

COMBO NIGHT LIVE™

Frequently Asked Questions

Is this a live stream?

No. Combo Night Live™ is professionally pre-recorded and delivered via private link. There are no logins, simple set up, no live streaming issues.

Do residents need accounts or passwords?

No. Residents do not need accounts, logins, or devices. The program plays on your community TV or projector. HDMI is the best way to play Combo.

What happens if the internet drops?

Because the program is pre-recorded and not live-streamed, playback is stable. We recommend testing your link at least one day prior to your event to ensure smooth delivery. Offline Backup Option:

If preferred, the episode may be downloaded in advance from YouTube for guaranteed playback, even without Wi-Fi.

How long is the program?

Each monthly country experience runs approximately 30 minutes. Live drawing after the show runs about - 5 additional minutes, and is great for next month's anticipation factor.

How many residents can participate?

There is no limit. The program is designed for large-group participation and works well in common areas. The more the merrier.

Is the music licensed?

Yes. All music and visuals are properly licensed for use within the program.

Is there required preparation?

No major preparation is required. Directors simply test the link for sound and visual ahead of time and press play at event time.

Is the live drawing required?

No. The Combo Winner drawing is optional and completely community-led. Not required but encouraged.

Can we pause or cancel?

Yes. Subscriptions are \$25 per month per community and may be canceled at any time.

What is included each month?

Each month includes a new country experience delivered via your private community link.
