Chapter 12: Being the Answer in Salvation

This chapter focuses on Heaven's greatest mission, salvation, and the role love plays in drawing people to Christ. Scripture reveals that love expressed through action often prepares hearts for truth long before words are spoken. This reflection is designed to help you examine how your everyday actions, availability, and obedience reflect Christ to those around you.

Scripture Focus

"For the Son of Man came to seek and to save the lost." (Luke 19:10)
