

# NORTH STAR

FRACTIONAL MANAGEMENT GROUP

## Choose the Right Level of Support for Your Business

Executive guidance, practical solutions, and real results for owner-led businesses under 100 employees.

### FOUNDATION

Starting at \$4,500/month

Clarity, structure, and the starting point for business renovation.

#### BEST FOR

Owner-led businesses that need operational clarity, early improvements and a practical roadmap forward.

- Monthly Strategy Session
- Initial Business Operations Review
- 90-Day Improvement Roadmap
- One Priority Workflow Improvement Per Quarter
- Basic KPI Scorecard
- Management Rhythm Setup

### BUILD

Starting at \$8,500/month

Active implementation, stronger systems, and operating discipline.

#### BEST FOR

Growing businesses that need stronger systems, better accountability, and hands-on implementation support.

- Bi-Weekly Strategy Sessions
- Full Business Operations Audit
- Business Architecture Plan
- Two Active Workflow Improvement Projects Per Quarter
- SOP & Process Documentation
- KPI Management System + AI Opportunity Assessment

### SCALE

Starting at \$13,500/month

High-touch leadership, deeper transformation, and strategic scale.

#### BEST FOR

Businesses that need executive-level support, cross-functional alignment, and a scalable operating system for growth.

- Weekly Executive Strategy Sessions
- Cross-Department Operations Audit
- Strategic Operating Plan
- Three Active Improvement Priorities Per Quarter
- Department KPI Dashboards + AI Opportunity Review
- Leadership Rhythm, SOP Oversight, and Execution Support

### ALL ENGAGEMENTS BEGIN WITH A BUSINESS OPERATIONS REVIEW

Business Operations Review - \$1,500-\$2,500 one-time

*This review may be credited towards a monthly engagement if you move forward within 30 days.*

- Review operations, workflows, systems, and reporting
- Identify bottlenecks, owner dependency, and priority issues
- Clarify the right package and next steps
- Create practical direction for improvement

### TECHNOLOGY & SUPPORT ADD-ONS

- Custom Business Portal
- AI Dashboards
- AI-Trained Executive Assistants
- AI Automations & Workflow Builds

### HOW WE WORK

1 ASSESS

2 DESIGN

3 COORDINATE

4 IMPLEMENT

5 OPTIMIZE

*We design the blueprint, lead the implementation, and help you build a business that works better.*
