Privacy Policy

VisioNova Global Consulting LLP ("VisioNova", "we", "our", or "us") is committed to protecting your privacy. This policy explains what personal data we collect and how we use it.

Information We Collect

We collect personal information that you voluntarily provide through our contact form. This may include your name, email address, company name, telephone number, and any information included in your message.

We also collect limited technical information automatically through website analytics, including browser type, device information, IP address, and general usage data.

How We Use Your Information

We use collected information solely to respond to your inquiry, provide relevant information about our services, and improve website performance. We do not use your data for marketing purposes without your explicit consent.

Information Sharing

We do not sell, rent, or trade your personal information to third parties. Information may be shared with trusted service providers who assist in operating our website, subject to appropriate confidentiality obligations.

Data Retention

We retain personal information only as long as necessary to fulfil the purpose for which it was collected or as required by applicable law.

Data Security

We take reasonable technical and organisational measures to protect your personal information against unauthorized access, loss, misuse, or disclosure.

External Links

This website may contain links to third-party websites. We are not responsible for their privacy practices or content.

Your Rights

Depending on applicable laws, you may have the right to access, correct, delete, or restrict your personal information. To exercise these rights, please contact us directly.

Cookie Policy

This website uses cookies to analyse website traffic and improve user experience. We do not use marketing or tracking cookies.

What Are Cookies?

Cookies are small text files stored on your device when you visit a website. They help us understand how visitors use our site.

Cookies We Use

Analytics cookies only. We use analytics tools (such as Google Analytics) to understand how visitors interact with our website. This data is aggregated and anonymised where possible.

We do not use cookies for advertising, remarketing, or any form of user profiling.

Managing Cookies

You can accept or decline analytics cookies via our cookie banner when you first visit this website. You can also control or disable cookies at any time through your browser settings. Please note that disabling cookies may affect website functionality.

Changes to This Policy

We reserve the right to update this policy at any time. The date at the top of this page reflects the most recent revision.
