

**C'è bellezza da scoprire  
in ogni cultura.**

You Belong.

**Io sono parte della  
famiglia dei TCK.**

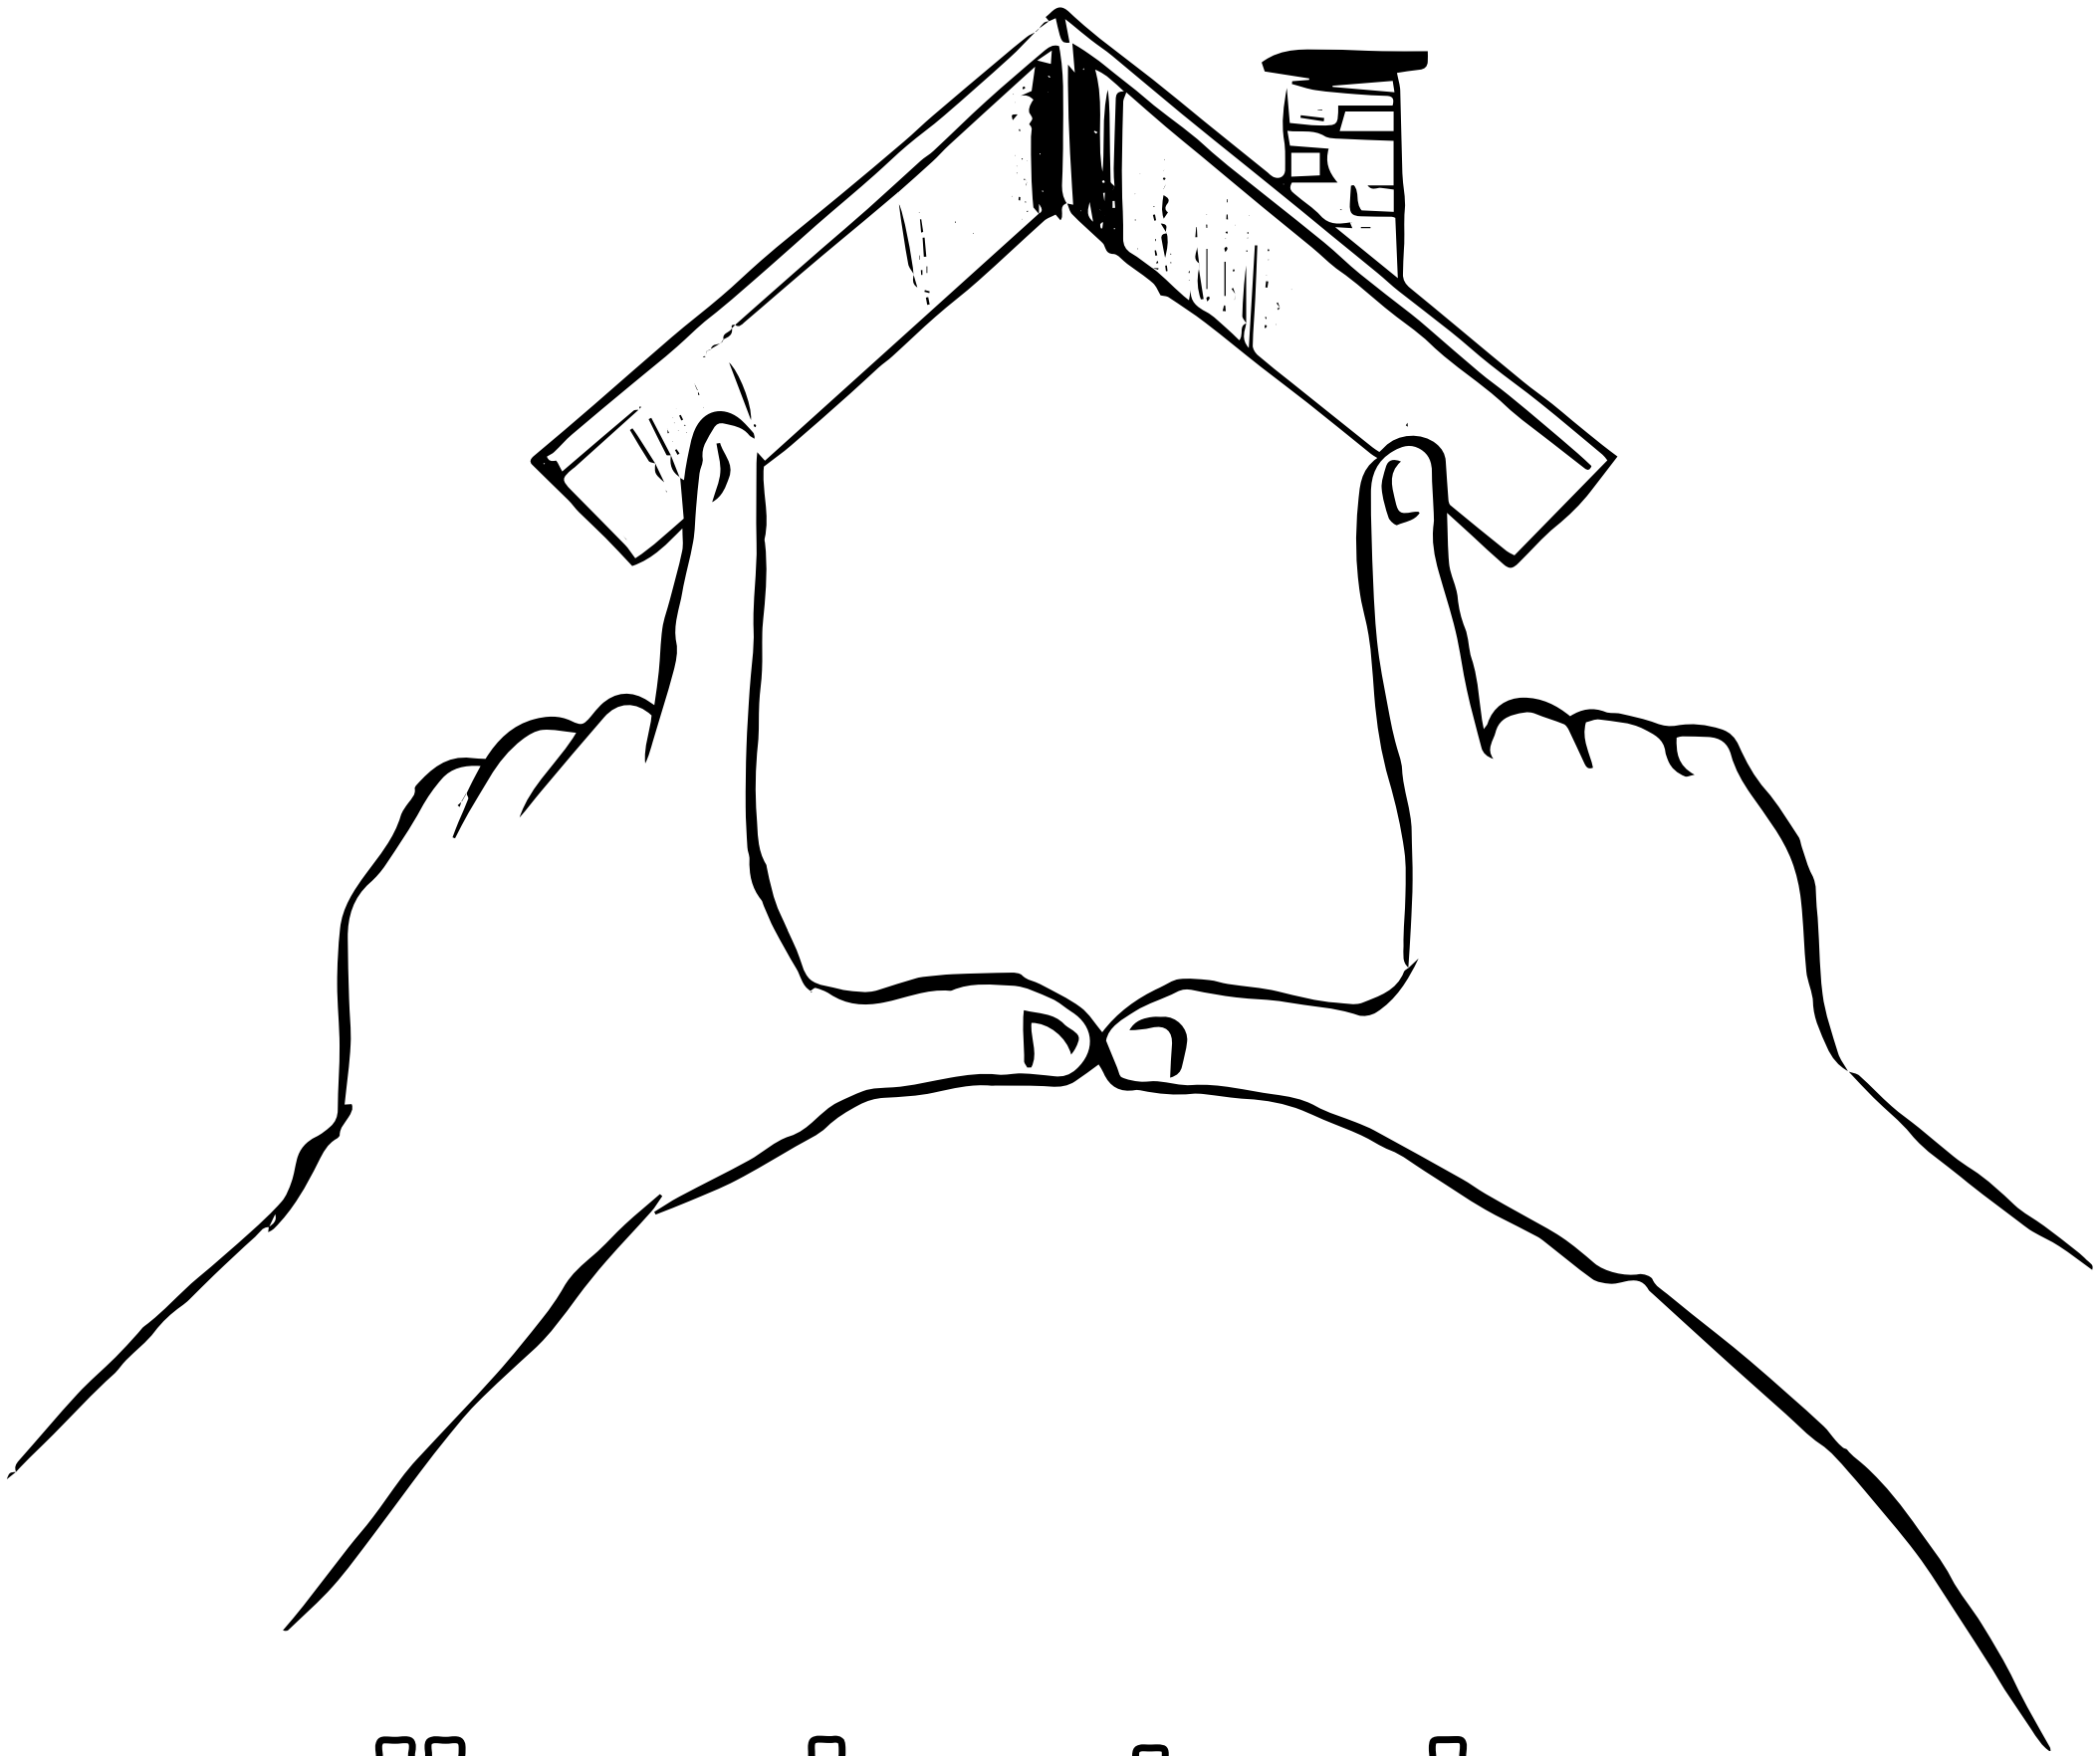

**HOME**

All the places that I've called  
home are a part of my heart  
and of who I am

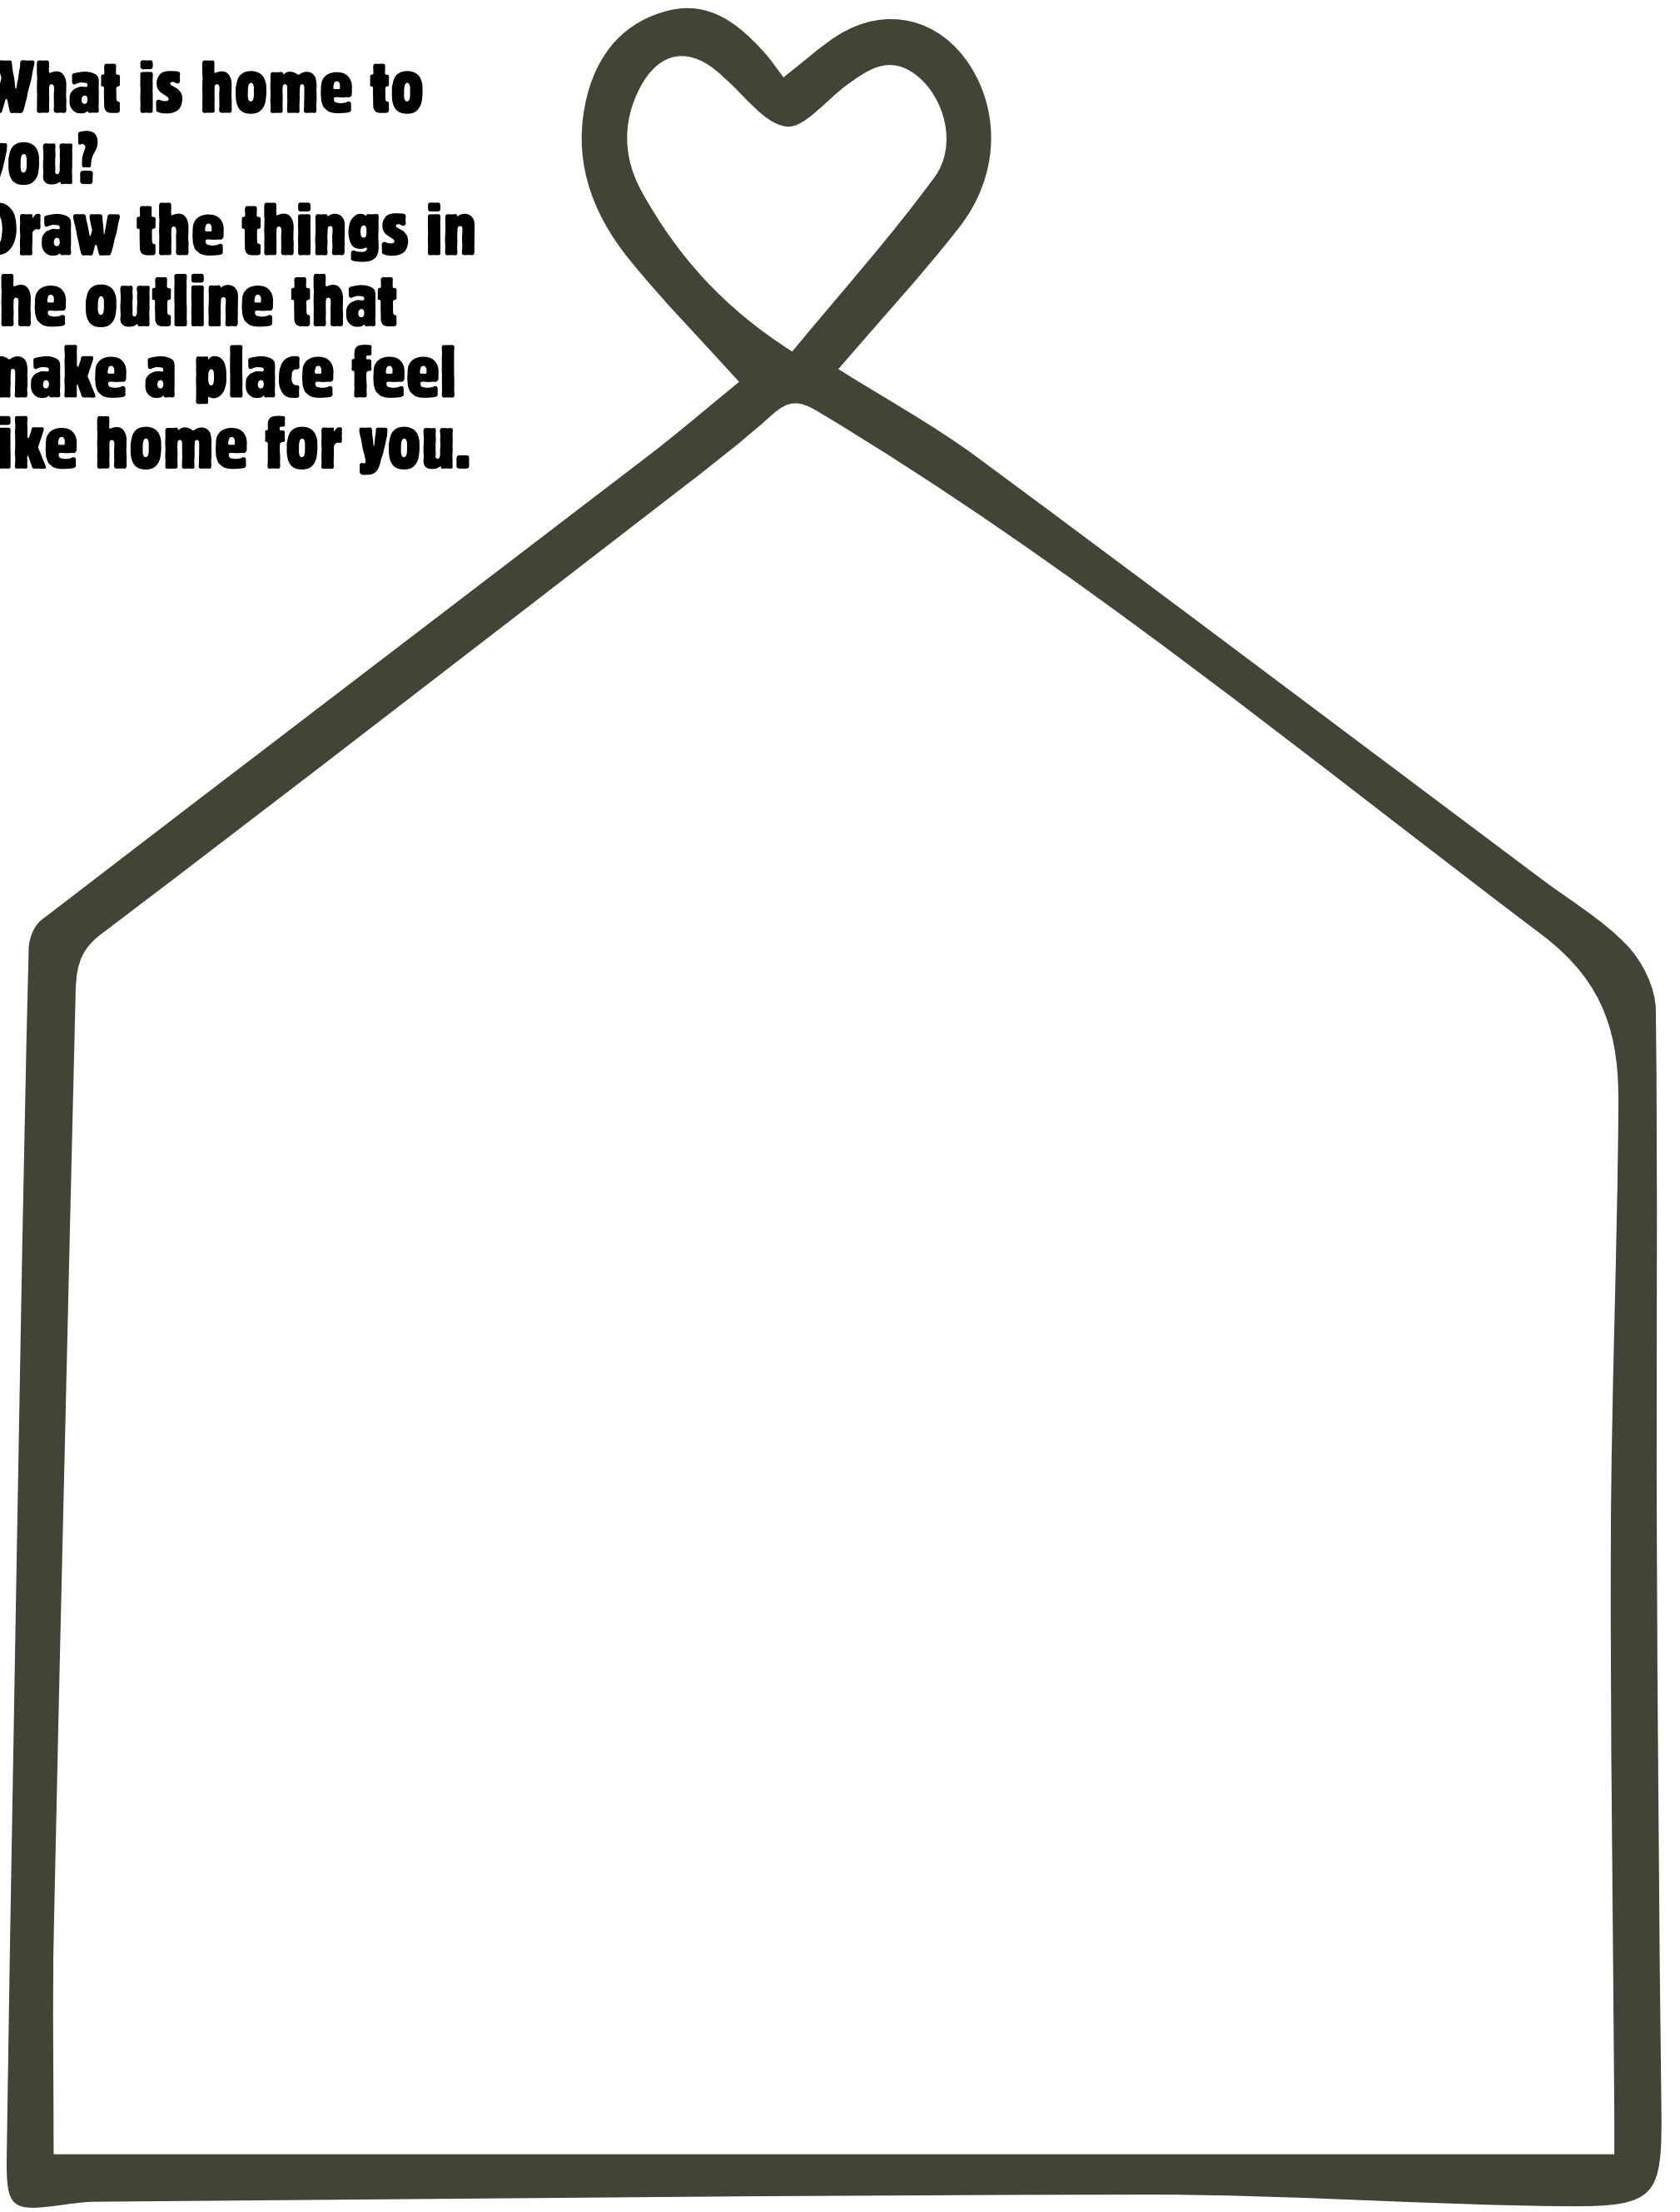

Home is not a place.  
It is the people we love  
and the life we build together.

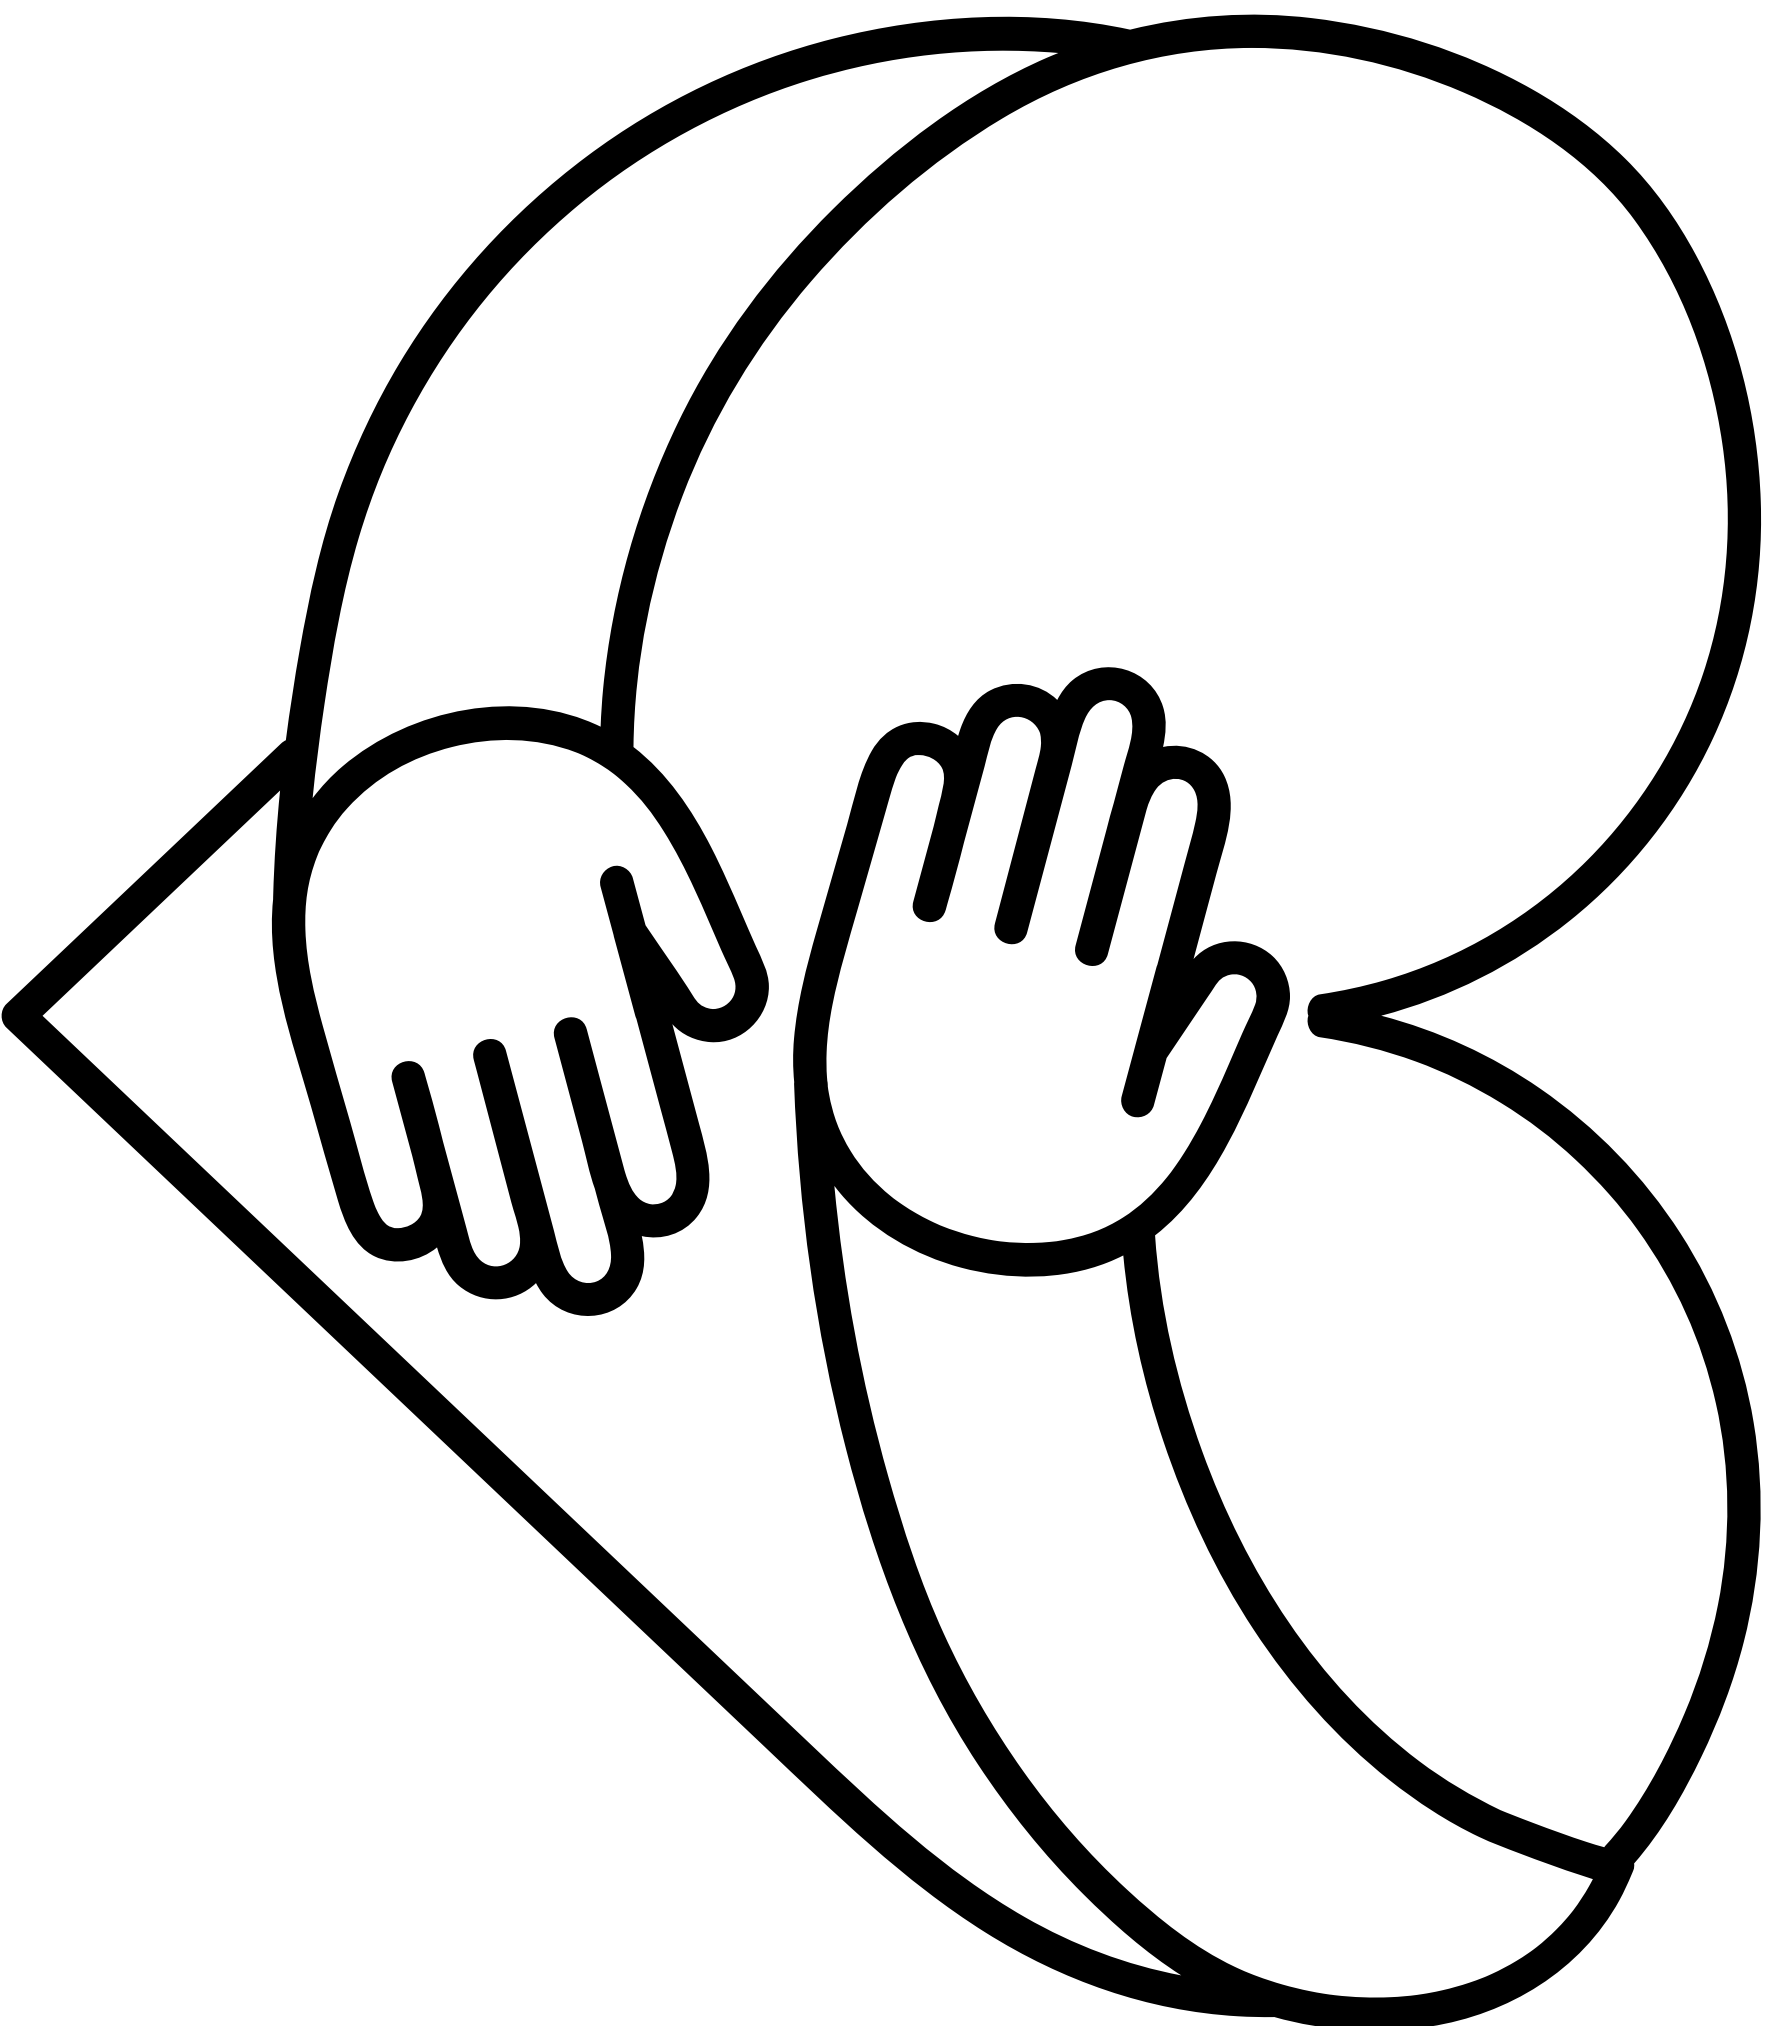

**What is home to  
you?**

**Draw the things in  
the outline that  
make a place feel  
like home for you.**
