Mr. Pascal Ferland
Evoca North America
2355, avenue Dalton
Quebec, QC G1P 353

Mr. Ferland:

This letter confirms my review of Evoca North America on 12/11/2025 to re-evaluate your vending machines for continuing compliance.

The following machines BRIO 3, Brio C5AER/USA, COLIBRI SERIES, EASY, EN1805, Festival, KIKKO MAX, KOBALTO, KORINTO, KORO ES, KORO FB, KREA, KREA TOUCH 24-900-545, Opera Touch ESB7-R/US N, STAR FOOD, TROPHY, TROPHY PLUS and Wittenborg W9100 were re-evaluated during my review. The design and construction of these machines remain in compliance with NAMA's *Standard for the sanitary Design and construction of Food and beverage Vending Machines*.

Please feel free to contact me if you have any questions or need further assistance.

Sincerely,

Brian Turner, LEHP, CP-FS
NAMA Public Health Consultant
