

PURSUIT

Safeguarding Children Policy

June 2025

The purpose and scope of this policy statement

PURSUIT exists as a Christian organisation to encourage, equip and engage the local churches in the Taunton area in prayer and worship

The purpose of this policy statement is:

- To protect children and young people who attend Pursuit events from harm
- This policy applies to anyone working on behalf of Pursuit including team members, guest speakers, musicians and volunteers

We believe that:

- children and young people should never experience abuse of any kind
- we have a responsibility to promote the welfare of all children and young people, to keep them safe and to practise in a way that protects them.

We are committed to:

- To promote a safer environment and culture within any of our events and activities by adhering to safe working practices and acknowledge the principle that safeguarding is everyone's business
- Respond promptly to any safeguarding concern or allegation in accordance with safeguarding procedures, with support of the local authority. We will ensure that any complaint made regarding a vulnerable person, who may have been harmed or is in significant danger, will be reported immediately and we will fully cooperate with statutory agencies during any investigation into allegations concerning a member of the team or any other person.
- Caring pastorally for victims/survivors of abuse and other affected persons. We will seek to sign post to appropriate agencies and support within their local authority.

Pursuit will:

- Ensure that all core team are familiar with this policy
- Ensure that all volunteers know who to report to should they have a safeguarding concern.
- Usually gain formal consent from service users, before sharing any information with another agency however, if a person is in danger, a child is at risk or a crime has been committed, then a decision may be taken to pass information to another agency without consent.
- Make a referral to the Adult Social Care Team where appropriate.
- Ensure that the Designated Named Person understand their responsibility to refer incidents of abuse to the relevant statutory agencies.
- Ensure all concerns and incidents are recorded and passed on to other relevant agencies where appropriate.

Safeguarding Representatives

- We will ensure that there is an identified person to be Safeguarding Representative at any event, who will be aware of their role and responsibilities.

YP specific use of North Street Church:

- Young people (U18s) will be directed to use the single disabled toilet and not the shared public toilets.
- Pursuit events are not aimed at young people but people of all ages are welcome to attend.
- A dedicated youth area will be encouraged at the side of the church to provide a safe space for young people to attend Pursuit events.
- If vulnerable young people are attending unaccompanied by an adult then Pursuit will aim to assign a responsible adult to watch out for the young peoples' wellbeing and safety during events
- If a larger group of unaccompanied young people wish to attend then Pursuit will ask them to arrange to be accompanied by a youth worker or parent/guardian for Pursuit does not currently have the capacity to provide dedicated care for young people.
- Young people will be encouraged to stay in the main Sanctuary area and not to sit at the back or go into unattended areas of the church building.
- No photography or videos of U18s will be permitted.

Training

We will expect Pursuit Core team to have up to date DBS and basic safeguarding training. (Pursuit Core Team Safeguarding Training carried out on Sat Nov 4th 2023)

Best Practice Guidelines

Supervision of guests

Pursuit will sometimes invite outside speakers, musicians and guests to be involved in Pursuit meetings. Pursuit is committed to ensure that all staff and volunteers are appropriately line managed and any guests are always supervised by a member of the core team. All guests will be expected to be familiar with the Pursuit safeguarding policy.

One-to-one situations

One-to-one situations will not be permitted in any context involving a young person. Pursuit meetings always happen in a public meeting space and at no time should any team member, volunteer or attendee be in a one-to-one context with a young person.

Physical Contact

Physical contact with U18s should be generally avoided and never initiated or maintained by an adult. Physical contact should only happen if instigated and continued by a YP and in an appropriate manner and part of the body (hugs and hand holding, shoulders and arms). The adult is responsible for ensuring that contact is kept public and the adult is always free to end any contact they are not comfortable with. If contact occurs that makes them feel uncomfortable, whether it be appropriate or not, then they are encouraged to self-report themselves to the DSL.

Prayer Ministry involving Young People

If praying for someone who is U18 then contact should always be avoided. However, a young person may privately ask another young person to pray for them and to lay hands which is acceptable as long as it adheres to the general prayer ministry guidelines which apply to everyone. If while receiving or giving prayer a YP feels uncomfortable at any time then they should talk to the designated responsible team member for safeguarding at the event.

Contact Information

No personal contact information for U18s should be held by team members, staff or volunteers (including phone numbers / FaceBook / social media). Pursuit also has a policy to discourage any sharing of personal information by any YP with any attendees at events. Any situation where this is found to have happened will be followed up by the DSL and where necessary (or if in doubt) passed on to relevant authorities as a safeguarding concern.

Volunteering by U18s

In the exceptional situation where an U18 was invited to be part of a volunteer team (e.g. hospitality / worship team) then all communication must happen through a parent/guardian and the YP should at all times be accompanied by a parent/guardian. Any circumstance where a young person wanted to be involved in a volunteer team and the parent/guardian wanted to designate a responsible adult to accompany the YP, then this would need written permission from the parent/guardian and to be agreed by the Core Team.

What to do in the event of a safeguarding incident or disclosure

1. Reassure the person making the disclosure. We are committed to keeping young people safe. Let them know that you will listen to whatever they want to disclose and you will take it seriously

2. Listen - let the young person speak in their own time without prompting or using leading questions. Do not show shock or disbelief or offer explanations.

Remember that we cannot promise confidentiality but we will only be passing on the concern to relevant agencies and those who need to know about it and are able to deal with it and protect the YP.

3. Make a written record of what is disclosed either at the time or as soon as possible after the disclosure.

4. Pass the concern immediately on to the designated safeguarding lead. But if a young person is in danger then you should immediately contact the police or relevant authorities.

Categories of Abuse:

Abuse is any form of maltreatment of a child, young person or adults at risk, and includes somebody inflicting harm or failing to act to prevent harm. Abuse may take place in any context, and may involve someone known to the child or may involve a stranger. Abuse may be perpetuated by an individual or by a group and may be by an adult or by another child or children.

Recognising the signs and symptoms of abuse

Pursuit is committed to ensuring that all trustees, core team and volunteers have access to a basic awareness booklet.

Abuse includes:

- Physical abuse: including hitting, slapping, punching, burning, misuse of medication, inappropriate restraint
- Sexual abuse: including rape, indecent assault, inappropriate touching, exposure to pornographic material

- Psychological or emotional abuse: including belittling, name calling, threats of harm, intimidation, isolation.
- Financial or material abuse: including stealing, selling assets, fraud, misuse or misappropriation of property, possessions, or benefits.
- Neglect and acts of omission: including withholding the necessities of life such as medication, food, warmth, ignoring medical or physical care needs.
- Discriminatory abuse: including racist, sexist, that based on a person's disability and other forms of harassment, slurs, or similar treatment.
- Institutional or organisational: including regimented routines and cultures, unsafe practises, lack of person-centred treatment.

Managing allegations made against a trustee, core team member or volunteer

PURSUIT will ensure that any allegations made against a trustee, core team or volunteer, will be dealt with swiftly. Where a trustee/core team/volunteer is alleged to have committed a criminal offence, the police will be informed. If a crime has been witnessed, the police should be contacted immediately.

The safety of the individual(s) concerned is paramount. A risk assessment must be undertaken immediately, to assess the level of risk to all service users, posed by the alleged perpetrator. This will include whether it is safe for them to continue in their role or any other role within Pursuit, whilst the investigation is undertaken.
