1.2027 Pan American Games Qualifier

Introduction

The **2027 Pan American Games Qualifier** will serve as the final opportunity for athletes to secure any of the 112 quota for 2027 Pan American Games – Lima, Peru in July / August 2027.

This event is open to all Elite boxers from Panamerican Boxing Confederation members in good standing, with exception that National Federations representing NOC's who have accepted quota for a given division from the previous qualification tournament are ineligible to enter an athlete for that respective division. This tournament will showcase top talent across the PanAmerican region and serve as a critical development competition prior to the April 2027 World Boxing Championships in Astana, Kazakhstan.

Strategic Objective

- Qualification for 2027 Pan American Games (Lima, Peru)
- Provide high-quality competition pathways
- Preparation for Olympic Qualification tournaments
- Deliver a sustainable and high-impact continental event

Key Event Facts

Event	2027 Pan American Games Qualifier
Dates	Q1 2027
Participants	~30-35 National Federations
Boxers	~150 - 200
Venue Capacity	1,500 spectators
Host Fee	40,000 USD – to be negotiated
Budget Required	0.5M – 0.75M USD
Competition Duration	7 days
Format	1 Ring – Single Elimination

Management

The Local Organising Committee (LOC) must demonstrate the operational capacity and infrastructure necessary to successfully organise, manage, and finance the Event in coordination with Panamerican Boxing Confederation. This includes:

- Working collaboratively with Panamerican Boxing Confederation and recognising its authority on all technical and organisational matters;
- Providing Panamerican Boxing Confederation officials with access to inspect the proposed venue(s);
- Agreeing to an event schedule that includes TV / streaming coverage;
- Maintaining effective internal and external communication channels throughout the planning and delivery of the Event;

- Ensuring appropriate backup systems and adequately trained staff are in place to support smooth operations;
- Coordinating effectively with all relevant stakeholders, including participants, government authorities, contractors, vendors, sponsors, media, and the public.

2. Bid Process

Bid timeline

Deadline	Requirement
July 31, 2026	Initial bids due
August 10, 2026	Dialogue with PBC
August 15, 2026	Final Bid selection
August 18, 2026	Final Presentation
August 18, 2026	Host selection
August 31, 2026	Host Agreement Signing

Submission Requirements

Panamerican Boxing Confederation requires the following for the Bid submission:

- Completed [online questionnaire](#)
- All responses and supporting documentation must be submitted in English;
- Graphics and visual content may be included;
- Short videos of no longer than three (3) minutes may be included as part of the bid submission materials.

All bid-related inquiries, Letters of Intent, and supporting bid documentation must be submitted by email to: competitions@panamericanboxing.org

Selection Process and Criteria

All submitted bids will be reviewed by the Panamerican Boxing Confederation Sport and Competition Committee to ensure compliance with the technical and organisational requirements outlined in this document.

Following this review, the Committee will submit its recommendations to the Panamerican Boxing Confederation Executive Board, which will make the final decision regarding the Host City and Host National Federation for 2027 Pan American Games Qualifier.

The decision of the Panamerican Boxing Confederation Executive Board is final and may not be appealed.

Evaluation Criteria

Bids will be assessed using the following criteria (in no particular order):

Strategic & Institutional Support

- Level of government and institutional support
- Financial guarantees and operational commitment
- Human rights and non-discrimination guarantees
- Long-term legacy and development opportunities for boxing
- Alignment with Panamerican Boxing Confederation strategic objectives and regional rotation principle

- Quality of the overall bid (location, presentation, services,.)

Event Operations & Infrastructure

- Quality and suitability of the Competition Venue
- Quality and accessibility of Training Venues
- Accommodation standards and hotel proximity
- Local transportation plan and logistics
- Security, medical and anti-doping provisions

Media, Promotion & Spectator Experience

- TV production and broadcast experience
- Marketing and promotional strategy
- Ticketing approach and attendance objectives
- Digital engagement and media operations
- Overall spectator experience

Accessibility & Risk Assessment

- International accessibility of the Host City
- Visa policies and ease of access
- Political, economic and environmental risk considerations

Organisational Capacity

- Experience in hosting international boxing or multi-sport events
- Quality of the proposed Local Organising Committee structure
- Operational readiness and staffing capacity

Panamerican Boxing also reserves the right to consider regional representation and calendar balance when evaluating bids. Priority will be given to bids for competition in **Q1 2027**.

3. Event Overview

Motivation to host the Event

The Bid Application must include a short statement (maximum 300 words) outlining the Applicant National Federation's and/or LOC's motivation for hosting the Event. The statement should summarise the objectives and expected benefits of hosting, including its contribution to boxing development, athlete opportunities, community engagement, and event legacy.

Official Event Name

2027 Pan American Games Qualifier

2027 Pan American Games – Boxing Qualification

- **Governing Body:** Panamerican Boxing Confederation (PBC), affiliated with World Boxing
- **Total Quota:** 112 Boxers (56 Female / 56 Male)
- **Qualification Basis:** By National Federation / NOC – qualification will NOT be restricted to the individual boxer who competed in the qualifier(s). The National Federation, in coordination with its NOC, will earn the quota and select the athlete to compete in Lima 2027 for the divisions in which quota was earned.

For this specific 2027 Pan American Games Qualifier, three (3) quota places per division will be awarded at this tournament for Pan American Games – Lima 2027:

- Gold medallist
- Silver medallist
- The third (3rd) quota place will be decided by a Box-Off between the two losing semi-finalists (Bronze medalists). The winner of this bout secures the final quota.
- If an athlete from Peru (host country of Pan American Games) earns a quota accepted by his/her NOC at either the 2026 Continental Championships OR this 2027 Pan American Games Qualifier, then both semi-finalists will earn quota at the 2027 Pan American Games Qualifier. There will be no Box-Off if an athlete from Peru reaches the semi-finals in either tournament.
- If a National Federation declines a quota earned at the 2026 Continental Championships, that spot will be added to the quota pool for the 2027 Pan American Games Qualifier for the specific division.
- While the quota is earned for the National Federation (NOT the athlete), the NF must confirm the acceptance of the spot within the designated timeline (14 days post-event). Once confirmed, the spot is locked to that NF /NOC for the Pan American Games.

Event Dates

In accordance with the approved Panamerican Boxing Confederation Competition Structure, this competition should be staged in Q1 2027.

The competition format implies the following preliminary and tentative Event Schedule. This is subject to further discussions, registration of boxers, and number of rings (1 or 2):

Event	Competition	Description
Day 1		Arrivals
Day 2		Sport Entries Check (continued) + Technical Meeting and Official Draw
Day 3–5	Day 1-3	Preliminary and Quarterfinal rounds
Day 6-7	Days 4-5	Quarterfinal and Semifinal bouts
Day 8-9	Day 6-7	Final bouts & Box-Offs
Day 10		Departures

The Bid Application must clearly specify the proposed Event dates, including the expected arrival and departure dates for participants and officials, within the designated hosting period communicated by Panamerican Boxing Confederation.

Applicants should ensure that the proposed schedule allows sufficient time for all competition operations, official meetings, travel logistics, and any required broadcast or event activities.

Panamerican Boxing Confederation requires that the Event dates submitted in the Bid Application are final for evaluation purposes. In the event of a successful bid, any subsequent changes to the approved Event dates will require prior written approval from the Panamerican Boxing Confederation Executive Board

4. Bid Requirements

4.1 Host City

Panamerican Boxing Confederation requires the Host City to be named as well as a short summary of relevant information about it. In case of a successful bid, Panamerican Boxing Confederation will not allow a change of the Host City without the approval of the Panamerican Boxing Executive Board.

4.2 Host National Federation and LOC

Panamerican Boxing Confederation requires the Applicant National Federation to provide comprehensive background information to support the evaluation of its organisational capacity and experience in delivering boxing activities and competitions.

This information should include general institutional data such as the date of foundation, number of members, number of active boxers, affiliated regional associations and clubs, and the number of employees at the National Federation’s head office. Applicants should also outline any existing marketing and television partnerships relevant to the promotion and broadcast of boxing activities.

In addition, Panamerican Boxing Confederation is interested in assessing the National Federation’s experience in organising or hosting boxing competitions over the past ten (10) years. Applicants should therefore provide details of all major international boxing events hosted during this period, as well as a clear description of the National Federation’s role and level of involvement in the organisation and delivery of these events.

This information is intended to demonstrate the Federation’s operational capacity, experience in event delivery, and ability to support the successful staging of a Panamerican Boxing Event. Applicants may include any additional relevant information that supports this assessment.

4.3 Staffing Of LOC

The Host National Federation must establish a Local Organising Committee (LOC) responsible for the planning, management and delivery of the Championships.

The Host National Federation remains fully responsible for all activities and decisions undertaken by the LOC. We expect that the President of the National Federation will have meaningful involvement with the LOC.

The Host National Federation is ultimately responsible for all actions of the LOC. Any third party organisation involved in the planning or operation of the Championships must be approved by Panamerican Boxing Confederation.

Key LOC Appointments

Upon appointment as Host, the Local Organising Committee (LOC) must immediately designate a Competition Manager who will be responsible for all organisational matters related to the Championships and will serve as the primary point of contact with Panamerican Boxing Confederation.

The LOC must establish an appropriate organisational structure covering all key functional areas required for the planning and delivery of the Event. This structure should include, but is not limited to, responsibility for accommodation, accreditation, catering, competition venue operations, training venues, transportation, security, medical services, marketing and branding, communications, protocol, volunteers, equipment, sport presentation, TV and broadcasting, visa and customs coordination, and results management.

Applicants are required to propose a detailed staffing structure within the Bid Questionnaire, identifying the intended personnel for each functional area. Where certain roles or requirements cannot be fully met at the time of submission, the Applicant must clearly indicate this and provide explanations together with proposed mitigation measures or alternative arrangements to ensure full operational delivery of the Event.

The LOC structure should include responsibility for the following functional areas:

Positions	
Accommodation Manager	Security Manager
Accreditation Manager	Sport Presentation Manager
Catering Manager	Sports Equipment Manager
Competition Venue Manager	Training Venue Manager
Local Doctors (3 to 4)	Transportation Manager
Marketing & Branding Manager	Timekeeper
Medical Services Manager	TV & Broadcasting Manager
National Technical Officials (10 to 12)	Videographer
Photographer	Visa and Customs Manager
PR & Communications Manager	Volunteers Manager
Protocol Manager	Bell / Gong Operators
Result Distribution Manager	Additional Positions
Ring announcers	

Volunteers

Volunteers play a significant role in the successful delivery of the Event.

The LOC is required to recruit, train, and manage a sufficient volunteer workforce and must ensure the daily presence of at least twenty (20) volunteers to support operations in the Field of Play and across competition and training venues throughout the Event period.

Panamerican Boxing Confederation strongly recommends that additional volunteers are engaged to support wider operational areas, including arrivals and departures, accreditation, transportation, catering, VIP services, ceremonies, and other functional areas as required.

Volunteer responsibilities may include, but are not limited to:

- Team arrivals and departures

- Accreditation support
- Venue operations (competition and training)
- Athlete services
- Transportation assistance
- VIP services
- Ceremonies and protocol
- Media operations

Applicants must describe their proposed volunteer strategy, including recruitment, training, and deployment plans, within the Bid Questionnaire.

4.4 Venues

Competition Venue

The Host National Federation must designate a Competition Venue suitable for the organisation and delivery of the Panamerican Boxing Confederation Event.

The proposed venue must comply with all World Boxing technical, operational, broadcast, safety, and infrastructure requirements.

Applicants are required to submit detailed Competition Venue information within the Bid Questionnaire, including:

- Venue name, address, and website;
- Seating capacity;
- Technical infrastructure description;
- Floor plans, photographs, and venue layout maps;
- Distances and travel times to official Event Hotels, Team Hotels, and Training Venues;
- Confirmation of compliance with all World Boxing venue requirements.

The venue must meet all minimum standards set by World Boxing, including:

Category	Combined Requirement
Location	The Competition Venue must be located within a maximum travel time of 30 minutes from all official Event Hotels and Training Venues.
Seating & Spectator Capacity	Minimum spectator seating capacity of 1,500 seats, including at least 300 reserved seats for Teams and 20 reserved VIP seats for the Panamerican Boxing Confederation Family and VIP guests. The venue should provide an appropriate spectator experience, including clear sightlines, accessibility, and efficient crowd circulation.
Field of Play (FOP)	Space for up to one or two World Boxing-licensed competition rings in accordance with World Boxing Event Rules. Minimum FOP dimensions of 16 m × 42 m. Sufficient circulation space for athletes, officials, and operations.
FOP Surface	Durable, solid-colour, non-slip flooring covering the entire FOP.
Warm-Up Area	Dedicated warm-up area capable of accommodating at least 30 persons simultaneously.
Athlete Changing Rooms	Minimum of two athlete changing rooms with showers, each capable of accommodating at least 20 persons simultaneously.
Anti-Doping Facilities	Dedicated anti-doping control room with direct access to toilet facilities.
Medical Facilities	Medical room compliant with all applicable regulations.

PANAMERICAN
BOXING CONFEDERATION

Lounges	Three separate, sufficiently equipped lounge areas for: (i) Referees & Judges (R&Js), (ii) Technical Officials (TOs), and (iii) VIP guests. Each lounge must include catering facilities and access to separate restroom facilities.
Office Facilities	Two sufficiently equipped office rooms/spaces for the Local Organising Committee (LOC) and Panamerican Boxing Confederation.
Media Facilities	Dedicated and sufficiently equipped media workstations with direct access to the FOP.
Storage Facilities	Storage room or area with a minimum size of 25 m ² .
Technical Meeting Spaces	Sufficiently large spaces for Technical Meetings, Official Draws, Daily Weigh-Ins, and Medical Checks in accordance with regulations. These activities may alternatively be hosted within the official Team Hotel, where preferable.
Technical Officials' Meeting Space	Sufficiently large space for daily Technical Officials' meetings. These activities may alternatively be hosted within the official TO Hotel, where preferable.
Internet & Connectivity	Reliable high-speed internet connectivity throughout the venue with dedicated bandwidth suitable for international TV broadcasting operations. Full Wi-Fi coverage across the venue with separate Wi-Fi access channels for Staff and Media representatives. The venue should provide a minimum of three dedicated internet lines with minimum 50 Mb/s upload/download speed and at least three back-up SIM cards available upon staff arrival.
Air-Conditioning & Climate Control	Air-conditioning system capable of maintaining temperatures between 18°C and 22°C throughout the venue regardless of weather conditions, attendance levels, installed equipment, or broadcast requirements.
Lighting	Minimum lighting level of 1,500 lux, evenly distributed across each competition ring canvas.
Sound System	High-quality sound system suitable for international competition and broadcast requirements.
LED Displays	Minimum of two large LED screen displays and/or perimeter LED displays.
Video Board Specifications	Video boards/screens should comply with the following minimum specifications: 16:9 aspect ratio, minimum width of 6 m, maximum pixel pitch of 6 mm, and 1080i signal compatibility.
Video System & Broadcast Connectivity	Venue must provide broadcast and cabling infrastructure including: matrix at delivery point for TV feeds (5 SDI + 6-channel audio); SDI or fiber connectivity for distances over 60 m; matrix connections to announcer positions, sports presentation systems, big screens, and athlete waiting areas; and additional broadcast output capability as required.
TV & Display Screens	SDI-compatible or converted display screens must be provided where required. Athlete waiting area screens must be minimum 42". Announcer screens must be maximum 24". Both red and blue corners must include a small monitor for scoring.
Furniture & Equipment	Sufficient quantity of uniform tables and chairs for the FOP in accordance with regulations, together with appropriate furniture and operational equipment for all competition and support areas.
Venue Contingency Planning	Bid documentation must include contingency plans identifying alternative venue solutions in the event the designated Competition Venue or Training Venue becomes unavailable for any reason.
Venue Approval & Changes	Following appointment of the Host City, any proposed change to the approved Competition Venue must receive prior written approval from the Panamerican Boxing Executive Board.

Applicants must confirm full compliance with these requirements in the Bid Questionnaire. Where full compliance is not met, applicants must clearly indicate non-compliant areas and provide detailed explanations and proposed alternative solutions.

Applicants must also provide a contingency venue plan in the event the designated Competition Venue becomes unavailable.

Following appointment of the Host City, any proposed change to the approved Competition Venue shall require prior written approval from the Panamerican Boxing Confederation Executive Board.

Competition Operations Requirements

The Local Organising Committee (LOC) must comply with all World Boxing Competition Rules and technical requirements relating to the Field of Play (FOP), Back of House (BOH), and Sports Equipment.

Applicants must confirm at Bid stage their ability to meet these requirements.

Detailed operational layouts for the FOP and BOH, including venue diagrams and stakeholder flow plans, must be submitted to Panamerican Boxing Confederation no later than 90 days prior to the Event (or as otherwise agreed in writing with Panamerican Boxing Confederation) and are subject to approval.

All Sports Boxing Equipment must comply with World Boxing Competition Rules. Competition gloves, headgear, and handwraps (i.e., tape and gauze) will be provided at no cost due to Panamerican Boxing Confederation's contract with Sting Sports. The LOC is responsible for providing and funding all required equipment, with final specifications and quantities to be approved by Panamerican Boxing Confederation.

Training Venue

One or more Training Venues must be designated for the Event and must meet World Boxing minimum requirements to ensure adequate preparation conditions for all participating teams:

- At least one boxing ring
- Sufficient space for heavy bags and other training equipment
- Space for floor exercises
- At least two separate changing rooms with showers
- Open and supervised by the LOC throughout the Event period
- Located within a maximum travel time of 30 minutes from any Event Hotel and Training Venue

Applicants must confirm compliance with these requirements in the Bid Questionnaire. Where full compliance cannot be met, applicants must clearly indicate this and provide a detailed explanation together with any proposed alternative arrangements.

Full venue details and supporting documentation must also be submitted as part of the Bid Application.

4.5 Accommodation

Panamerican Boxing Confederation requires the designation of a sufficient number of hotels to accommodate all participant groups attending the Event, ensuring appropriate separation of stakeholder groups and compliance with minimum standards.

Applicants must provide hotel details in the Bid Questionnaire, including name, location, website, and distances to the Competition Venue. Where full requirements cannot be met, applicants must clearly indicate this and provide explanations and alternative arrangements.

Please note that in case of a successful bid, Panamerican Boxing Confederation will not allow a change of the Event Hotels without the approval of the Panamerican Boxing Confederation Executive Board.

The following accommodation categories must be provided:

Team Hotels

Team Hotels must accommodate all participating teams and additional accredited persons, and meet the following minimum requirements:

Requirements	Standard
Hotel Rating	3-4 stars (with sufficient total capacity) with reasonable nightly rates for single, double, and triple rooms
Meals Included	Yes (three daily meals – buffet); water for athletes must be available
Wi-Fi	Free wireless Internet Access
Additional Spaces	Separate spaces for at least two test scales in each hotel.
Meeting Rooms	Sufficient large space(s) for the technical meeting, official boxers’ draw, daily weigh-in and medical check according to regulations in one of the Team Hotels (unless these activities are held in the Competition Venue)
Fees	Hotel charges are covered by respective Teams

VIP Hotels

To accommodate the Panamerican Boxing Confederation President, Secretary General and VIP guests, with the following requirements:

Requirements	Standard
Hotel Rating	3-4 stars
Meals Included	Yes (three daily meals – buffet)
Wi-Fi	Free wireless Internet Access
Fees	Panamerican Boxing Confederation President’s and Secretary General’s accommodation and meals are covered by the LOC. Other Hotel charges are covered by respective VIP guests.
Hotel allocation	The VIP hotel can be the same as Team Hotel if agreed with Panamerican Boxing Confederation Executive Board.

TO Hotels

To accommodate all appointed Technical Officials and Panamerican Boxing Confederation staff, with the following requirements:

Requirements	Standard
Hotel Rating	3-4 stars (with sufficient total capacity)
1 Suite	For the Technical Delegate, covered by the LOC
Single/Twin Room	For the R&Js covered by the LOC
Single Room	For all other appointed TOs and Panamerican Boxing Confederation staff, covered by the LOC
Meals Included	Yes for TO’s and Panamerican Boxing Confederation staff (three daily meals – buffet)
Wi-Fi	Free wireless Internet Access
Additional Facilities	Laundry Facilities
Meeting Rooms	Sufficient large space for Technical Officials’ daily meetings (unless these activities are held in the Competition Venue)
Hotel allocation	The TO Hotel must be separate from Team and other stakeholder hotels (media, VIP, extra team officials, etc.).

4.6 Transportation

International Transport

The LOC must designate the official ports of entry (airport(s) and train station(s)) through which all official travel will be coordinated for Teams, Technical Officials, and Panamerican Boxing Confederation staff.

The LOC is responsible for covering all reasonable event-related international transportation costs for designated Panamerican Boxing Confederation Staff, including coordination visits, as specified by Panamerican Boxing Confederation.

This includes:

- Panamerican Boxing Confederation President (competition only)
- Secretary General (competition only),
- and Panamerican Boxing Event Commissioner (site visit and competition),

All other participants, including Teams, Extra Persons, and guests, are responsible for their own international travel arrangements and costs.

Local Transportation

Panamerican Boxing Confederation requires that the LOC provide the following transportation for accredited participants:

- Free scheduled transportation by bus between the designated ports of entry and respective Team Hotel, as well as between Team Hotel(s) and Competition/Training Venues for all Teams and Extra Persons.
- Free scheduled transportation by minibus or car between the designated ports of entry and respective TO Hotel, as well as between TO Hotel and Competition/Training Venues for all Technical Officials and Panamerican Boxing Confederation Competition Manager
- Free necessary and reasonable on-demand local transportation by a dedicated car or pool of cars for the Panamerican Boxing Confederation President, Secretary General, Panamerican Boxing Confederation Competition Manager and Technical Delegate

Applicants must provide a detailed transportation plan in the Bid Questionnaire, including ports of entry, travel times, and proposed vehicle types. Where full requirements cannot be met, applicants must clearly indicate this and provide explanations and alternative arrangements.

4.7 Broadcast, Media And Communications

Broadcast Production Requirements

Panamerican Boxing Confederation requires the LOC to deliver international broadcast production for all Event activities.

The LOC is required to explain in the Questionnaire whether it has the capability (or secured arrangements) to accommodate and deliver the required broadcast production services for the Event, including engagement of an experienced broadcast production partner capable of delivering multi-camera international sports coverage. Where this capability is not in place, applicants must explain why and outline proposed arrangements or mitigation measures.

Minimum expectation:

- Live coverage of all competition phases (preliminary to finals)
- Multi-camera production for final phases
- Integration of official scoring system graphics
- Reliable international signal distribution

The LOC will be required to confirm in the Questionnaire:

- Whether a TV production company has been identified
- Whether a national or international broadcaster is involved
- Whether Host Broadcaster arrangements exist or are planned
- Whether full broadcast capability is confirmed or additional arrangements are required

All detailed technical and contractual broadcast requirements will be defined in the Bid Agreement.

Broadcasting Rights and Distribution Framework Production Requirements

Panamerican Boxing Confederation retains global media and broadcast rights to the Event. Domestic rights may be granted to the LOC within the agreed territory, subject to the Bid Agreement.

Applicants must confirm their understanding of the broadcast rights framework and provide details of any planned domestic broadcast arrangements in the Questionnaire, including broadcaster involvement and production partnerships.

Where arrangements are not yet confirmed, applicants must explain why and describe the proposed approach to compliance.

General Production Requirements

The LOC must ensure the following minimum production standards for all event days:

- Full multi-camera production using HD cameras per ring;
- Replay capability for all competition sessions;
- High-quality production suitable for international broadcast distribution;
- Use of a Panamerican Boxing-approved graphics package, including official timing and scoring system integration;
- Consistent broadcast quality across all competition days.

Applicants must confirm in the Questionnaire whether these capabilities are fully in place and, where not fully in place, explain why and describe how compliance will be achieved.

Panamerican Boxing Confederation will support LOC operations with broadcast expertise and provide full technical specifications for production delivery.

4.8 Marketing, Promotion and Ticketing

Panamerican Boxing Confederation requires the LOC to develop and implement a Marketing and Promotion approach for the Event, including commercial planning, ticketing, ceremonies, and spectator experience.

The LOC must ensure all activities comply with Panamerican Boxing Confederation branding, commercial rules, and approval processes as defined in the Bid Agreement.

The LOC is required to demonstrate its capability to deliver these functions in the Questionnaire. Where arrangements are not yet confirmed, the Applicant must indicate this and briefly describe the proposed approach or how requirements will be met.

Marketing

The LOC must confirm its ability to develop and deliver an Event Marketing Plan, including coordination with Panamerican Boxing Confederation approval processes.

Promotion

Applicants must outline their approach to Event promotion, including ticketing strategy, attendance expectations, and general fan engagement activities.

Commercial Matters

Panamerican Boxing Confederation applies a defined commercial framework governing Event sponsorship, licensing, and branding, including categories reserved exclusively for Panamerican Boxing Confederation partners (e.g., Sting, Xempower, Golden Gloves VR).

Applicants are invited to describe their proposed commercial approach for the Event, including potential sponsorship structure, commercial partners (if already identified), and licensing or merchandising plans where applicable.

All commercial activities must be developed in compliance with Panamerican Boxing Confederation requirements and are subject to approval under the Bid Agreement.

Ceremonies

Applicants must confirm their decision if they wish to have an opening ceremony and to deliver Medal Ceremonies in accordance with Panamerican Boxing Confederation requirements and describe their general approach.

Spectator services

Applicants must outline their approach to spectator experience and sport presentation during the Event.

4.9 Sustainability and Legacy

Sustainability

Panamerican Boxing Confederation is interested in understanding how the LOC intends to integrate sustainability principles into the planning and delivery of the Championships.

Applicants should outline their general approach to reducing environmental impact and promoting responsible resource use across Event operations, including areas such as environmental management, waste reduction, energy efficiency, and sustainable procurement.

Legacy

Panamerican Boxing Confederation is also interested in the long-term benefits of hosting the Championships and the legacy outcomes for the host city, local boxing community, and wider sport development.

Applicants should outline their proposed legacy approach, including potential initiatives related to community engagement, sport development, infrastructure use, and long-term participation impact.

4.10 Medical and Anti-Doping

Applicants must confirm in the Questionnaire whether they are able to meet these requirements. Where full arrangements are not yet in place, applicants must indicate this and briefly explain how they intend to deliver the required services.

Medical Services

It is obligatory for the LOC to assume responsibility for managing and covering the cost of all medical emergencies occurring in the Competition Venue throughout the Championships period that involve any accredited representatives of Teams, Technical Officials, Panamerican Boxing Confederation Staff, or Volunteers.

Panamerican Boxing Confederation requires that appropriate medical and emergency response services are provided throughout the Event.

This includes:

- Provision of ambulance services during every day of competition
- Ambulances equipped in accordance with applicable regulations, including crews of paramedics and dedicated drivers
- Coverage from 30 minutes before the start of the first bout until all boxers have left the Competition Venue
- Designation of the nearest hospital for emergency treatment

The LOC is responsible for ensuring that all required medical arrangements are in place and fully operational for the duration of the Event.

Anti-Doping

The LOC must also provide and bear the cost of sufficient anti-doping testing during the Event in accordance with the World Boxing Anti-Doping Regulations and the WADA Code.

This includes:

- Testing conducted by a WADA-accredited organisation
- Analysis of all collected samples by a WADA-accredited laboratory
- A minimum number of tests equal to 10% of the total number of registered boxers, but not fewer than 20 tests

All testing must be carried out in compliance with applicable WADA anti-doping standards and requirements.

Only countries that are in compliance with the World Anti Doping Code can bid and host a Panamerican Boxing Confederation event. Panamerican Boxing Confederation has the right to remove the hosting if a country is declared non compliant by WADA.

4.11 General Requirements & Conditions

Hosting Fees

The LOC is required to contribute a Hosting Fee of USD 40,000 payable in instalments as defined in the Bid Agreement. This amount can be negotiated.

The payment schedule will be confirmed in the Bid Agreement.

Applicants should be aware that the hosting fee forms part of the overall Event financing structure and is mandatory for successful delivery of the Championships.

The Applicant will be required in the Questionnaire to confirm:

- Acceptance of the hosting fee structure
- Ability to meet the proposed payment schedule
- Any financial considerations or constraints relevant to delivery

Required Budget

Applicants are required to demonstrate that sufficient financial and operational resources are available to deliver the Event to Panamerican Boxing Confederation standards. The overall Event budget must cover all key operational areas.

4.12 Government Support

Panamerican Boxing Confederation would like to receive a formal letter of support to host the Championships from the respective Government and/or the City/Region authorities, offering:

- Upholding principles of human rights, including non-discrimination
- Facilitating entry procedures for all participating teams, officials, and Panamerican Boxing Confederation staff, including visa support where required
- Provision of any financial or in-kind support associated with hosting the Event
- Any other relevant institutional or operational support contributing to the successful delivery of the Championships

4.13 Insurance

Each Party (LOC and Panamerican Boxing Confederation) shall be fully liable for wilful misconduct, gross negligence, and damages resulting from injury to life, body, or health. In cases of ordinary negligence, each Party's aggregate liability under this Agreement shall be limited to USD 5,000,000. Neither Party shall be liable for indirect, consequential, incidental, special, or punitive damages, including loss of profits, loss of revenue, or loss of commercial opportunity, except in cases of wilful misconduct or gross negligence. Liability for ordinary negligence shall be limited to foreseeable damages typically arising under this type of agreement.

The LOC shall procure and maintain, at its own expense, insurance coverage with reputable insurers in amounts not less than USD 1,000,000 per occurrence (or such higher amount as reasonably required for the Event), including without limitation:

- (a) commercial general liability insurance;
- (b) event cancellation insurance covering cancellation, abandonment, postponement, or curtailment of the Event;
- (c) participant and spectator medical and accident coverage, where applicable; and
- (d) any other insurance required under applicable law.

The insurance shall cover losses, liabilities, damages, costs, and expenses arising out of or relating to the organisation and operation of the Event. The LOC shall name Panamerican Boxing Confederation as an additional insured under the applicable liability policies and shall provide certificates of insurance upon request. Such insurance shall remain in force throughout the Event period.

4.14 Additional proposals

Please propose any additional offers and provide additional details, which might strengthen the bid, such as:

- Education and development programs for participating boxers
- New innovative projects organised by the LOC
- Sustainability programmes and environmental considerations
- Opening / closing ceremonies

- Panamerican Boxing Confederation certification & development courses, forums, award ceremonies, etc.
- Programs for VIPs
