

# Safeguarding **Supervision**

*For registered charity foundations  
and community trusts*

## What I offer:

- **1-1 Reflective Supervision that Empowers**  
Space to think, grow, and strengthen safeguarding practice with confidence.
- **Independent Safeguarding Expertise**  
Clear, external insight that sharpens your culture and supports safer decision-making.
- **Calm Support in Complex Moments**  
Steady, experienced guidance when cases feel challenging or high-pressure.

## Why organisations value supervision:

- Supports welfare staff and enhances wellbeing and retention
- Reduces risk & improves outcomes for all stakeholders
- Strengthens decision-making & accountability
- Enables reflection and clarity around responsibilities, boundaries and expectations
- Somewhere to make sense of challenges faced

## Why choose Shore Safeguarding:

- Over 20 years' experience delivering frontline safeguarding practice
- Clear, structured sessions with recording & accountability
- Proven experience working within community organisations
- Committed to safe, ethical and compliant practice
