WEDDING FEATURE: *K & A*

It was an absolute privilege for us to decorate the beautiful Summerhouse for K & A's wedding in a stunning array of soft pastel hues with blue touches, A's favourite colour. The couple chose chair ties enhanced with elegant touches of blue sashes, beautifully complementing the floral arrangements and accentuating the blue tones throughout the venue.

WEDDING FEATURE: *K & B*

It was an absolute delight for us to do up K & B's intimate and whimsical wedding at The Open Farm Community. Embracing the cozy rustic atmosphere, we adorned the tables with captivating arrangements of white and pink flowers, gracefully nestled on a bed of fragrant eucalyptus and decorated the pillars with stunning floral creations for that extra oomph!

WEDDING FEATURE: *K & S*

One of our favourite weddings to date, K & S's classic white and green rustic themed wedding was held at Chijmes, and had touches of pampas for a boho vibe. what truly made this wedding unforgettable was the unique and extraordinary ride they chose—a London cab, undoubtedly the most intriguing car we have ever had the pleasure of decorating!

WEDDING FEATURE: *S & L*

S & L's wedding featured a stunning floral arch with hydrangeas in shades of white and pink, complementing the gorgeous interior that Chijmes is renowned for. L's bridal bouquet was a huge, rustic affair, overflowing with lush blooms such as peonies and garden roses, the perfect finishing touch for L's simple and elegant gown.

WEDDING FEATURE: *K & D*

One of the most elaborate wedding we had the pleasure of doing, K & D's intimate wedding featured a canopy of fairy lights across the ceiling of Tanjong Beach Club, billowing drapes in the outdoor pavilion for their solemnization and lush cream and green arrangements in elegant gold vases featuring orchids, D's favourite flowers.

WEDDING FEATURE: *W & R*

W & R's wedding was held at Pietrasanta, a charming space in Portstown with an old world charm in the midst of lush greenery. We brought in all sorts of tropical flowers and foliage to match the gorgeous space, and our favourite part was definitely the hanging foliage installations and a vibrant photo booth feature chock full of colourful tropical flowers.
