

Welcome to ProjectScope360 PMP Study Group

ProjectScope360 is a global PMP learning community serving Project Managers worldwide, with active participation across **Canada/US and Nigerian time zones**. To ensure seamless collaboration, we operate **two WhatsApp groups** aligned to these time zones, supported by **one unified LinkedIn Page** that connects our entire community.

Our Value. Our Promise.

At ProjectScope360, excellence is not optional—it is our standard. We are committed to helping our members **pass their PMP exam with confidence**, through structured learning, mentorship, accountability, and a strong professional community.

Our PMP Prep Study Group has been a proven success story, delivering **over 3 years of consistent excellence** with members passing their exams **at one sitting**. Our goal is simple: **your success**.

Why Join ProjectScope360?

By joining, you gain access to:

- A **vibrant, supportive community** of Project Managers across industries
 - **Job postings, interview preparation, and career advancement support**
 - **Mentorship, collaboration, and peer accountability**
 - A structured pathway from **PMP preparation to PMP certification success**
-

How the PMP Study Group Operates

The PMP Study Group is open to **current and aspiring Project Managers**.

- **Live sessions run daily (Mon – Fri) from 8:30 PM – 10:00 PM EST (Canada/US group) or 8:00 – 9:30PM WAT (Nigerian group)**
- Each session is interactive, discussion-based, and highly practical
- Members work through **PMP exam questions and exam simulators**
- Sessions simulate **real PMP exam scenarios**, strengthening confidence and exam readiness

We don't just teach content, we **build exam mindset, strategy, and discipline**.

From Start to Success

At ProjectScope360, you are never alone on your PMP journey.

We mentor and support you through **every phase**—from preparation, to application, to exam day—until you **take and pass the PMP exam**. Your success is our mission.

Welcome to a community that believes in **results, excellence, and growth**.

“From enrollment to certification and beyond — our study group powers every step of your PMP journey.”
