

PORTFOLIO

HELLO

My name is Vighnesh T.K . I'm a Graphic Designer, Video Editor, Motion Designer, and AI Prompt Engineer based in Kerala. I've been working as a freelancer for over 4 years, and I have a deep passion for art and visual storytelling.I usually work on projects related to: branding, logo design, poster design. Illustration, video editing, motion graphics I'm always eager to push the boundaries of design and continuously explore new skills
