

Submission Checklist

Step 1: Pick Your Category

- Artistic and Design
- Writing and Storytelling
- Music and Audio
- Video
- Innovation and Practical Impact

Step 2: Create Your Project

- Use at least one AI tool to help create your work.
- Examples include: ChatGPT, Canva AI, Suno AI, Adobe Firefly, ElevenLabs, Runway ML
- You can combine AI tools with your own writing, drawing, recording, or filming.
- Your creativity matters most.

Step 3: Write Your Creator Summary

- Download the AI Creator Summary Form
- Explain:
 - AI Tools Used
 - Inspiration
 - Sample Prompts
 - Iteration Journey
 - Human Decisions
 - Reflection
- Your submission may also be delivered as video, audio, or another creative format (Page 1 of the Summary Form is still required).

Step 4: Submit Your Project

- Turn in your project files to your teacher.
- Your school will send everything to PCC by April 1, 2026.
