Dear Host,

Thank you for your interest in **The It's Morning NOW Awakening Movement**.

We are honored by your invitation and grateful for your willingness to create space for an experience rooted in presence, peace, and renewal.

The It's Morning NOW Awakening Experience is designed to flow gently and intentionally. This packet outlines what to expect, how to prepare, and how we can partner together to steward a meaningful and uninterrupted experience for all participants.

We look forward to the possibility of walking alongside your community.

With gratitude,

### WHAT IS THE IT'S MORNING NOW AWAKENING EXPERIENCE?

The It's Morning NOW Awakening Experience is a **facilitated, trauma-aware, breath-centered encounter** designed to help individuals pause, release, and rise into the present moment—without reliving the past.

This is not:

- a sermon
- a counseling session
- a testimony-sharing event

This is a **guided experience** that honors the nervous system, protects emotional safety, and creates space for awareness, peace, forgiveness, and renewal.

### WHAT PARTICIPANTS WILL EXPERIENCE

Participants will be guided through:

- Breath-centered grounding and stillness
- Gentle teaching on presence, release, and renewal
- A cinematic visual devotional
- Original music ("It's Morning")
- Guided embodied movement (Breatheography)
- Affirmations focused on the NOW
- A calm, complete closing without pressure or performance

Participants will **not** be asked to speak publicly, share personal stories, or relive trauma.

### WHAT HOSTS CAN EXPECT

As a host, you can expect:

- A fully facilitated experience led by VRonica (or trained facilitator)
- A clear, intentional flow from beginning to end
- Trauma-aware language and pacing
- Respect for your space, culture, and audience
- An experience that complements—not replaces—pastoral or organizational leadership

The experience is complete in itself and does **not require an altar call or response time**.

## HOST RESPONSIBILITIES & PREPARATION

To ensure the experience flows freely, hosts are asked to provide:

### Space & Environment

- A quiet, comfortable space with minimal interruptions
- Seating that allows participants to sit comfortably and optionally stand
- Dimmed lighting if possible (not required, but helpful)

### Audio/Visual Needs

- Sound system suitable for music playback
- Screen or projector for the visual devotional
- Ability to play audio and video files smoothly

*(Specific tech details will be shared once booking is confirmed.)*

### Host Support

- A brief host introduction (script provided)
- Assistance with room setup if needed
- Support in maintaining a calm transition before and after the experience

## HANDOUTS & MATERIALS

Handouts will be provided at each session for participants.

These include:

- A brief reflection on the NOW experience
- Website information for continued connection
- Optional donation information to support the movement

Hosts do **not** need to print materials unless otherwise discussed.

## HONORARIUM & TRAVEL

### Honorarium

An honorarium is required for each facilitated experience.

This honors the preparation, facilitation, and stewardship of the movement.

Honorarium details will be discussed during the booking process and confirmed in writing prior to the event.

### Travel (If Applicable)

If the facilitator is required to travel:

- Flight arrangements (or reimbursement) are expected
- Reasonable lodging accommodations
- Local transportation if needed

All travel logistics will be coordinated collaboratively to ensure clarity and ease.
