- Detox Vinegar

The logo for Sofreva Organic is displayed in gold. 'SOFREVA' is in a bold, serif font with a registered trademark symbol, and 'Organic' is in a flowing, cursive script below it. The background of the left half of the image shows a misty vineyard with rows of grapevines stretching into the distance under a soft, overcast sky. A decorative gold leaf branch is positioned vertically between the logo and the text on the right.

SOFREVA[®]

Organic

Everything began with the desire to share the abundance of our tables. We witnessed the magic of fruits grown in the fertile lands of Anatolia, patiently waiting as nature transformed them in its own rhythm. From our ancestors, we learned that vinegar is not only a flavor but also a symbol of healing, balance, and unity.

This is how Sofreva was born. Taking its name from the word sofras (table), it opened the door to a journey that brings people together and adds value to every table with its natural essence. Every drop carries the abundance of the soil, the sincerity of labor, and the miracle offered by nature.

For us, vinegar is not just a product but a culture of life. By combining our traditional methods with modern hygiene and quality standards, we produce varieties that both enrich your table and contribute to your health. With Sofreva's organic gourmet series, we present the purest gift of nature, while our classic table vinegars take their place in every kitchen.

Today, Sofreva walks into the future inspired by the past. Our aim is to let you feel naturalness in every drop, trust in every bottle, and sharing at every table. Because we believe that true taste begins with nature.

ORGANIC VINEGARS

Bringing together naturalness and quality, it adds value to your table.
Produced without additives, certified, and crafted through traditional methods, this special series is an indispensable part of a healthy lifestyle and a trusted complement to gourmet flavors.

Why Sofreva

PRODUCT INFORMATION & LOGISTICS

Sofreva products are structured not only around premium quality and certified organic production, but also with a strong focus on logistical efficiency, scalable distribution, and commercial flexibility.

The following information supports importers, distributors, and retail chains in warehouse planning, shipment evaluation, and container optimization.

500 ml – Collection

Packaging Configuration

Glass Bottle – 500 ml

Units per Carton: 12

Cartons per Pallet: 110

Units per Pallet: 1,320

Container Loading Capacity

20' DC: 13,200 units

40' HC: 27,720 units

250 ml – Collection

Packaging Configuration

Glass Bottle – 250 ml

Units per Carton: 12

Cartons per Pallet: 204

Units per Pallet: 2,448

Container Loading Capacity

20' DC: 24,480 units

40' HC: 51,408 units

Country of Origin: Türkiye

Private Label Production: Available upon request.

SIGNATURE PACKAGING

Sofreva vinegars are presented in premium glass bottles designed to preserve flavor integrity and product purity.

The packaging reflects minimal elegance and refined aesthetics, combining clean-label philosophy with timeless design principles.

Key Features:

- * Premium clear glass bottle
- * Elegant and balanced label composition
- * High-quality print finishing
- * Export-grade protective packaging
- * Designed for retail and international distribution

Premium Glass. Refined Design. Natural Integrity.

WHY SOFREVA

- * Carefully selected organic fruits
- * Authentic natural fermentation process
- * International organic certifications
- * Premium glass packaging
- * Export-ready production capacity
- * Consistent quality control standards
- * Clean-label philosophy

Sofreva combines tradition, precision, and global standards to deliver premium organic vinegars designed for international markets.

Sofreva – Crafted Naturally. Presented Elegantly.

QUALITY & ORGANIC CERTIFICATIONS

Sofreva Organic Collection is produced in full compliance with internationally recognized organic certification systems.

Our products are certified under:

- * Turkish Organic Certification
- * European Union Organic Standard
- * USDA Organic (United States Department of Agriculture)

These certifications ensure:

- * Certified organic raw materials
- * Controlled and traceable production processes
- * Compliance with international export standards
- * No synthetic additives or prohibited substances
- * Transparent and regulated supply chain

Our production facilities operate under strict quality control procedures aligned with international food safety regulations.

Certified. Traceable. Globally Compliant.
