Language

- Bahasa Indonesia
- English

Expertise

- Creative
- Well Communication
- Teamwork
- Critical Thinking
- Leadership

Profile

I am a hard-worker and creative person who is able to work in team and discuss all kinds of aspects. Moreover, I can work independently and focus on the problem to be solved and estimating any probabilities for the progress of the projects. I also have worked with numerous crews from multiple countries in which makes me able to work together across diversity. Regardless, I am completely open and willing to learn something new together and adapt effectively.

Experience

**Freelancer in Film Production and Videography
(Vancouver - Los Angeles - Indonesia)
2018 - 2022**

Worked in various projects such as Short films and web-series. Thereafter, I had more opportunities by working as a director, cinematographer, editor and film-colorist. Please kindly check my IMDB profile attached on my bio for further information regarding my experience in Film Production.

**People's Film - Internship (Production House)
2021**

I took part of contributions of making advertisements, company profile, web series, music video and short films

**International Freelancer based in Indonesia (Creative
Director, Script Writer, Camera Op., Editor, Colorist)
2022 - Now**

Well-experienced in the Entertainment and Commercial Industries that have been working with cross-border clients such as Canada, USA and Indonesia.
