

Streetline Performance & Accessories, Inc.
PRICING POLICY
Last Updated: March 2026

Pricing Information

Streetline Performance & Accessories Inc. makes every effort to ensure that product pricing displayed on our website is accurate and up to date.

However, due to fluctuations in manufacturer pricing, supplier costs, and market conditions, prices may change from time to time.

Streetline Performance & Accessories Inc. reserves the right to modify product pricing at any time without prior notice.

Prices listed on the website are shown in U.S. Dollars (USD) unless otherwise specified.

Pricing Accuracy

While we strive for accuracy, typographical errors, system errors, or incorrect supplier data may occasionally result in incorrect pricing or product information being displayed.

Streetline Performance & Accessories Inc. reserves the right to correct any pricing errors, product descriptions, or availability information at any time, including after an order has been submitted.

If a pricing error occurs:

- **The customer will be notified**
 - **The order may be adjusted or cancelled**
 - **A refund will be issued if payment has already been processed**
-

Manufacturer Price Changes

Because many products sold by Streetline Performance & Accessories Inc. are supplied directly by manufacturers or distributors, manufacturer price increases may occur without advance notice.

Streetline Performance & Accessories Inc. reserves the right to adjust pricing to reflect updated supplier costs when necessary.

Promotional Pricing

From time to time, Streetline Performance & Accessories Inc. may offer:

- **Promotional discounts**
- **Special pricing**
- **Limited-time sales**

Promotional pricing may be limited in duration or quantity and may end without notice.

Discounts and promotional pricing cannot be applied retroactively to orders that have already been placed or processed.

Sales Tax

Sales tax will be applied to orders in accordance with applicable state and local tax laws.

Customers located in states where Streetline Performance & Accessories Inc. is required to collect sales tax will see the appropriate tax applied during checkout.

Authorized dealers who provide a valid resale certificate may be exempt from sales tax where permitted by law.

Final Order Pricing

The final price of an order will include:

- **Product price**
- **Applicable sales tax**
- **Shipping and handling charges (if applicable)**

Customers will be able to review the complete order total before submitting payment.
