A Message from Our Founder

Respected Partners and Dear Friends, Hello!

As you open this brochure, a new chapter in our story begins. For me, Hebei Tianyi Hygiene Products Co., Ltd. is more than just a provider of disposable hygiene products; it is a journey of conviction and warmth.

Years ago, we set out with a simple aspiration: to create products worthy of your complete trust through dedicated craftsmanship, and to respond to every instance of market confidence with the collective warmth of our team. We deeply understand that what you choose is not merely a product, but a reliable partner and a promise of peace of mind.

Therefore, throughout these years, we have always placed "people" at the forefront. Internally, we cherish the talent and dedication of every employee—they form the backbone of our company. Externally, we value the trust placed in us by every client—this is the sole motivation that drives our relentless pursuit of excellence.

Looking ahead, despite the ever-changing world, our founding principle of "**Creating Value with Professionalism, Earning Trust with Sincerity**" remains unwavering. We eagerly hope to walk alongside you, and all fellow travelers, not only advancing our industry with exceptional products but also, through our shared efforts, contributing to a world that is more efficient, reliable, and beautiful.

We sincerely invite you to learn more about us, understand our mission, and join us on this meaningful journey forward.

Warm regards
