ABOUT US

We, IDEALS CONTRACTING is a reputable Builder, Trader and Various Service Provider that emphasizes on providing quality work and service to our clients by undertaking projects wholeheartedly from design phase, build phase, and end of project phase.

Our goal is to deliver results above clients' expectations and foster good long term relationship with clients. IDEALS CONTRACTING is highly grateful for all our clients to entrust our ability to provide our compelling services at all times. We believe as time goes by, our company can serve more clients with our genuine quality service.

IDEALS CONTRACTING is operating under Commercial Registration Number 179011, issued by Ministry of Commerce and Industry, Qatar with experienced and skilled and unskilled workers. We are situated in Al Nasser, the strategic location of Doha.

Our Mission

At IDEALS CONTRACTING, our mission is to deliver high-quality and reliable solutions in trading, contracting, and various services by:

- ▶ Providing exceptional workmanship and value-driven services that meet client needs.
- ▶ Upholding the highest standards of safety, quality, and professionalism in every project.
- ▶ Building strong, long-term relationships with our clients through trust and consistent performance.
- ▶ Continuously developing the skills of our workforce to ensure efficiency and excellence.
- ▶ Adapting to industry advancements and client expectations to maintain a competitive edge.

Our Vision

To become a leading contracting and service company in Qatar, recognized for delivering high-quality, reliable, and innovative solutions that exceed client expectations and contribute to sustainable growth and development.

GENERAL CONTRACTING

We provide end-to-end construction services for diverse projects, ensuring quality, safety, and timely completion.

Residential & Commercial Building Construction

Delivering modern and sustainable housing, villas, apartment complexes, office buildings, and retail spaces tailored to client needs.

Industrial Construction Projects

Specialized in warehouses, factories, workshops, and large-scale industrial facilities with durable structures and efficient layouts.

Interior Fit-Out Works

Complete interior solutions including partitions, ceilings, flooring, joinery, and finishing works to create functional and aesthetically pleasing spaces.

CIVIL ENGINEERING WORKS

We deliver reliable and cost-effective civil engineering solutions with a strong focus on structural integrity, safety, and quality. Our experienced team ensures precision and efficiency in every project phase.

STRUCTURAL WORKS

Construction of strong and durable foundations, beams, slabs, and load-bearing structures designed to meet international standards.

CONCRETE WORKS

High-quality concrete casting, formwork, and reinforcement ensuring long-lasting and safe structures.

MASONRY & FINISHING WORKS

Expert blockwork, plastering, tiling, and finishing services for both residential and commercial projects.

ELECTRICAL & MECHANICAL SERVICES

We provide comprehensive MEP (Mechanical, Electrical & Plumbing) solutions designed to ensure efficiency, safety, and sustainability for residential, commercial, and industrial projects.

ELECTRICAL INSTALLATIONS & WIRING

Complete electrical works including power distribution, lighting, control systems, and low-voltage installations in compliance with safety standards.

HVAC Systems (Heating, Ventilation & Air Conditioning)

Design, installation, and maintenance of HVAC systems to provide energy-efficient and comfortable environments.

PLUMBING & DRAINAGE WORKS

Reliable installation of plumbing networks, water supply systems, drainage, and sanitary fittings ensuring long-term durability.

Our air conditioning services include:

- ▶ Water Supply & Distribution
- ▶ Drainage Systems
- ▶ Sanitary Ware Installation
- ▶ Leak Detection & Repair
- ▶ Hot & Cold Water Systems
- ▶ Plumbing Maintenance
- ▶ Sewerage & Waste Water Solutions

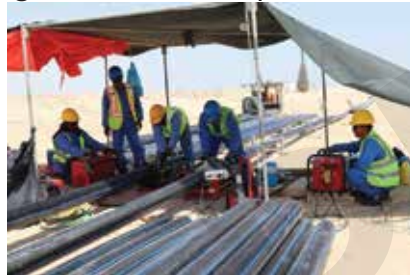

HDPE AND IRRIGATION PIPING

We specialize in the supply, installation, and maintenance of HDPE and Irrigation Piping Systems for landscaping, agriculture, and infrastructure projects. Our solutions are designed for long-term durability, efficient water flow, and environmental sustainability.

- ▶ HDPE Piping Systems
- ▶ Irrigation Piping Systems

SWIMMING POOLS

We offer complete Swimming Pool Construction and Maintenance Services tailored to meet the highest standards of design, quality, and safety. Whether for residential, commercial, or recreational purposes, we deliver pools that combine functionality with aesthetic appeal.

Our swimming pool services include:

- ▶ Design & Planning
- ▶ Excavation & Construction
- ▶ Tiling & Pool Finishing
- ▶ Plumbing & Filtration Systems
- ▶ Lighting & Water Features
- ▶ Pool Renovation & Repair
- ▶ Regular Maintenance

TEMPERED GLASS

we offer expert Tempered Glass Solutions for residential, commercial, and industrial projects. Our services combine safety, style, and functionality, using high-quality tempered glass that meets international safety standards.

Our Tempered Glass Services Include:

- ▶ Glass Partitions & Office Cabins
- ▶ Shower Enclosures
- ▶ Glass Doors & Windows
- ▶ Balustrades & Railings
- ▶ Glass Facades & Curtain Walls
- ▶ Canopies & Skylights

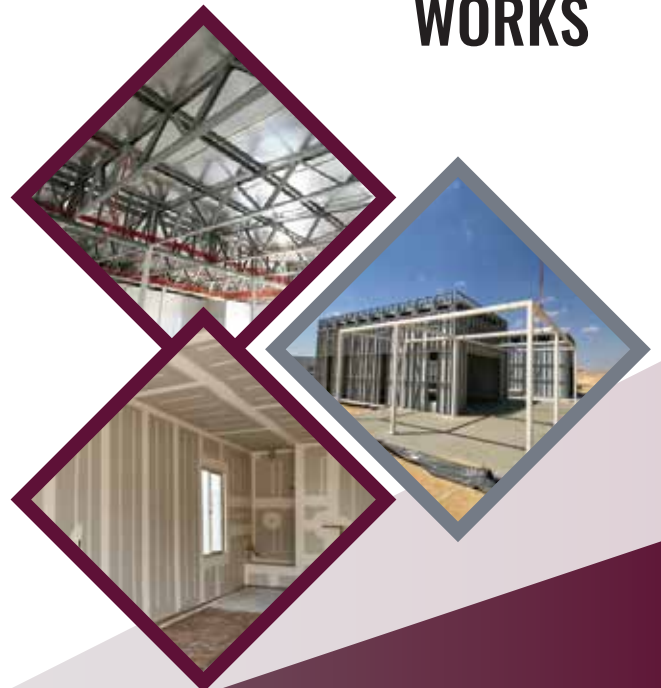

DRY WALL AND CEILING WORKS

we deliver high-quality Drywall and Ceiling Solutions tailored for both commercial and residential projects. Our work focuses on precision, durability, and clean finishes that enhance both aesthetics and functionality.

Our Drywall & Ceiling Services Include:

- ▶ Gypsum Partition Walls
- ▶ False Ceilings
- ▶ Suspended Ceilings (Grid System)
- ▶ Bulkheads & Ceiling Features
- ▶ Moisture & Fire-Resistant Boards
- ▶ Repair & Renovation
- ▶ Painting & Finishing

INTERIOR FIT OUTS

We cater to residential, commercial, hospitality, retail, and office interiors with a strong focus on quality, detail, and timely execution.
