## From the Director's Desk

"At D.A.V. Shiksha Deep School, Ranchi, we are committed to nurturing young minds through quality education and strong values. As a CISCE-affiliated school following the ICSE curriculum, we focus on academic excellence, discipline, and holistic development."

**Mr. S.N. Pathak**  
Director (D.A.V. Shiksha Deep School)

## From the Secretary's Desk

"We strongly believe that education should be affordable, accessible, and future-oriented. Our institution has consistently worked towards creating a learning environment that combines academic excellence, modern infrastructure, and moral values, making us a trusted choice among parents looking for the best ICSE school in Ranchi."

**Mr. S.N. Pathak**  
Secretary (D.A.V. Shiksha Deep School)

## From the Principal's Desk

Education is the foundation upon which the future of every child is built. At DAV Shiksha Deep School, we believe in creating a learning environment that encourages curiosity, discipline, and excellence. Our aim is to empower students with knowledge, skills, and values that prepare them for life beyond the classroom.

**Mr. Anand Kumar**  
Director (D.A.V. Shiksha Deep School)

## MAIN CAMPUS

## Our Mission

To provide high-quality ICSE education through a disciplined, nurturing, and student-centric environment, ensuring holistic development, strong values, and academic excellence while keeping education accessible to every deserving child.

## Our Mission

To establish ourselves as a center of excellence in education, nurturing future-ready individuals through quality learning, discipline, and value-based growth.

## Admission

Admissions from **Nursery to Class X** follow a simple and transparent process, beginning with registration. Students undergo a brief **interaction or assessment based** on the class applied for. Final selection is confirmed upon successful evaluation and completion of admission formalities.

## Our Facilities

The school provides a well-structured campus with essential academic and co-curricular facilities, ensuring a conducive environment for holistic learning. Each facility is designed to support intellectual, physical, and personal development.
