Additional Services

- Laundry facilities available at **USD \$8 per load**

Training Environment

Participating teams will benefit from a structured training schedule, shared sparring opportunities with international teams, and access to high-quality facilities in a focused and competitive environment.

Participation Requirements

Federations are encouraged to confirm participation early and submit delegation details in advance to facilitate scheduling and logistics coordination.

We believe this camp presents a strong strategic opportunity for your athletes to sharpen performance ahead of major international competitions.

For further information or to confirm your participation, please contact:
