

COOL VAULT

A Sham Jee Aircon Legacy

The standard for today, backed by the expertise of yesterday.
Perfecting preservation since 2005.

We don't just store cold; we store success.

In an industry where a single degree can compromise your reputation, we offer an unparalleled commitment to product integrity. Our 2005 heritage means we have refined our technology and processes to eliminate risk, offering precision and responsiveness that automated or new-to-market competitors simply cannot match.

Our Goal is Simple: Zero Product Loss.

We strive to be the invisible, flawless extension of your supply chain, guaranteeing the peak quality and freshness your brand demands, every hour of every day.

**FROM CRITICAL CARE TO
CULINARY GIANTS: WE LEAD THE
NATION'S MOST TRUSTED
BRANDS.**

SERVICES

- **CUSTOM COLD ROOMS:** We specialize in the design, installation, and maintenance of high-efficiency cold rooms and walk-in freezers, built to your exact capacity and temperature requirements.
- **REFRIGERATION SYSTEM SOLUTIONS:** From new system installations to complex repairs, we provide complete servicing for all types of commercial and industrial refrigeration systems, ensuring 24/7 reliability.
- **COMPRESSOR SALES & SERVICES:** Your single point of contact for the repair, servicing, and sales of all compressor makes and models. We handle every capacity, from small units to large-scale industrial compressors.
- **PRECISION COPPER COILING:** Expert repair and replacement of copper coils for condensers and evaporators, focused on maximizing your system's performance and energy efficiency.
- **DOOR & GASKET SOLUTIONS:** We supply and install all types of PVC door gaskets and seals. A perfect seal means no energy loss, guaranteeing lower electricity bills.
- **COMMERCIAL KITCHEN EQUIPMENT:** Complete repair and maintenance services for your essential kitchen assets, including:
 - Professional Ice-Cube Machines
 - Under-counter Refrigerators & Freezers

COLD ROOM SERVICE

Secure Your Cold Chain Today.
