Elsinboro Re-Certifies for Sustainable Jersey

Sustainable Jersey representatives announced that Elsinboro Township has met the rigorous requirements to achieve Sustainable Jersey re-certification. Elsinboro Township was originally certified in 2013 and is one of 198 towns out of 440 registered municipalities that have attained bronze certification. Elsinboro Township will be honored

at the Sustainable Jersey award luncheon on Tuesday, November 15, in Atlantic City with Mayor Sean Elwell accepting the award. Elsinboro Township is one of two Salem County municipalities to earn certification, joining Lower Alloways Creek Township.

Certification is recognition of our commitment to save money and sustain our quality of life for the future of Elsinboro Township.

Courtesy of Red Cross

American Red Cross New Jersey Region recommends two easy steps to help protect your home and increase your chances of surviving a fire:

1. Create and practice a fire escape plan
2. Install and maintain smoke alarms.

You may only have two minutes to escape when a fire occurs, but most people mistakenly believe they have more than twice as long to get out.

Home fire plans should include at least two ways to escape from every room of your home.

National Night Out

The Lower Alloways Creek Police Department hosted its second National Night Out event on August 2nd from 6pm-10pm at the LAC Police Department. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods a safer, better place to live. Activities included informational tables from community groups, fire, EMS, and law enforcement displays, and a community movie night. Elsinboro Fire Company participated in battle of the barrel, while Elsinboro MAPSA sponsored the movie night.

Fire Prevention Month

Did you know October is Fire Prevention Month? Remember to check your smoke detectors and replace the batteries. If you are in need of a smoke detector contact the Elsinboro Fire Company.

Salem Exchange Club Sponsors Fire Prevention Poster Contest

The Exchange Club once again sponsored its annual fire prevention poster contest. This year, students were asked to create a poster focusing on checking and using smoke alarms. The contest was open to all 4th, 5th, and 6th grade students in Elsinboro School. Directors of the Salem Exchange Club judged the posters and would like to thank all the students that participated. Congratulations to first place winner, Hannah DeWitt from 4th grade, and second place winner, Taylor Sheeley from 5th grade. Proper Medicine Disposal

Unused medications that remain in medicine cabinets are highly susceptible to theft and misuse. To avoid this, simply bring your unused household prescriptions and over-the-counter medications to a drop box location.

The local drop box location is the Lower Alloways Creek Township Police Department, 501 Locust Island Road, Hancock's Bridge.
