SECTION 2 — TERMS AND CONDITIONS

1. Acceptance of Award

By signing this Agreement, the Recipient accepts the grant award described in Section 1 and agrees to comply with all terms and conditions set forth herein. Failure to sign and return this Agreement within thirty (30) days of the Award Date will result in forfeiture of the award.

2. Permitted Use of Grant Funds

Grant funds must be used solely for the purpose stated in Section 1 of this Agreement. Any use of grant funds for purposes other than those specified requires prior written approval from NAAF. Unauthorized use of grant funds may result in a requirement to repay the full grant amount to NAAF and disqualification from future grant cycles.

The decision as to which vendor or service provider is selected, is made solely by recipient. NAAF makes no representation, recommendation or warranty relating to the vendor or service provider selected by recipient. Further, NAAF assumes no liability as to recipients choice for the selection of vendor or service providers.

3. Payment Directly to Vendors

NAAF does not provide grant funds directly to grant recipients. All payments will be made by NAAF directly to the approved vendor or service provider on the Recipient's behalf. NAAF will not reimburse Recipients for equipment or services already purchased prior to the execution of this Agreement. The Recipient is responsible for coordinating with the vendor and providing NAAF with all required invoices and order documentation within the timeframe specified in Section 1.

4. Agreement Expiration

This Award Agreement expires 120 days from the Award Date unless otherwise stated in Section 1. If the grant has not been fully disbursed by the expiration date due to circumstances within the Recipient's control, the award will be forfeited. NAAF may, at its sole discretion, grant a written extension upon request.

5. Accuracy of Information

The Recipient certifies that all information provided in the grant application — including personal information, financial information, medical documentation, and supporting materials — is true, accurate, and complete to the best of the Recipient's knowledge. Submission of false, misleading, or materially incomplete information is grounds for immediate revocation of this award and may disqualify the Recipient from all future grant consideration.

6. Assumption of Risk

The Recipient acknowledges and understands that participation in adaptive sports and physical activities — including the use of adaptive sports equipment funded by this grant — involves inherent risks of injury, including serious bodily injury or death. The Recipient voluntarily assumes all such risks associated with their participation in adaptive sports and their use of any equipment or services funded by this grant. The Recipient affirms that they have consulted with their healthcare provider regarding the appropriateness of their intended athletic activities.

7. Release and Waiver of Liability

To the fullest extent permitted by applicable law, the Recipient, on behalf of themselves and their heirs, executors, administrators, and assigns, hereby releases, waives, discharges, and covenants not to sue the Neuro-Adaptive Athletes Foundation, its Board of Directors, officers, employees, volunteers, agents, and representatives (collectively, the "Released Parties") from any and all claims, demands, damages, losses, costs, or causes of action of any kind or nature, whether known or unknown, arising out of or related to: (a) the Recipient's participation in adaptive sports or physical activities; (b) the use of adaptive equipment or services funded by this grant; or (c) any act or omission of the Released Parties in connection with this grant, except in cases of gross negligence or willful misconduct by a Released Party.

8. Indemnification and Hold Harmless

The Recipient agrees to indemnify, defend, and hold harmless the Released Parties from and against any and all claims, liabilities, damages, losses, costs, and expenses (including reasonable attorneys' fees) arising out of or related to: (a) the Recipient's use of any grant funds, equipment, or services provided under this Agreement; (b) the Recipient's participation in any adaptive sports activity or event connected to this grant; (c) any breach by the Recipient of any representation, warranty, or obligation under this Agreement; or (d) any negligent or wrongful act or omission of the Recipient. This indemnification obligation shall survive the expiration or termination of this Agreement.

9. Minor Applicants — Parent or Guardian Obligations

If the Recipient is a minor (under 18 years of age), this Agreement must be signed by a parent or legal guardian on the minor's behalf. The parent or guardian signing this Agreement agrees, on behalf of themselves and the minor, to all terms and conditions herein, including the Release and Waiver of Liability (Section 7) and the Indemnification and Hold Harmless provisions (Section 8). The parent or guardian further agrees to indemnify, defend, and hold harmless the Released Parties from any and all claims arising from the minor's participation in activities funded by this grant.

10. Insurance

The Recipient is responsible for maintaining their own personal health insurance and any other insurance coverage applicable to their participation in adaptive sports. NAAF does not provide accident, liability, health, or equipment insurance to grant recipients. In the event of an injury or accident, the Recipient's personal health insurance shall serve as the primary source of medical coverage. The Recipient consents to emergency medical treatment in the event such care is required during any activity related to this grant, and acknowledges that NAAF bears no responsibility for associated medical costs.

11. Photo, Story, and Marketing Release

By accepting this grant, the Recipient grants NAAF a non-exclusive, royalty-free, perpetual license to use the Recipient's first name, state or region of residence, submitted photographs, and answers to application questions for marketing, fundraising, social media, donor communications, and other purposes related to NAAF's mission. NAAF will not publish the Recipient's full name, contact information, financial details, or medical records without prior written consent. Recipients are also asked to provide a follow-up report and photo after using their award, which may be shared in accordance with this section.

12. Follow-Up Reporting

The Recipient agrees to provide NAAF with a brief written follow-up report and at least one photo within ninety (90) days of receiving or using the grant award. The report should describe how the grant was used and its impact on the Recipient's athletic participation. Failure to provide a follow-up report may affect the Recipient's eligibility for future grant awards from NAAF.

13. Non-Transfer

This grant award is personal to the Recipient and may not be transferred, assigned, or applied to a different purpose, person, or piece of equipment without NAAF's prior written approval. Equipment purchased with NAAF grant funds must be used primarily by the Recipient for their own adaptive sports participation.

14. Governing Law and Severability

This Agreement shall be governed by and construed in accordance with the laws of the state in which NAAF is incorporated, without regard to its conflict of law provisions. If any provision of this Agreement is found to be invalid or unenforceable by a court of competent jurisdiction, the remaining provisions shall continue in full force and effect.

15. Entire Agreement

This Agreement constitutes the entire agreement between NAAF and the Recipient with respect to the grant award described herein and supersedes all prior communications, understandings, or agreements relating to this subject matter. This Agreement may only be modified in writing and signed by an authorized representative of NAAF.
