

**There is boundless beauty in
our culture and traditions.**

You Belong.

**I am part of the TCK
Family. I belong.**

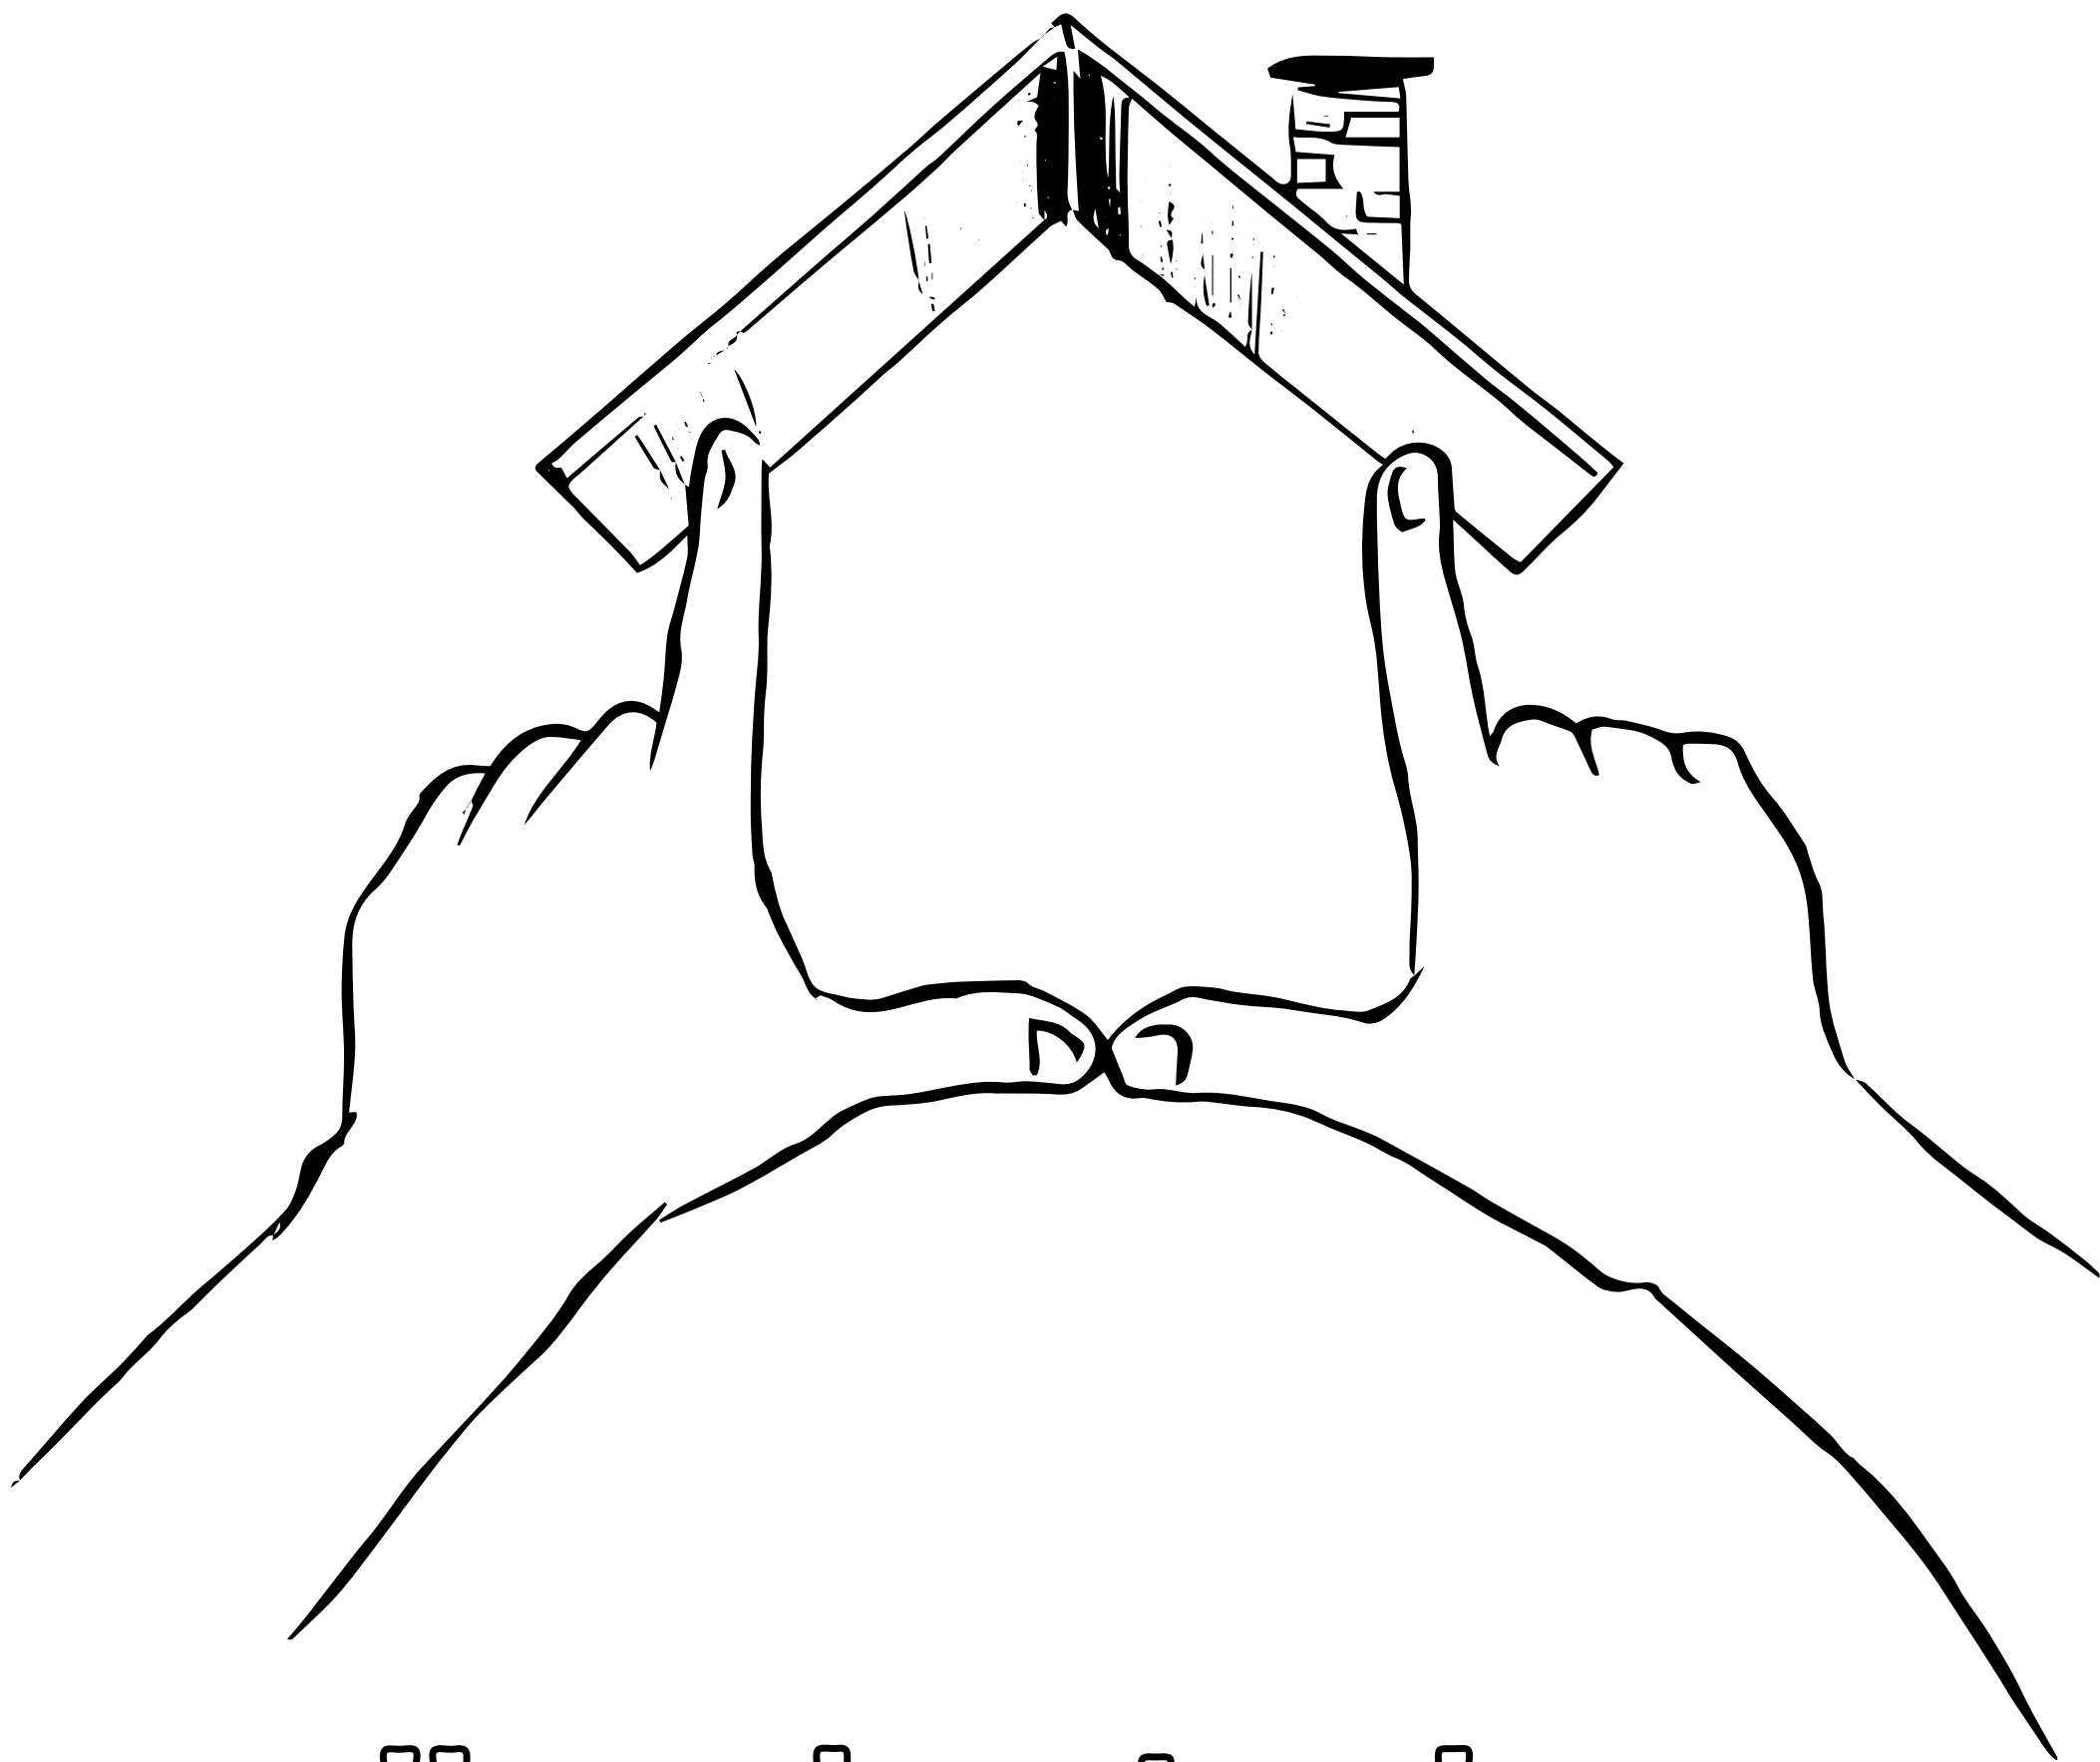

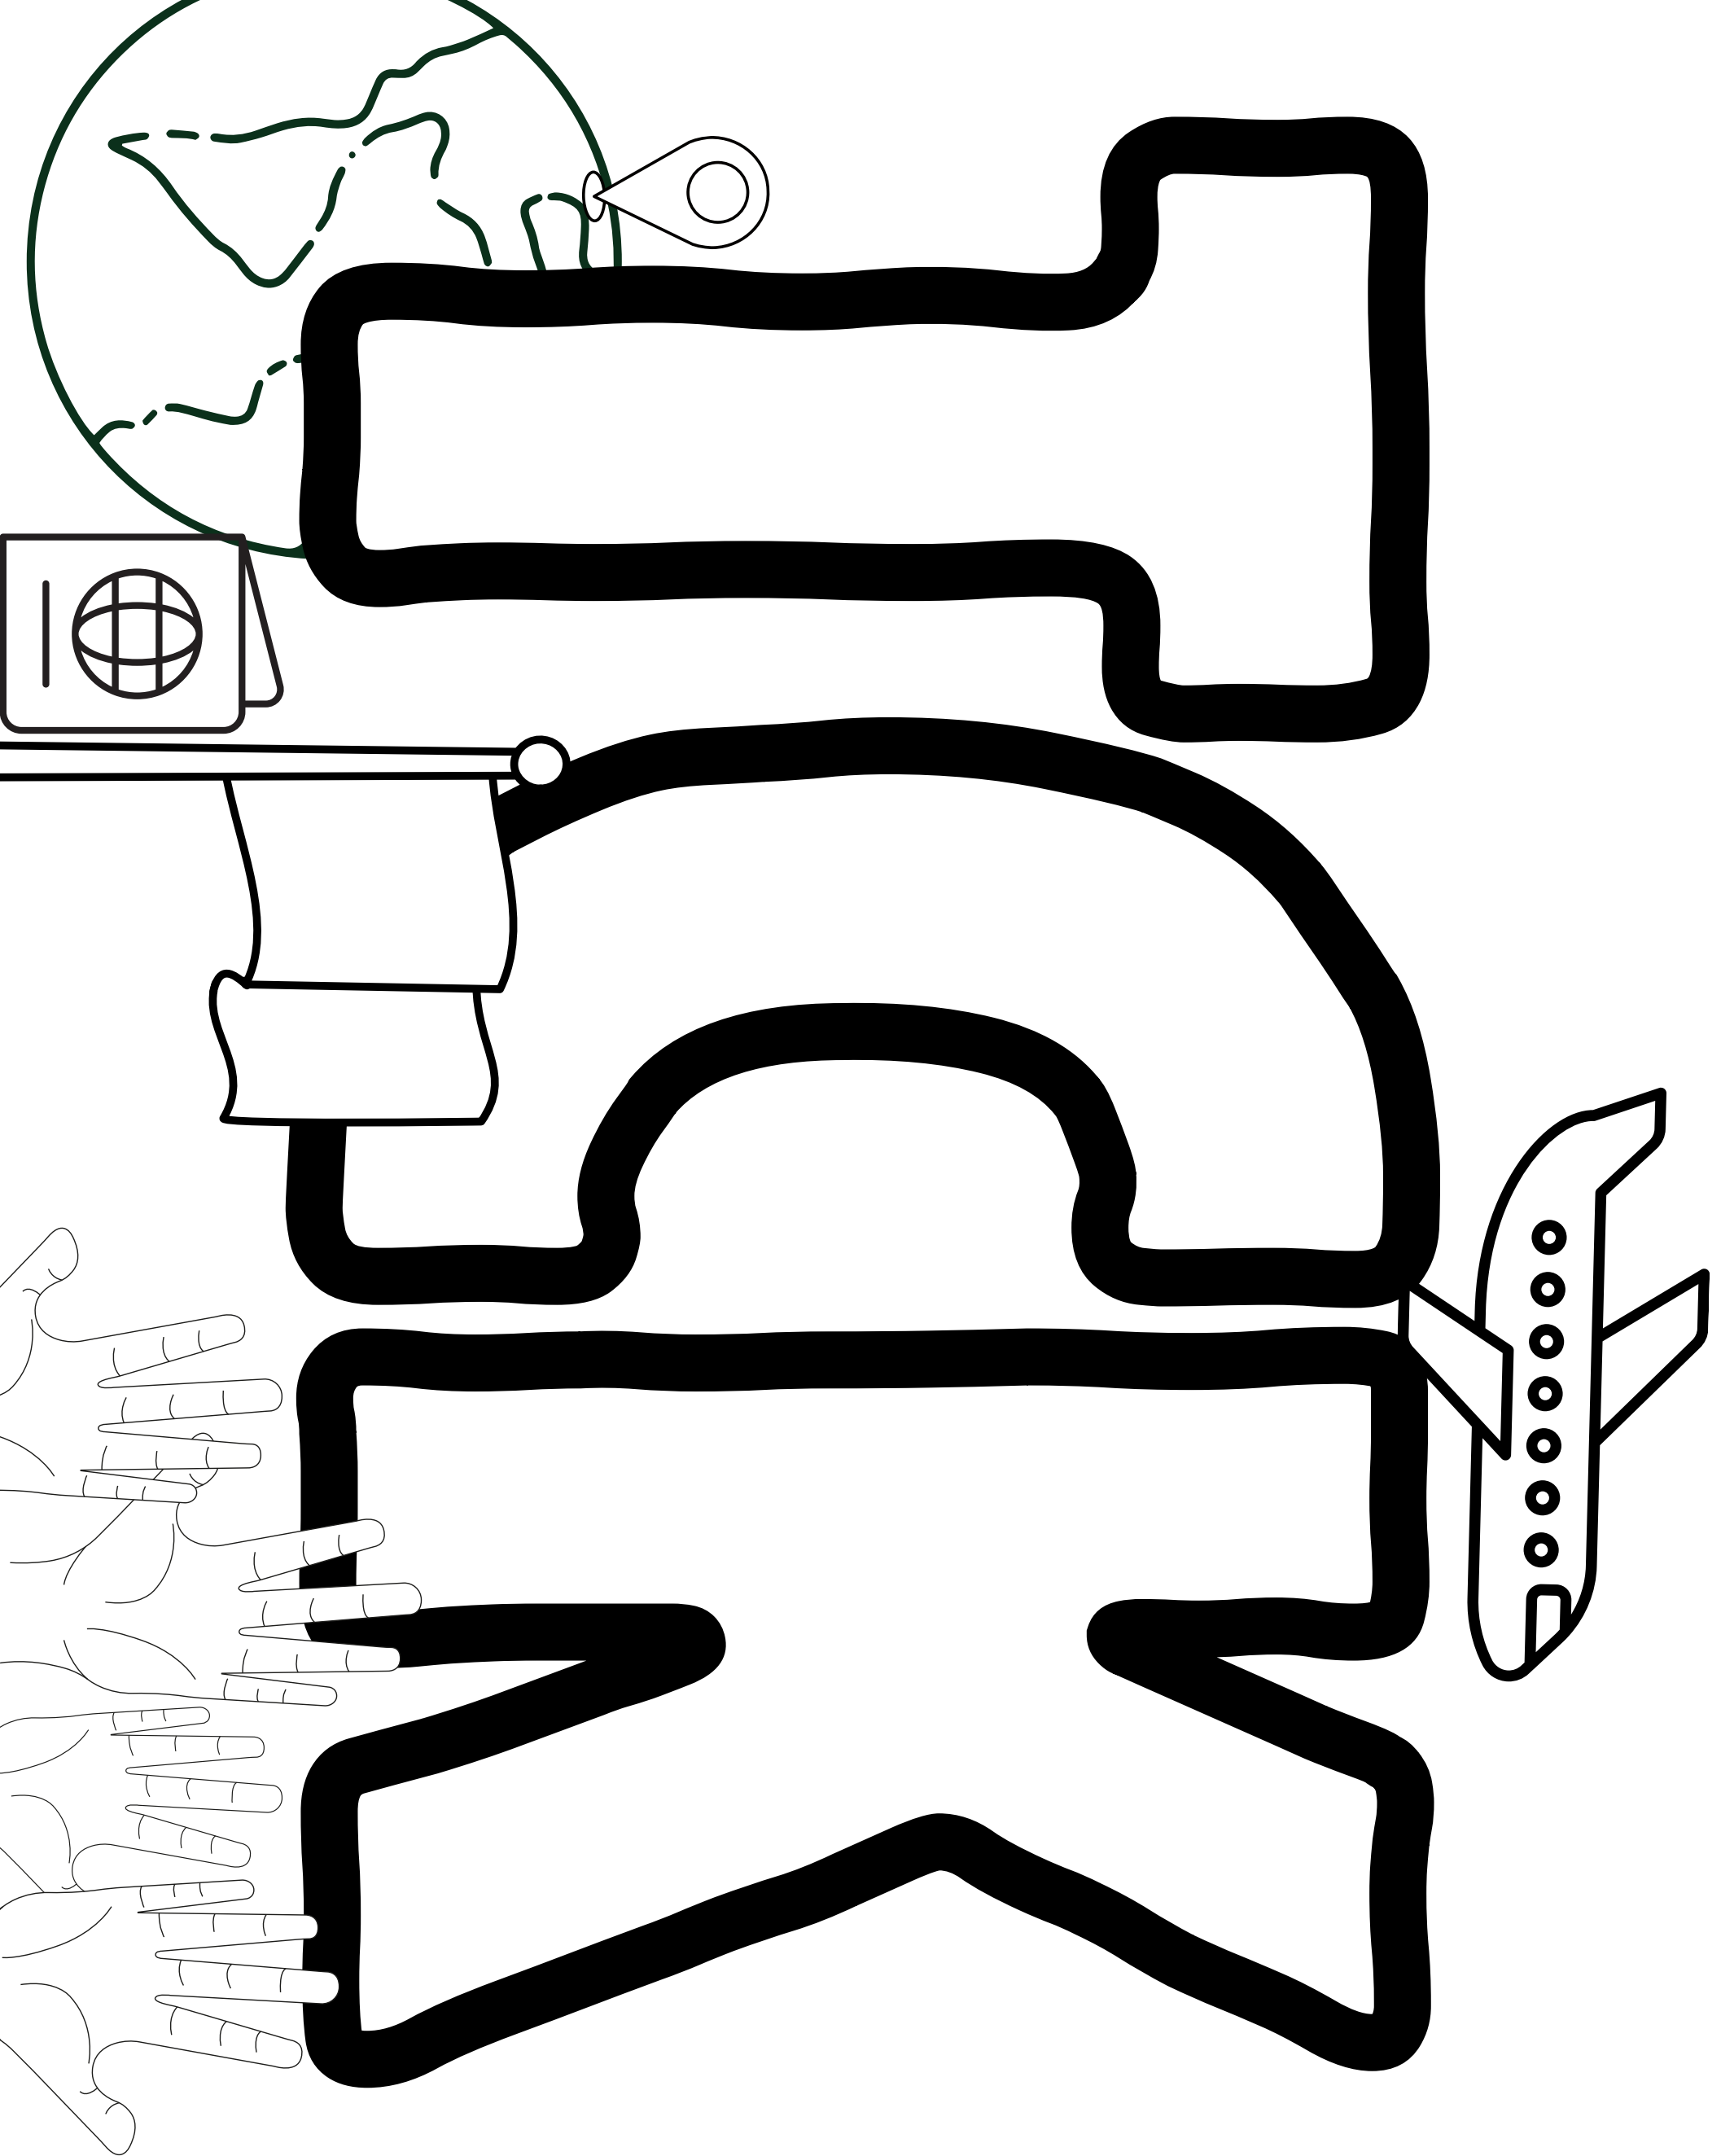

HOME

All the places that I've called
home are a part of my heart
and of who I am

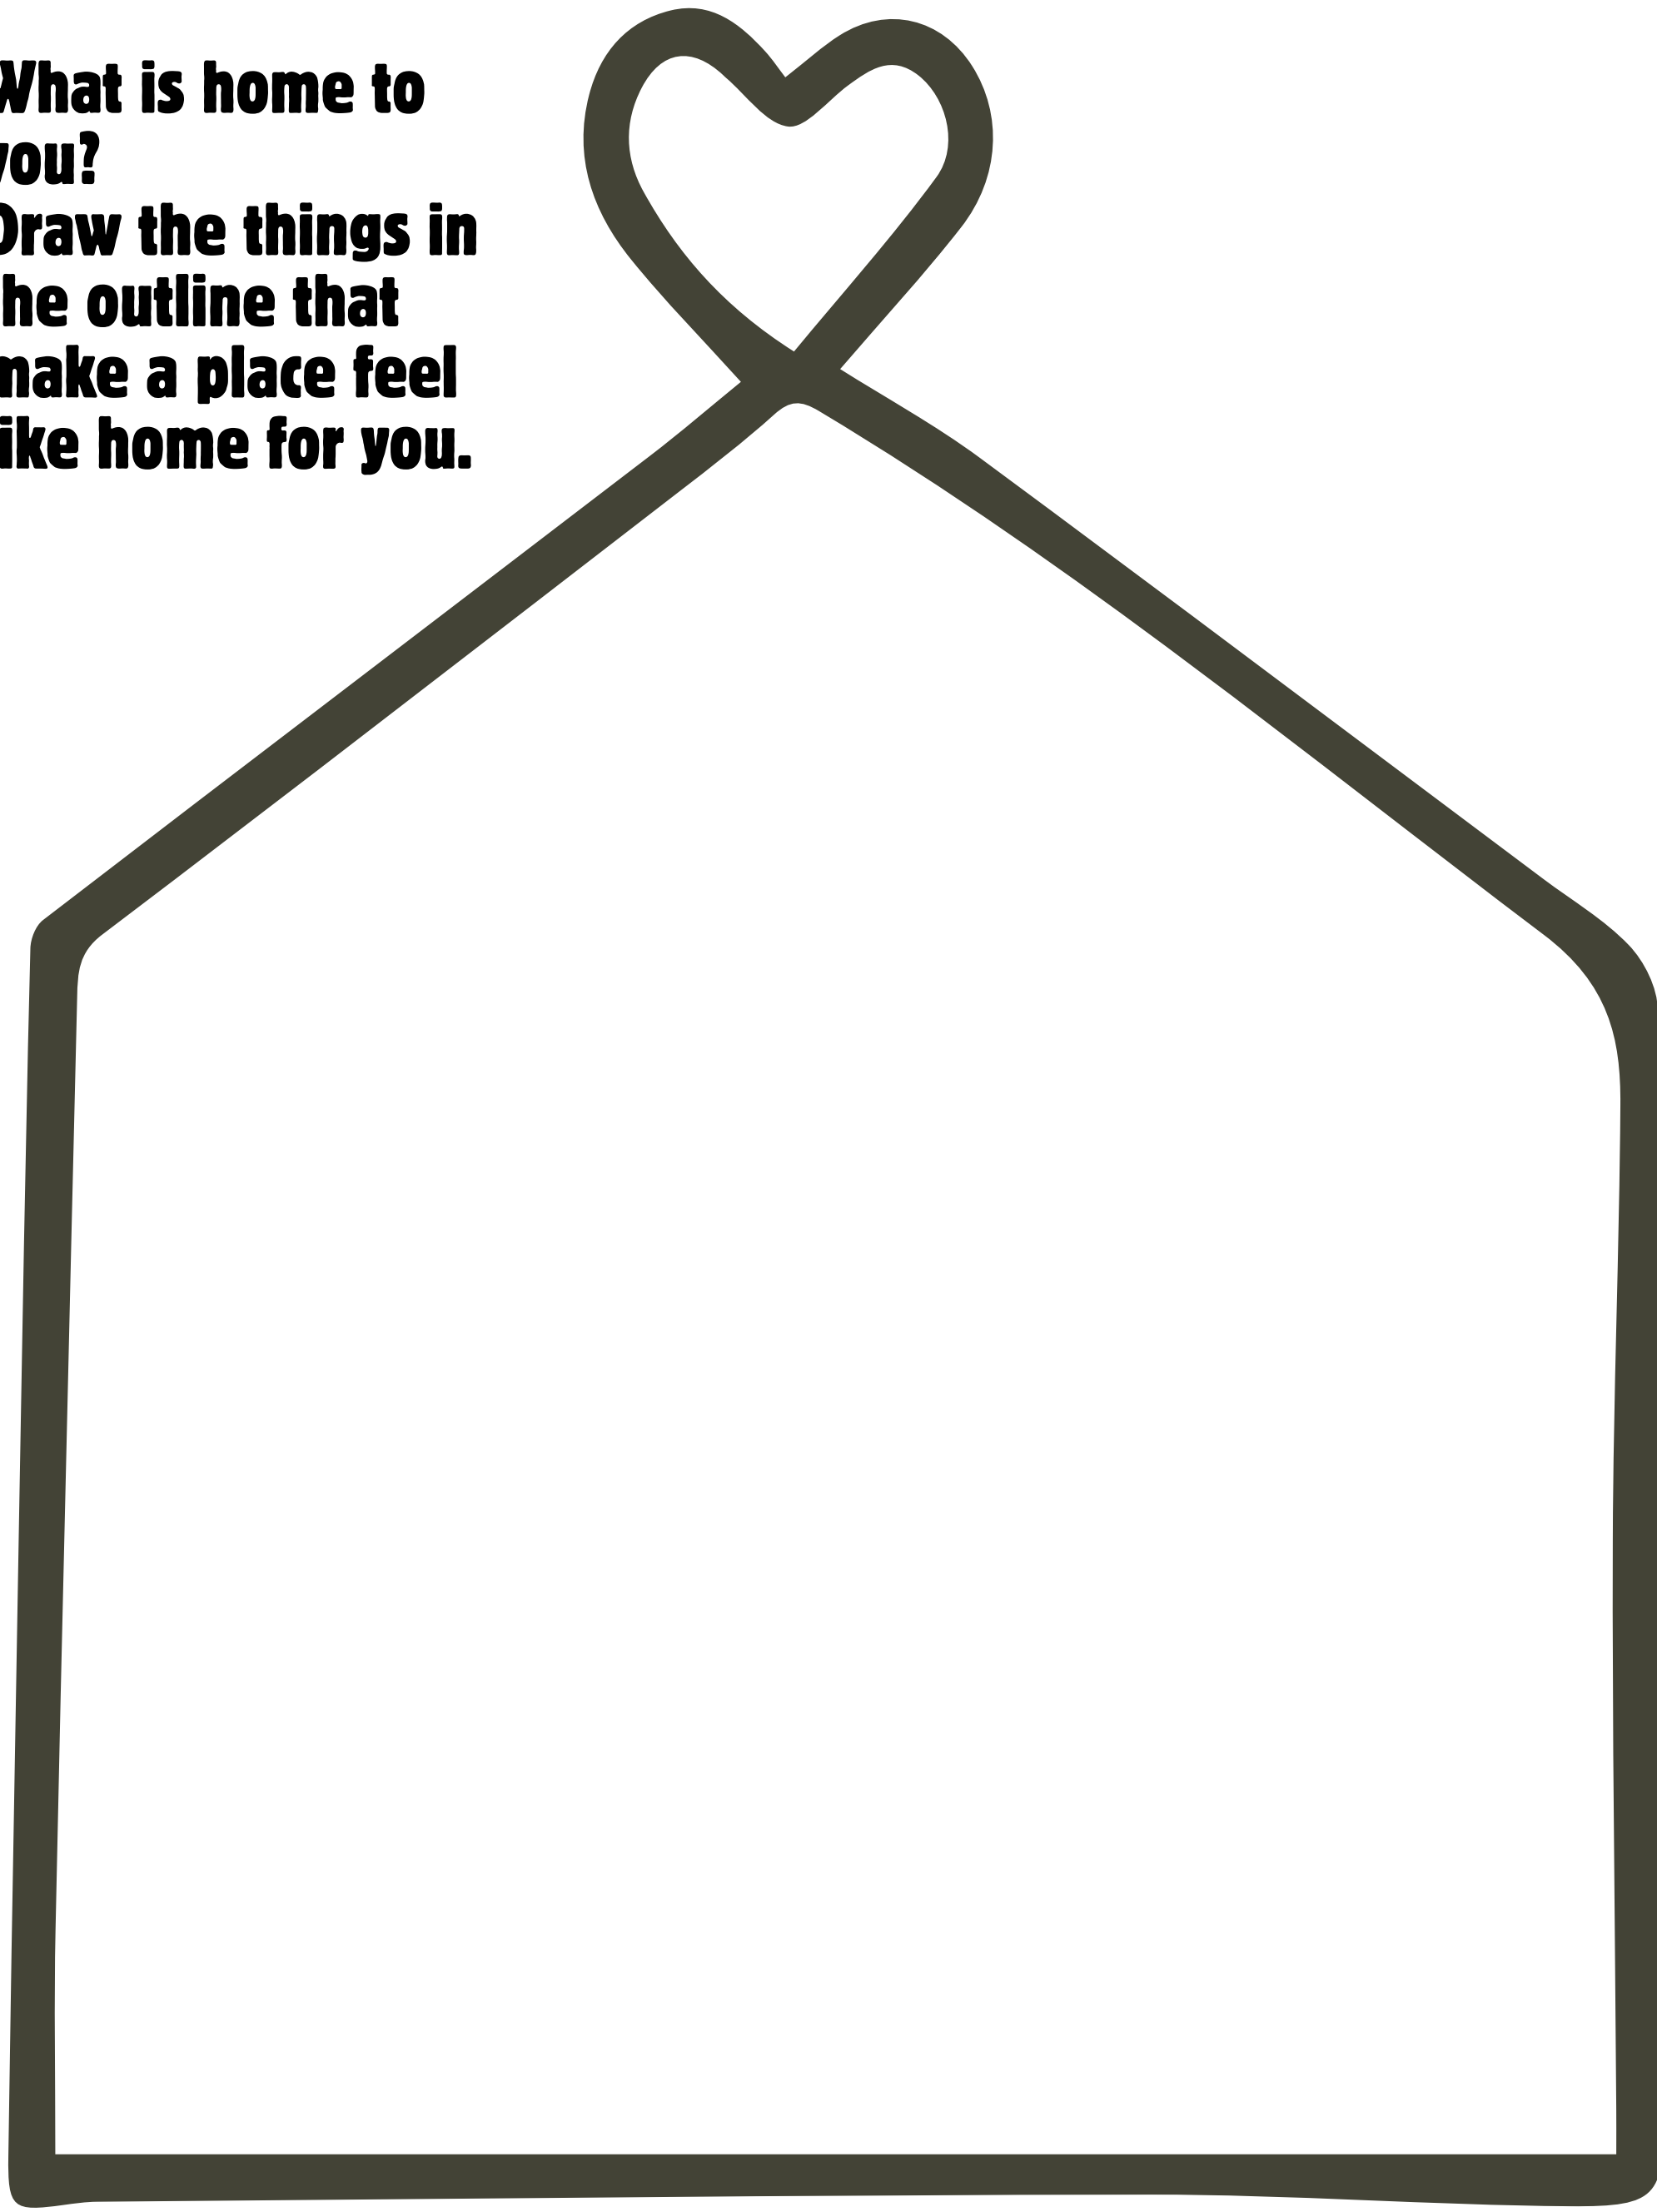

Home is not a place.
It is the people we love
and the life we build together.

**What is home to
you?**

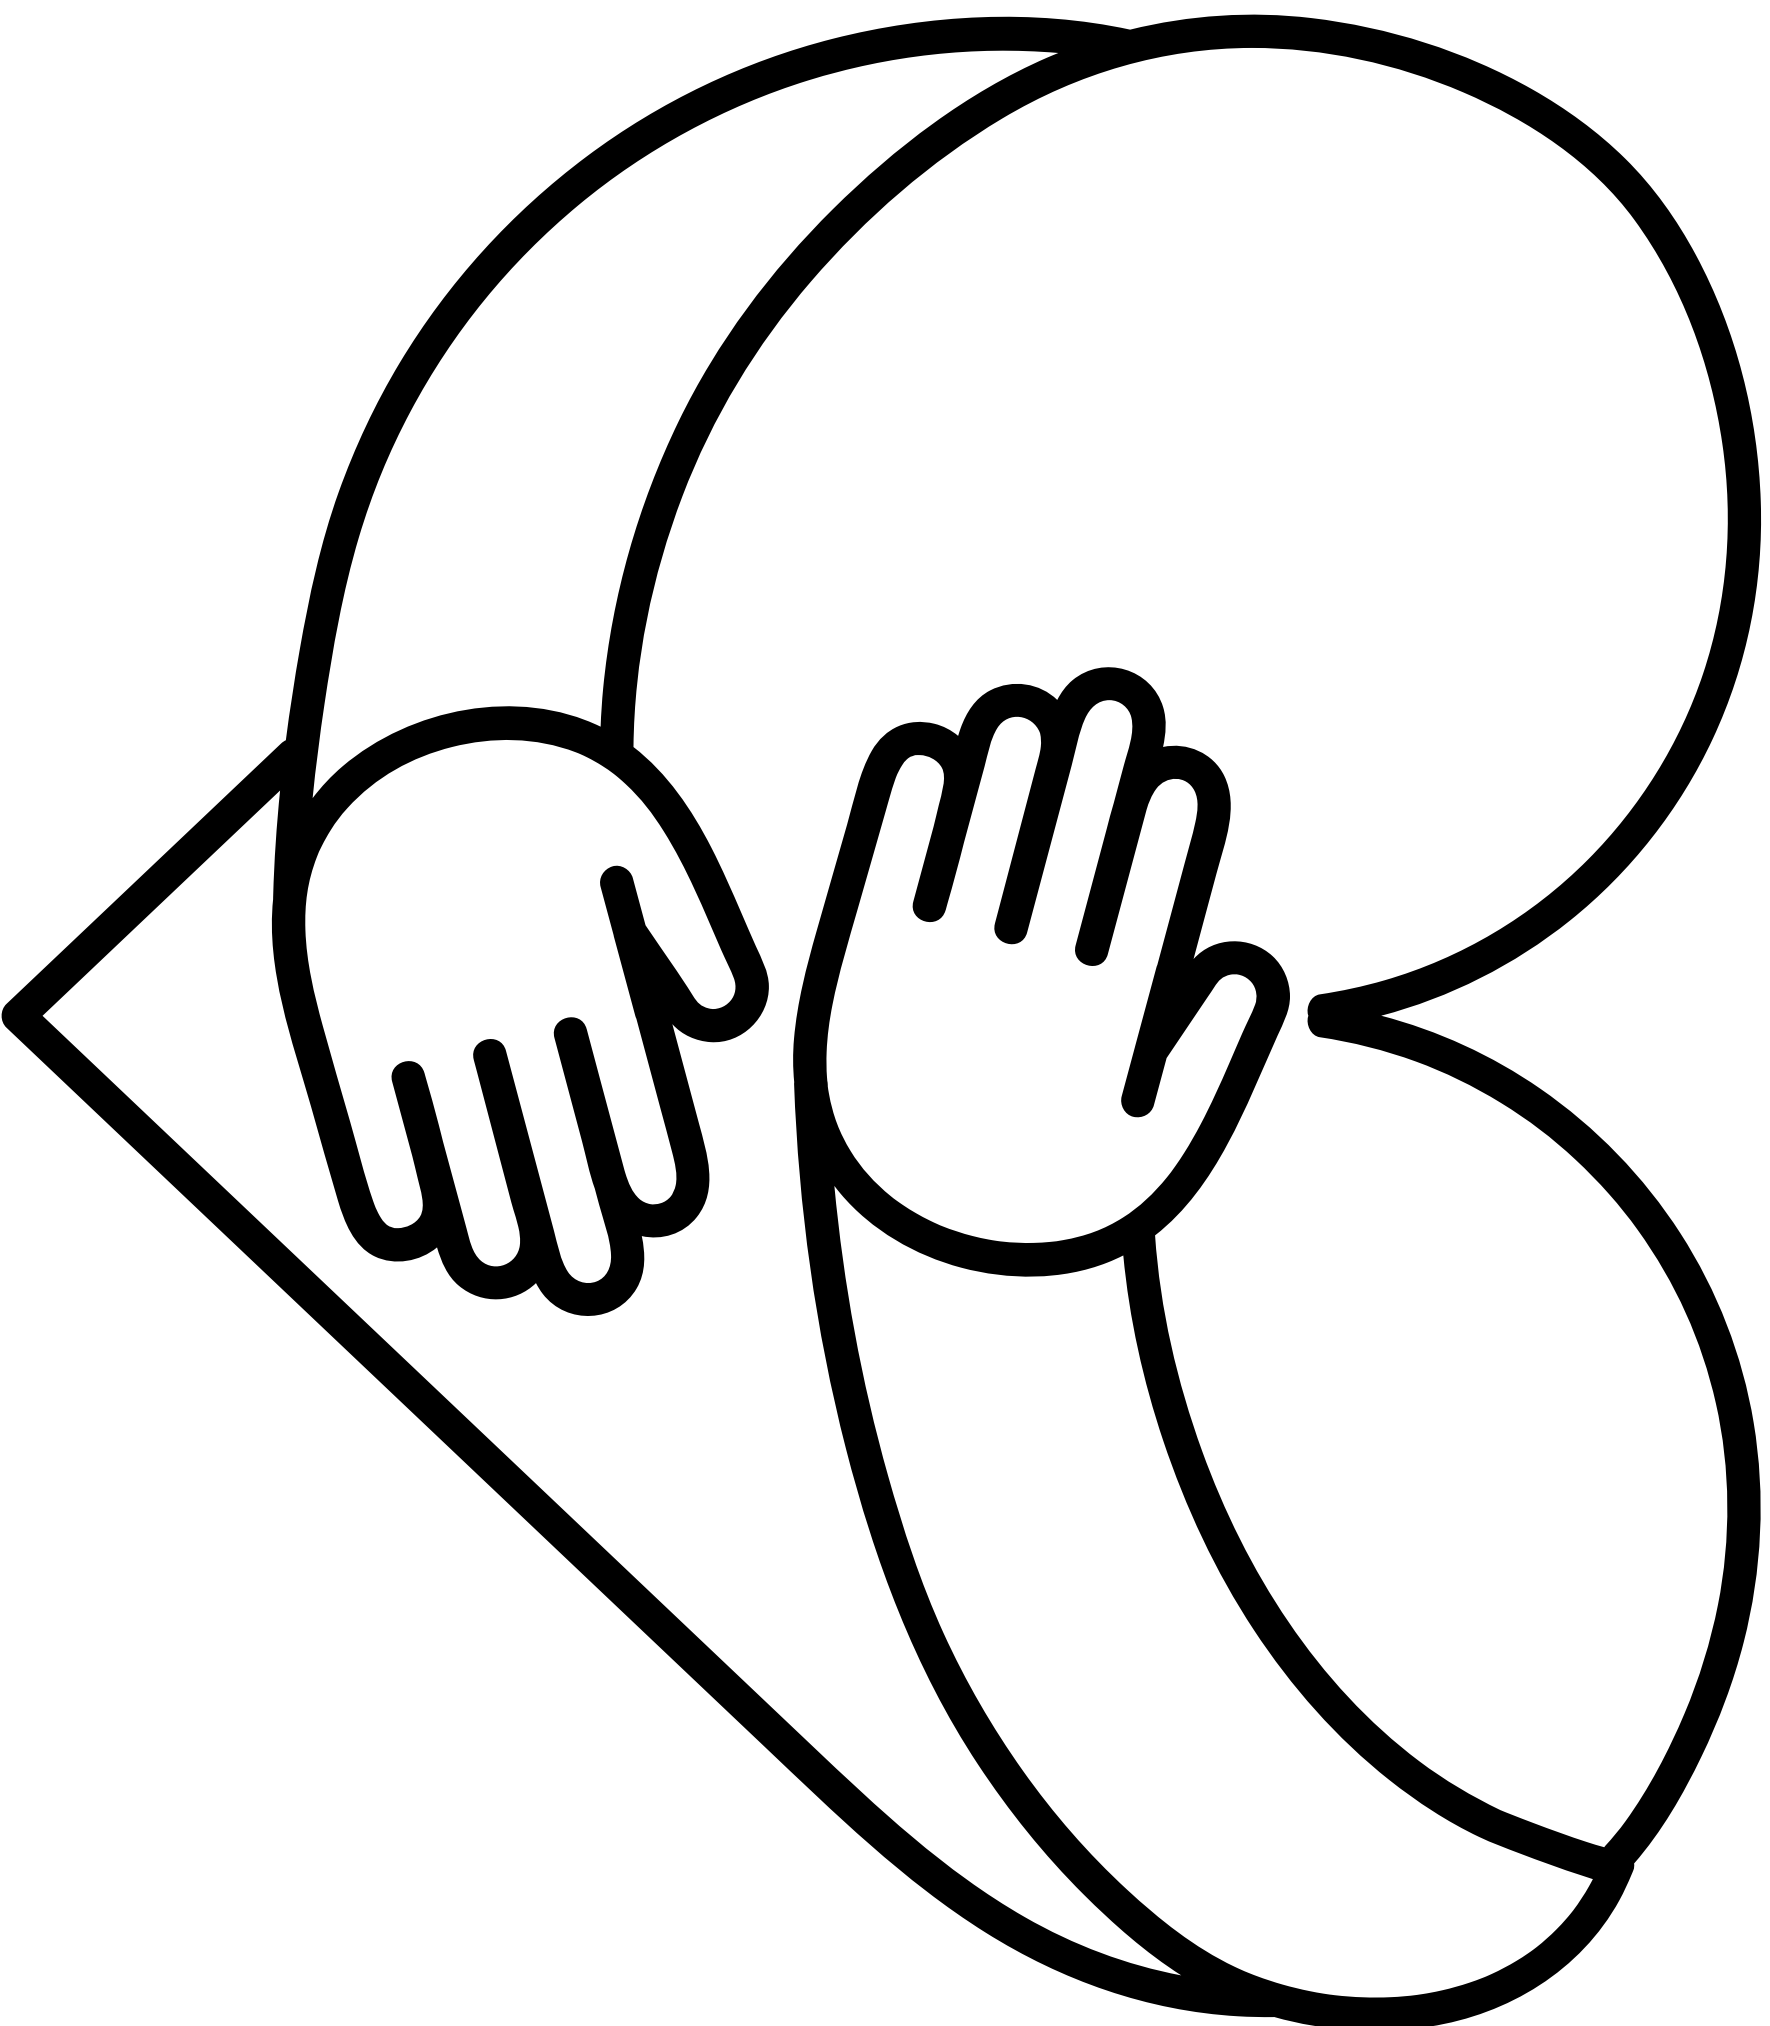

**Draw the things in
the outline that
make a place feel
like home for you.**

For God so Loved the World...

I Am Loved.

CULTURE IS BEAUTIFUL
