

READOLVE REFUND POLICY

Refund Policy

Last Updated: July 2026

At **Readolve**, we are committed to providing high-quality digital resources that help readers learn, grow, and solve everyday problems. We appreciate your trust and strive to ensure a smooth purchasing experience.

Because our products are delivered digitally and become immediately accessible after purchase, please review this policy carefully before completing your order.

Digital Products

All ebooks, guides, and other downloadable products sold by Readolve are digital products.

Once your payment is successfully processed, your purchased product is delivered electronically and becomes immediately available for download or access.

Refund Eligibility

Due to the nature of digital products, **all sales are generally final**.

We are unable to provide refunds for purchases where:

- The product has been downloaded or accessed.
- You changed your mind after purchase.
- You purchased the wrong ebook by mistake.
- You no longer need the product.
- You expected different content after reading the product description.
- You purchased the same product multiple times accidentally (unless verified).

When We May Offer a Refund

Although refunds are generally not available for digital products, we believe in treating our customers fairly.

A refund may be considered if:

- You were charged multiple times for the same purchase.
- A technical issue prevents delivery of your purchased product and we are unable to resolve it.
- You accidentally purchased the same product more than once.
- A payment error occurred due to a system malfunction.

Each request is reviewed individually.
