## 1. CORPORATE OVERVIEW

Mishackog Int'l Ltd is a multi-disciplinary Nigerian engineering and oilfield services company incorporated as a private limited liability company. The firm provides a wide range of technical and logistics support services to the energy, construction, and industrial sectors.

- **Company Name: Mishackog Int'l Ltd**
- **Registration Number: RC 1190875**
- **Date of Incorporation: May 19, 2014**
- **Company Type: Private Company Limited by Shares**
- **Share Capital: 1,000,000 Ordinary Share.**

### 1.1. Core Oil & Gas Capabilities

The company is formally authorized to provide specialized services to the oil industry, including:

- **Oilfield Services:** Supply of marine and oil tools and general oil and gas services.
- **Petroleum Products:** Sales and distribution of various petroleum products.
- **Maintenance & Engineering:** Minor mechanical and civil maintenance services.
- **Technical Works:** Welding, fabrication, corrosion control, and electrical works.
- **Logistics:** Land transportation, haulage, and general logistics services.

### 1.2. Regulatory Compliance & Certifications

Mishackog Int'l Ltd maintains active standing with relevant Nigerian federal authorities:

- **Department of Petroleum Resources (DPR):** Holds a Permit to Operate as an Oil Industry Service Company (General Category) for Maintenance services.
- **Federal Inland Revenue Service (FIRS):** Registered as a VAT Collection Agent with Tax Identification Number (TIN) 17841225-0001.
- **Industrial Compliance:** Registered with the Nigeria Social Insurance Trust Fund (NSITF) under the Employees' Compensation Scheme.

### 1.3. Banking & Financial Standing

The company maintains a satisfactorily conducted corporate relationship with **First Bank of Nigeria Ltd** (PH Garrison Branch) since July 2014. It has been formally referenced to the Nigerian National Petroleum Corporation (NNPC) Vendor Registration Team.

### 1.4. Key Management & Shareholding

- **Managing Director/CEO:** Mr. Prince Obele
- **Directors:** Mr. Isaac Nwafor and Mr. Great Michael Ojebe

## 1.5. Management Team

**MR. PRINCE OBELE**  
**CHIEF EXECUTIVE OFFICER**

**ENGR. GOLDEN DIBIAH**  
**ADMINISTRATIVE MANAGER**

**MR. JOHNSON ABBEY**  
**MARKETING MANAGER**

**HON. CAPTAIN ISA NOAH AMWE**  
**DIRECTOR GLOBAL MARITIME SAFETY**

**MR. OKOLE BENJAMIN E.**  
**OPERATIONAL MANAGER**

## 1.6. Strategic Location

We based in Alesa Eleme, Port Harcourt, Rivers State, Nigeria. our office / company is strategically positioned near major Nigerian oil and gas hubs, including the Onne Oil and Gas Free Zone and the Port Harcourt Refineries, facilitating rapid mobilization for field services and equipment supply.

## 2. OUR CORE VALUE.

### 2.1. Safety First (HSE Excellence)

Prioritizing the health and safety of personnel and the protection of the environment in all oilfield and maintenance operations. This reflects a commitment to achieving "Zero LTI" (Lost Time Injuries) across all project sites.

### 2.2. Integrity and Transparency

Maintaining the highest ethical standards in all business dealings, ensuring full compliance with regulatory bodies like the NUPRC (formerly DPR) and the Federal Inland Revenue Service.

### 2.3. Operational Excellence

A dedication to delivering high-quality engineering, fabrication, and technical services through precision and adherence to international technical standards.

## 2.4. Reliability and Responsiveness

Providing dependable logistics and supply chain solutions that meet the urgent and critical timelines inherent in the energy and construction sectors.

## 2.5. Local Content Commitment

Driving value within the Nigerian economy by utilizing local expertise and resources, aligning with the Nigerian Oil and Gas Industry Content Development (NOGICD) Act to foster indigenous growth.

## 3. VISION AND MISSION STATEMENT

### Mission:

To provide reliable and efficient supply chain solutions across the oil and gas value chain. We are committed to the safe distribution of high-quality petroleum products and the provision of specialized oil tools and marine equipment to support midstream and downstream operations worldwide. By leveraging our technical expertise and global reach, we ensure energy products reach their destinations with integrity and excellence.

### Vision:

To become a premier global force in energy logistics and downstream supply, recognized for our commitment to quality, safety, and international standards. We aim to bridge global energy markets by expanding our distribution networks and becoming the trusted partner of choice for comprehensive oil and gas service solutions on every continent.

## 4. RECORD OF RELEVANT EXPERIENCE:

| PROJECT DESCRIPTION                      | CLIENT / INDUSTRY                   | SERVICE CATEGORY     | STATUS      |
|--|-------------------------------------|----------------------|-------------|
| 1. PHRC REHABILITATION                   | [PHRC TECNIMONT]                    | PROCUREMENT          | [COMPLETED] |
| 2. TRUCK NOMINATION                      | [STOCKGAP FUELS LIMITED]            | DOWNSTREAM LOGISTICS | [COMPLETED] |
| 3. SUPPLY OF 20 MILLION BARRELS OF CRUDE | [RELOCATION MOBILITY DELIZ GERMANY] | MARINE SUPPLY        | [ONGOING]   |

## 5. SUPPLY CHAIN

Mishackog Int'l Ltd operates a robust supply chain framework designed to support the rigorous demands of the international oil and gas sector. The company serves as a critical link between global manufacturers and local project sites, ensuring the seamless flow of specialized equipment and essential energy products.

## 1. Petroleum Product Distribution

Mishackog Int'l Ltd is formally authorized to engage in the trade and distribution of petroleum products. The supply chain model focuses on:

- **Reliable Sourcing:** Direct engagement with licensed refineries and depots.
- **Quality Assurance:** Ensuring all products meet statutory energy specifications.
- **Market Reach:** Efficient delivery of fuels and lubricants to industrial clients and retail outlets.

## 2. Strategic Procurement

Leveraging an extensive network of verified partners, the company manages the sourcing and acquisition of high-specification industry assets, including:

- **Engineering Equipment & Tools:** Sourcing of specialized oilfield tools and mechanical hardware.
- **Steel Products:** Supply of industrial-grade steel and fabrication materials.
- **Technical Gadgets:** Procurement of telecommunication systems, computer hardware, and environmental monitoring devices.
- **Safety & PPE:** Provision of comprehensive industrial safety equipment and Personal Protective Equipment (PPE).

## 3. Specialized Logistics & Haulage

The company's logistics division provides the "last-mile" connectivity required for complex oilfield operations:

- **Inland Transportation:** A dedicated fleet for the haulage of heavy machinery and bulk materials.
- **Marine Logistics:** Capabilities in the supply and movement of marine tools and offshore support equipment.
- **Inventory Management:** Systematic tracking and warehousing solutions to minimize lead times and prevent operational downtime.

## 4. Compliance & Vendor Integrity

All supply chain activities are conducted under strict adherence to international best practices and local regulations:

- **NUPRC/DPR Compliant:** Operating under valid permits for oil industry service categories.
- **Local Content Integration:** Prioritizing indigenous sourcing to support the Nigerian Oil and Gas Industry Content Development (NOGICD) objectives.
- **Vetted Partnerships:** Maintaining a transparent vendor pre-qualification process to ensure quality and ethical standards across the tier-2 supply base.

## 6. RELATIONSHIP/ PARTNERSHIP

1. We maintain robust and strategic partnerships with leading European maritime authorities, fostering high-level collaboration and operational alignment.
2. Our maritime expertise is globally recognized, with extensive experience engaging with key international institutions including the EU, UN, NATO, ECOWAS Commission, and across the Gulf of Guinea region.
3. We have played a pivotal strategic role in shaping and supporting maritime policy development in Nigeria and across the global maritime community, delivering impactful and sustainable outcomes.
4. As part of our commitment to excellence, a distinguished member of our team Captain ISA NOAH AMWE was honored with a prestigious award from the International Maritime Rescue Federation, reflecting our organization's world-class capabilities and leadership in maritime safety and security.

### Accomplishment

**CAPTAIN NOAH ISA AMWE

## 7.3 MR. BARINE-PAGO

C.E.O INCOME EXPRESS LTD

INCOME EXPRESS LTD is a Finance and lending company, that bridge the gap between the surplus and deficit unit of the economy through it's investment program. We bridge this gap by financing businesses and projects from its capital and mopping funds from investors to the fund users or deficit unit.

This partnership between INCOME EXPRESS LTD and MISHACKOG INT'L LTD creates a powerful synergy between technical expertise and financial capacity. By acting as the Financial Consultant, Income Express Ltd provides the "economic fuel" necessary for Mishackog to scale its oil and gas operations.

"This partnership ensures that all awarded projects are backed by a robust capital bridge, allowing for full mobilization of resources, equipment, and labor regardless of project scale."
