

# Tally on Mobile

## Smart Accounting. Anytime. Anywhere.

**Tally on Mobile** lets you access your Tally data securely from your smartphone or tablet, so you can manage your business on the go—without being tied to your office system. Whether you're traveling, working remotely, or meeting clients, your business information is always at your fingertips.

---

### What You Can Do with Tally on Mobile

#### Real-Time Business Reports

View live data such as Sales, Purchase, Outstanding Receivables/Payables, Profit & Loss, and Stock Summary instantly from your mobile device.

#### Invoice & Voucher Access

Check invoices, vouchers, and transaction details anytime. Stay updated on entries made by your team in real time.

#### Stock & Inventory Tracking

Monitor stock availability, movement, and valuation on the go to avoid shortages or overstocking.

#### Multi-Company Access

Switch between multiple companies easily from one mobile interface—ideal for business owners, partners, and accountants.

#### Instant Alerts & Insights

Get timely updates on critical business activities, helping you make faster and smarter decisions.

---
