

HEARING IS AN ACT OF SENSES,  
BUT LISTENING IS AN ACT OF WILL

there's a lot of difference  
between *listening*  
and *hearing*

*the*  
**quieter**  
*you become*  
*the more* **hear**  
*you can*

**Listen**  
*to the Voice of*  
**nature**  
*for it holds*  
**treasures**  
*for you*

the earth has  
**MUSIC**  
for those who **LISTEN**
