Qualification system

DATE	EVENT	QUALIFIED
October 17 – 25, 2026	Pan American Championship Puebla - MEX	28 men 28 women
TBC 2027	Pan American Championship - TBC	21 men 21 women

Phase 1: 2026 Panamerican Continental Championships

Quotas will be awarded to the NFs/NOCs of the four (4) semi-finalists of each weight category.

If a boxer from the host country (Peru) reaches the semifinals in a specific weight category, the spot will be added to the pool for Phase 2: the 2027 Pan American Games Qualification Tournament (since the host country already has assigned quota).

Phase 2: 2027 2nd Pan American Games Qualifier

Three (3) spots will be awarded for each weight category as follows:

- The NFs/NOCs of the two finalists (gold and silver medalists)
- The third spot will be decided by a Box-Off between the two losing semifinalists (bronze medalists). The winner of this match secures a spot for the Games.
- The athletes from the host country (Peru) are able to participate in this competition as long as they remain a member in good standing with World Boxing. If a boxer from the host country (Peru) reaches the semifinals in a specific weight category, the NFs/NOCs of all semifinalists will earn quotas for their NOC (i.e., 1 Peru retains their host country quota and the other three semi-finals will earn the aforementioned qualification).

Host country - Peru

The host country (Peru) is guaranteed one (1) spot per weight category (14 in total). If a Peruvian athlete secures a spot for his/her National Federation in one of the two qualification tournaments, that spot will be considered the host country's spot, subject to the maximum quota per NOC.

Confirmation of quotas

Before April 1st, 2027, the Panamerican Boxing Confederation will confirm to Panam Sports and to the NOCs the places that they qualified.

Before April 9, 2027, the NOCs will confirm to Panam Sports and to the Panamerican Boxing Confederations the places they will use.

Reallocation of unused quota places

Any unaccepted quota from Phase 1 will be re-allocated to Phase 2 of qualification.

After Phase 2, if necessary, Panamerican Boxing Confederation will reallocate any unused spots to the next eligible NOC, which will be determined based on performance at the Phase 2 - 2027 2nd Pan American Games Qualifier (i.e., the box-off loser, then the quarterfinalist who lost to the gold medalist, then the quarterfinalist who lost to the silver medalist, etc.).

This process must be completed by April 16, 2027.

The NOCs that received reallocated quotas must confirm their participation no later than April 20, 2027.
