STRATEGIC PARTNERSHIP INVITATION (SPI)

AfricansConnected™ Digital Ecosystem

Confidential – For Strategic Investors & Institutional Partners

◆ 1. EXECUTIVE POSITIONING

AfricansConnected™ is a multi-sector digital infrastructure designed to operate as an integrated ecosystem across finance, commerce, education, healthcare, media, governance, and artificial intelligence within Africa and globally.

It is not a single platform, but a **system of interconnected digital assets, platforms, and services**, structured to enable:

- Digital economic activity
- Institutional integration
- Scalable market access
- Financial and technological inclusion

The ecosystem is currently under active development and expansion through a portfolio of digital platforms across multiple sectors.

◆ 2. ECOSYSTEM OVERVIEW

AfricansConnected™ integrates a growing network of platforms, including but not limited to:

Core Sectors

- **Fintech & Digital Finance**
- **E-commerce & Digital Trade**
- **Digital Education & Universities**
- **Digital Healthcare Systems**
- **Media & Publishing**
- **Artificial Intelligence & Data Systems**
- **Digital Governance Infrastructure**

Operational Assets (Illustrative)

The ecosystem includes multiple active and developing platforms such as:

- Digital marketplaces
- Online media platforms
- Financial service platforms
- Educational institutions
- Institutional and governmental digital portals

These assets are designed to operate as a **connected infrastructure**, not as isolated businesses.

◆ 3. STRATEGIC VISION

The objective is to build:

A unified digital ecosystem capable of supporting economic activity, institutional operations, and digital transformation at scale.

AfricansConnected™ aims to:

- Enable digital economies
- Provide infrastructure for governments and corporations
- Facilitate intra-African and global trade
- Create sustainable digital revenue systems

◆ 4. PARTNERSHIP OPPORTUNITY

AfricansConnected™ is selectively inviting:

- Strategic investors
- Institutional partners
- Corporate partners
- Sovereign or semi-sovereign entities

to participate in the expansion and operationalization of the ecosystem.

◆ 5. VALUE PROPOSITION FOR PARTNERS

Selected partners will gain access to:

- Integration into a multi-sector digital ecosystem
- Immediate operational infrastructure
- Access to digital markets and users
- Participation in revenue-generating platforms
- Strategic positioning within a scalable system

◆ 6. COLLABORATION MODEL

The partnership framework includes:

- Integration into the ecosystem infrastructure
- Access to platforms and services
- Revenue-sharing model
- Licensing structure (LOSI – License of Systemic Integrated Operation)

◆ 7. ECONOMIC STRUCTURE (HIGH-LEVEL)

The economic model is based on:

1. Revenue Sharing

- 74% → Ecosystem Operator
- 26% → Partner

2. Licensing Structure

- Entry fee (integration and activation)
- Annual license fee (royalty-based)
- Usage-based fees (where applicable)

3. Revenue Sources

- Digital transactions
- E-commerce activities
- Subscription services
- Infrastructure usage
- Data-driven services

◆ 8. CAPITAL REQUIREMENTS

To ensure effective execution and scalability, partners are expected to:

- Provide capital investment (amount defined per engagement)
- Support operational deployment
- Participate in ecosystem growth

⚠ Note: This is a **capital + strategic partnership**, not a passive collaboration.

◆ 9. PARTNER SELECTION CRITERIA

Applicants will be evaluated based on:

- Financial capacity
- Strategic alignment
- Operational capability
- Long-term commitment
- Regulatory compatibility

AfricansConnected™ reserves the right to select partners at its sole discretion.

◆ 10. SELECTION PROCESS

The process follows international standards:

1. Expression of Interest (EOI)
2. Initial evaluation
3. Strategic discussion
4. Due diligence
5. Formal agreement (AISD execution)

11. GOVERNANCE & STRUCTURE

The ecosystem is operated through a centralized coordination model, ensuring:

- Technical consistency
- Economic coherence
- Scalable integration
- System-wide governance

12. CONFIDENTIALITY

This document is for informational purposes only and does not constitute:

- A binding offer
- A public solicitation of securities

Further details will be shared under NDA where applicable.

13. CONTACT

Interested parties are invited to submit expressions of interest to:
