Our Signature Massage Collection

Aromatherapy Massage

An aromatherapy massage combines the power of therapeutic touch with the healing properties of essential oils. Unlike a traditional massage, this treatment engages your sense of smell, allowing the potent plant extracts to be absorbed through your skin and inhaled. This unique blend of massage and aromatherapy works to soothe your mind, body, and spirit.

Deep Tissue Massage

Deep tissue massage is a therapeutic bodywork technique that goes far beyond a typical relaxation massage. Its primary purpose is to target and treat the underlying causes of chronic pain and muscle tension by focusing on the deepest layers of muscle tissue, tendons, and fascia. This makes it an ideal treatment for individuals with persistent discomfort, limited mobility, or those recovering from physical strain.

Our Signature Facial Journeys

Gua Sha Face Massage

Gua Sha Face Massage is an ancient healing technique. Unlike body Gua Sha, which can be more intense, facial Gua Sha uses a smooth, flat stone—typically made of jade, rose quartz, or amethyst—to gently glide over the contours of the face, neck, and décolletage. This therapeutic massage promotes a natural lift and glow by stimulating lymphatic drainage and improving blood circulation.

Rp 350.000 (60 min)

Allure Facial

The Allure Facial is designed to promote a calm, balanced complexion, offering gentle and soothing care for easily irritated or reactive skin types. This treatment focuses on reducing redness and inflammation while deeply hydrating the skin. After the treatment, you'll experience a refreshed, nourished complexion that feels soft, supple, and restored, with visibly reduced irritation and an overall sense of calm radiance.

Rp. 600.000 (Single Treatment)

Rp. 1.500.000 (Set of 3 Treatment Sessions)

Hermosa Facial

The Hermosa Facial is crafted to balance oil production, reduce inflammation, and promote clearer, healthier skin. Ideal for those prone to excess oil and breakouts, this treatment targets clogged pores and helps calm irritated skin. After the session, your complexion will feel refreshed and revitalized, with reduced shine, minimized breakouts, and an overall healthier glow.
