**MESSAGE**

It gives me immense pleasure to know that the official website of the All India Guards Council (AIGC) is being launched for the benefit of its members and the larger railway fraternity across the country.

The role played by Guards in ensuring the safety, punctuality and smooth functioning of Indian Railways is highly commendable and deserves sincere appreciation. I am confident that this website will serve as an effective platform for communication, coordination, welfare activities and dissemination of important information among members of the Council.

I convey my heartfelt best wishes to the office bearers and members of AIGC for the grand success of this noble initiative. May the organisation continue to work with dedication and commitment towards the welfare and upliftment of railway employees and society at large.

With best wishes...

**(Dr. Rabindra Narayan Behera)**
