percentage of ownership in the Common Elements relating to such Unit shall be deemed divested pro tonto upon the recording of each such Amended Condominium Declaration and revested and reallocated among the respective Unit Owners in accordance with the amended and adjusted percentages set forth in each such Amended Condominium Declaration; and

(iii) That, to the extent required for the purposes of so amending and adjusting such percentages as aforesaid, a right of revocation shall be deemed reserved by the Grantor of such deed or other instrument with respect to such percentage as granted therein;

(iv) That such changes in the respective percentages of ownership in the Common Elements, as set forth in each such Amended Condominium Declaration, shall be deemed to be made by agreement of all Unit Owners, and shall also be deemed to be an agreement of all Unit Owners to such changes within the contemplation of the Act; and

2228 012 22

(v) That each Unit Owner by acceptance of the deed conveying his Unit agrees for himself and all those claiming under him, including mortgagees, that this declaration and each Amended Condominium Declaration is and shall be deemed to be in accordance with the Act.
