HAPPY NEW YEAR

Pride in Elsinboro Awards

The Community Development Committee is proud to announce the winners of our 6th Annual Pride in Elsinboro Awards.

On a daily basis residents go above and beyond to ensure Elsinboro Township remains stable, while striving to improve the community.

While each municipality faces unique challenges, the Pride in Elsinboro initiative recognizes those who are committed to bettering their community.

The Pride in Elsinboro program, allows us to recognize individuals who

continue to promote the values of our municipality, while maintaining a commitment to sustaining our community.

This program is a large part of our Sustainable Jersey initiative and originated as the result of a grant received by the township.

In October the community development committee officially announced the sixth year of the program and sought nominations from residents for potential award winners. The committee then met to review the residents who had been nominated by

neighbors for their daily dedication and kindness.

This year's award winners received high praise in their nominations and the committee was in agreement with the selections.

Congratulations to our 2018 award winners!

-Resident of the Year:
George Parris Jr.

-Good Neighbor Award

Congratulations to our award winners and thank you to everyone for the thoughtful nominations.

Holiday Health Tips

***Move every day!** Our busy holiday schedules can bump us off of our regular exercise routines. Physical activity can help relieve stress, regulate appetite, and burn up extra calories.

***Enjoy a pre-party snack.** Arriving hungry to a party makes us more likely to overeat. Plan and prepare to combat this by eating before a party.

***Be brainy about beverages.** Alcohol is high in calories and some mixed drinks contain up to 450 calories per glass. By contrast, water and diet sodas are calorie-free. Watch out for hidden calories in soda, fruit punch, and eggnog.
