WHY HOUSE OF KINGSLEY

Best-Grade Leather

Full-grain and top-grain hides only. We never use split leather. Every wallet is built to last and feel premium from first touch.

RFID Protection Standard

Built-in RFID-blocking technology across the entire range standard on every style, not an optional extra.

32+ Styles, 6 Categories

Bi-folds, slim wallets, card holders, money clips, multi-card cases and ladies clutches. Wide colour range including black, tan, olive, navy and burgundy.

Vegan Range Available

High-quality PU leather alternatives with the same RFID protection for ethically-minded buyers and retailers.

UK-Ready Compliance

SEDEX-certified manufacturing partner. REACH compliant. Suitable for UK and EU market retail environments.

Samples Before Commitment

Physical samples dispatched within 7 days of enquiry. Sample cost fully refunded against first bulk order.
