WHAT IS ORIENTEERING

A “Thinking Sport” that fuses map reading, decision-making, and movement. Athletes race against time, using a map and compass to locate control points while navigating and strategising their route in an unfamiliar terrain.

**A Global Sport –
cultivating smarter
generations, celebrated in
The World Games**

**Recognized by the
International Olympic
Committee (IOC)**

**Recognized by the
International University
Sports Federation (FISU)**

**University World
Championship Sport since
1978 by FISU**

Where Education Meets Adventure

Backed by research studies published in

- Cambridge Journal of Education (JoVE)
- Perceptual & Motor Skills Journal – King's College London
- Archives of Gerontology & Geriatrics – Elsevier Ireland

**A GLOBAL WAVE,
SCHOOLS & UNIVERSITIES
LEADING THE WAY BY
MAKING A DIFFERENCE,
TRANSFORMING STUDENTS
INTO PROBLEM-SOLVERS
AND LEADERS**

CORE BENEFITS

Applied STEM & Cognitive Growth

- Evaluative Thinking
- Spatial Reasoning
- Self-Confidence & Creativity

Resilience and Lifelong Fitness

- Character & Social Skills
- Adaptive Response
- Physical Health

FUTURE OF ORIENTEERING

India's NEP 2020 goals of experiential, interdisciplinary, and fitness-oriented learning

Inter & Intra school/college championships

Host Youth & University Orienteering Championship

Prepare your students to represent in National & International competitions

Scope of Orienteering: MTB-O, Ski-O, Trail-O, Kayak-O, Maze-O
