

Foxridge Homeowners and Civic Association

Independent Audit

March 20, 2026

I have reviewed the current Treasure's report and recent bank statements and found them to be an accurate accounting of the associations receipts and expenditures.

I have also reviewed the board's proposed budget and found that its intent is in keeping with the mission of the association, to support the entire community. Given the funds available, the board has presented a plan for maintaining equally all islands, palm trees and entrances with the goal of presenting the community in the best possible manner.

I also, noted that the Foxridge road entrance was recently adorned with new plants and a flag. This was done at no cost to the association by two residents Brad Foreman and Mike Delpizzo.
