Recycling Update

Recycling has been a hot topic over the last few years. Major changes at recycling plants have led to changes within recycling programs.

Recycle centers now charge a fee to dispose of recycling and fine municipalities that bring in items that are not on the approved list.

Please help us reduce costs, related to recycling. Knowing what not to recycle can be just as important as knowing what to recycle.

Recycling the wrong items can cause

problems at recycling centers as they contaminate the recyclables and jam separating machinery.

Additional resources for residents include:

<https://www.nj.gov/dep/dshw/recycling/>

Thank you to all of our residents for your recycling efforts. Our residents have done a great job adjusting to the new regulations!

When in doubt, throw it out

Tree Lighting

The 3rd Annual Tree Lighting Ceremony was held Friday, December 3rd at the Elsinboro School. This year's event featured a special visit by Santa and Elsinboro Fire Company. The annual event was sponsored by the Elsinboro MAPSA and Elsinboro School Association. Be sure to swing by the school and check out the festive tree.

Covid-19

Unfortunately, Covid-19 remains prevalent in our communities. During the holiday season, please make sure you are taking steps to protect yourself and your loved ones. While all of us wish the pandemic was behind us, we need to ensure we do not become complacent. The most up-to-date resources can be found by visiting: covid19.nj.gov

Short Term Rentals

Over the last few months, the township has received many inquiries about the use of short-term rentals within Elsinboro Township. In an effort to balance the interest of all parties, the township has created an ordinance to provide rules and regulations governing short-term rental units. Ordinance 2021-08 can be found on the municipal website. Questions regarding the ordinance can be directed to the municipal clerk or zoning officer.

Elsinboro History

Elsinboro Township was first mentioned in 1676. In 1798, Elsinboro Township was incorporated as one of New Jersey's original 104 townships. Our community has such a rich history, and we want to ensure we capture as much as we possibly can. Last year we shared that we were embarking on a journey to capture the oral history of Elsinboro Township.

The history of our community is vital to our future. We have been able to

complete three interviews. These interviews are currently being transcribed and will be placed on the website once complete. Thanks to Historian, Lee Lark; Mayor Sean Elwell; and our panel members!

Do you have a piece of Elsinboro History you would like to share? Would you be willing to be part of a short interview? Please give us a shout if you are interested in being a part of this exciting project!

Holiday Health Tips

***Move every day!** Our busy holiday schedules can bump us off our regular exercise routines. Physical activity can help relieve stress, regulate appetite, and burn up extra calories.

***Enjoy a pre-party snack.** Arriving hungry to a party makes us more likely to overeat. Plan and prepare to combat this by eating before a party.

***Be brainy about beverages.** Alcohol is high in calories and some mixed drinks contain up to 450 calories per glass. By contrast, water and diet sodas are calorie-free. Watch out for hidden calories in soda, fruit punch, and eggnog.
