The attorney for the residents interested in re opening the boat ramp spoke. He has drafted a resolution, but left a copy in his office and has not presented to the twp. He would like the Township to consider.

Cheryl Leonard told everyone the boat ramp is a great asset and they have a petition with 591 signatures.

Steven Liber asked if it goes private will it still be subject to the court order? Mayor Elwell said he believes the court order still applies.

Mark Quinette said they are asking if they could have a boat ramp? David A residents attorney said no it is already approved as a boat ramp but there are restrictions on it .

Jim Grant said we think it is a good idea to open the boat ramp and he has no problem with following the court order. He will ask for political support from Sweeney.

Brenda Harned does not think buying is a problem but the restrictions placed by the court could be.

Mr. Dorsey asked who will maintain it: Mayor Elwell responded it would be the responsibility of the owners of the property.

J. Jerrett said it is a positive thing to reopen the boat ramp.

Mr. Grant said they still need to do a business plan and then submit to the judge for approval.

Bill Grappo asked what are the court restrictions? Mayor Elwell directed him to the clerk for an OPRA Request to get that information.

Mrs. Grant asked how many are here to support the boat ramp. Almost all were in support.

Mayor Elwell thanked those attending the meeting and supporting the PSEG boat ramp. He shared that the township committee has always supported the PSEG ramp and would support the re-opening of the ramp. One of the reasons that the township was involved in litigation was because they have supported the PSEG ramp, despite it being a private ramp and Elsinboro having no ownership. Mayor Elwell shared that the feedback from residents has been clear, they would like to see the PSEG ramp re-opened, but don't want to see the township involved in ownership or to see an increase in the local tax to cover the cost. Mayor Elwell shared that the request this evening (a resolution supporting the boat ramp) was different than the previous requests made to the township (the township to request the purchase price be reduced for local buyers and a request for a right of first refusal).

Mayor Elwell shared that knowing a group would be attending the meeting he personally reached out to PSEG and extended an invitation to the meeting. They declined the invitation, but did provide the following: We cannot offer a right of first refusal with a party we have no existing contractual relationship. They will however entertain and all legitimate offers.

Mayor Elwell shared that the PSEG boat ramp has played an integral part of the Elsinboro Township community by providing access to the Delaware river for boating, fishing, and other recreational activities. He also shared that the boat ramp serves an important purpose from a public safety standpoint in the event of an emergency in the water. The residents of Elsinboro should have readily available access to the PSEG ramp for health, safety, and leisure.

STUDY TO RESEARCH A COUNTY- WIDE SCHOOL SYSTEM**

WHEREAS, the Senate of the State of New Jersey has introduced S-3757, a Bill that Establishes a pilot program in the DOE for organization of county administrative school districts, with the goal of evaluating the administrative and educational effectiveness of the county school district model in New Jersey; and

WHEREAS, Senator Steven Sweeney, our representative and a sponsor of S-3757, convened a meeting of the Salem County Freeholder representatives and the Mayors of all Salem County Municipalities to explain and gain support for Salem County to pursue the pilot program; and

WHEREAS, Senator Sweeney proposed Salem County undertake a study to determine if there are perspective tax savings for the residents and possible educational advantages for the students of Salem County before pursuing the pilot program; and

WHEREAS, the proposed study would also consider the impediments to the establishment of a county wide system and cost implications to individual municipalities; and

WHEREAS, Senator Sweeney also committed the State of New Jersey to fund the cost of the study in its entirety and indicated Salem County will incur no expense; and

WHEREAS, the proposed study is to be under the direct supervision of the Salem County Freeholder Board including decisions on all aspects of the study; and

WHEREAS, Senator Sweeney requested that each Salem County Municipality pass a similar resolution in support of the study; and

WHEREAS, the per-pupil district costs are rising around the state and resulting in higher property taxes, consolidated county districts may provide both tax savings and educational advantages; and

NOW THEREFORE BE IT RESOLVED, by the Township of Elsinboro that it indicates support for the County of Salem, under the direct supervision of the Salem County Freeholder Board, to undertake a study to explore the concept of a county-wide system, which would examine the cost and educational effectiveness as well as the impediments of such a proposal, where the cost of such study would be funded by the State of New Jersey in its entirety.

RESOLUTION NO. 2019-44 SUSTAINABLE LAND USE PLEDGE RESOLUTION

WHEREAS, land use is an essential component of overall sustainability for a municipality; and

WHEREAS, poor land-use decisions can lead to and increase societal ills such as decreased mobility, high housing costs, increased greenhouse gas emissions, loss of open space and the degradation of natural resources; and

WHEREAS, well planned land use can create transportation choices, provide for a range of housing options, create walkable communities, preserve open space, provide for adequate recreation, and allow for the continued protection and use of vital natural resources;

NOW THEREFORE, we the town of Elsinboro, resolve to take the following steps with regard to our municipal landuse decisions with the intent of making Elsinboro a truly sustainable community. It is our intent to include these principles in the next master plan revision and reexamination report and to update our land-use zoning, natural resource protection, and other ordinances accordingly:

1. **Regional Cooperation** - We pledge to reach out to administrations of our neighboring municipalities concerning land-use decisions, and to take into consideration regional impacts when making land-use decisions.
2. **Transportation Choices** - We pledge to create transportation choices with a Complete Streets approach by considering all modes of transportation, including walking, biking, transit and automobiles, when planning transportation projects and reviewing development applications. We will reevaluate our parking with the goal of limiting the amount of required parking spaces, promoting shared parking and other innovative parking alternatives, and encouraging structured parking alternatives where appropriate.
3. **Natural Resource Protection** - We pledge to take action to protect the natural resources of the State for environmental, recreational and agricultural value, avoiding or mitigating negative impacts to these resources. Further, we pledge to complete a Natural Resources Inventory when feasible to identify and

assess the extent of our natural resources and to link natural resource management and protection to carrying capacity analysis, land-use and open space planning.

4. **Mix of Land Uses** - We pledge to use our zoning power to allow for a mix of residential, retail, commercial, recreational and other land use types in areas that make the most sense for our municipality and the region, particularly in downtown and town center areas.
5. **Housing Options** - We pledge, through the use of our zoning and revenue generating powers, to foster a diverse mix of housing types and locations, including single- and multi-family, for-sale and rental options, to meet the needs of all people at a range of income levels.
6. **Green Design** - We pledge to incorporate the principles of green design and renewable energy generation into municipal buildings to the extent feasible and when updating our site plan and subdivision requirements for residential and commercial buildings.
7. **Municipal Facilities Siting** - We pledge, to the extent feasible, to take into consideration factors such as walkability, bike ability, greater access to public transit, proximity to other land-use types, and open space when locating new or relocated municipal facilities.

RESOLUTION NO. 2019-45
RESOLUTION AUTHORIZING THE EXECUTION OF A CONTRACT
RENEWING MEMBERSHIP IN THE
GLOUCESTER, SALEM, CUMBERLAND COUNTIES
MUNICIPAL JOINT INSURANCE FUND

WHEREAS, the Township of Elsinboro (hereinafter the "MUNICIPALITY") is a member of the Gloucester, Salem, Cumberland Counties Municipal Joint Insurance Fund (hereinafter the "FUND"); and

WHEREAS, the MUNICIPALITY'S membership terminates as of January 1, 2020 unless earlier renewed by a Contract between the MUNICIPALITY and the FUND; and

WHEREAS, N.J.S.A. 40A:11-5 (1) (m) provides that a Contract which exceeds the bid threshold may be negotiated and awarded by the governing body without public advertising for bids and bidding therefor, if the subject matter is for the purchase of insurance coverage and consultant services, provided that the award is in accordance with the requirements for extraordinary unspecifiable services; and

WHEREAS, N.J.S.A. 40A:11-6.1(b) provides that the MUNICIPALITY shall make a documented effort to secure competitive quotations; however, a Contract may be awarded upon a determination, in writing, that the solicitation of competitive quotations is impracticable; and

WHEREAS, in accordance with N.J.A.C. 5:34-2.3, a designated official of the MUNICIPALITY, has filed a certificate with the governing body describing in detail, as set forth below in this Resolution, why this Contract meets the provisions of the statutes and the regulations and why the solicitation of competitive quotations is impracticable; and

WHEREAS, it has been determined that the purchase of insurance coverage and insurance consultant services by the MUNICIPALITY requires a unique knowledge and understanding of the municipal exposures and risks associated with the operation of a municipal entity, and many insurance professionals are not qualified to assess these risks and exposures based upon their inherent complexity; and

WHEREAS, insurance coverage for municipal entities can vary greatly in the type, limits, and exceptions to coverage, and therefore particularized expertise in determining and obtaining the appropriate coverage is required to protect the MUNICIPALITY; and

WHEREAS, it is the goal of the MUNICIPALITY to obtain a single integrated program to provide all types of insurance coverage with a plan to limit the MUNICIPALITIES exposure; and

WHEREAS, the FUND has provided comprehensive insurance coverage to member municipalities since 1991; and

WHEREAS, since 1991, the Fund has continually refined all of the types of coverage that it provides to its members so that it offers comprehensive insurance coverage and limits to all members that is unique and cannot be purchased from a single entity in the commercial insurance market; and

WHEREAS, the FUND has also developed and made available to its members Safety, Risk Management and Litigation Management programs that address the specific exposures and risks associated with municipal entities; and

WHEREAS, the FUND provides the MUNICIPALITY with Fund Administration, Claims Review, Claims Processing, Claims Administration, Actuarial and Legal services; and

WHEREAS, the FUND is one of the most financially sound Municipal Joint Insurance Funds in New Jersey, and the FUND operates with strong fiscal controls, member oversight, and meets all of the requirements promulgated by the New Jersey Department of Community Affairs and the Department of Banking and Insurance; and

WHEREAS, as an existing member of the FUND, the MUNICIPALITY would be renewing its membership in an organization with experienced and dedicated FUND Professionals who provide specialized services to the members; and

WHEREAS, the membership of the FUND includes many neighboring municipalities that have uniquely similar exposures to the MUNICIPALITY, and with whom the MUNICIPALITY has existing inter-local arrangements; and

WHEREAS, all of the aforementioned factors categorize the award of this Contract as an "extraordinary, unseizable service" that cannot be duplicated, accounted for, accurately detailed, or described in a manner that truly depicts the value of the MUNICIPALITY'S membership in the FUND; and

WHEREAS, for all of the aforementioned reasons, it is impracticable for the MUNICIPALITY to seek competitive quotations for a Contract to provide the procurement of insurance coverage and consultant services; and

WHEREAS, the FUND has been organized pursuant to N.J.S.A. 40A:10-36 et seq., and as such is an agency of the municipalities that created it; and

WHEREAS, N.J.S.A. 40A:11-5(2) also provides that a Contract which exceeds the bid threshold may be negotiated and awarded by the governing body without public advertising for bids and bidding therefor, if the Contract is entered into with a municipality or any board, body, officer, agency or authority thereof; and

WHEREAS, the FUND meets the definition of an agency as set forth in N.J.S.A. 40A:11-5(2); and

WHEREAS, for all of the aforementioned reasons, the MUNICIPALITY desires to enter into a Contract to renew its membership with the FUND for a period of three (3) years, for insurance coverage and consultant services, as an exception to the public bidding requirements of the Local Public Contracts Law.

NOW THEREFORE, be it resolved by the governing body of the MUNICIPALITY as follows:

- 1.The MUNICIPALITY agrees to renew its membership in the FUND and to be subject to the Bylaws, Rules and Regulations, coverages, and operating procedures thereof as presently existing or as modified from time to time by lawful act of the FUND.
- 2.The Mayor and Clerk of the MUNICIPALITY shall be and hereby are authorized to execute the "Contract to Renew Membership" annexed hereto and made a part hereof and to deliver same to the FUND evidencing the MUNICIPALITY'S renewal of its membership.
3. In accordance with N.J.A.C. 5:34-2.3, the certificate of a designated official of the MUNICIPALITY, which details why the solicitation of competitive quotations is impracticable, is attached hereto and made a part of this Resolution.

4. The Clerk of the MUNICIPALITY is authorized and directed to place a notice of the adoption of this Resolution and the award of this Contract in the official newspaper of the MUNICIPALITY.
