Quality That Travels the World

EXPORTER OF PREMIUM AGRICULTURAL COMMODITIES & SPICES

Global Export Portfolio

2026 – 2027

Origin-Verified • Phyto-Compliant • Globally Trusted

COMPANY SNAPSHOT

Who We Are

ICEIREX Agritrade Exports Pvt Ltd is a Bihar-based agricultural export house built on a direct-source model — from farm-cluster contracting to in-house processing, phytosanitary certification, and global bulk logistics. We connect India's finest Makhana, spices, pulses, grains, and oilseeds with importers who demand consistency, traceability, and compliance at every shipment.

HOME BASE

Baikathpur, Patna, Bihar

CORE CATEGORIES

Makhana, Spices, Pulses, Grains & Oilseeds

SOURCING MODEL

Direct farm-cluster contracting

COMPLIANCE

FSSAI & APEDA aligned, IEC registered

OUR THREE PILLARS

Origin-Verified

Every consignment traced to its farming cluster of origin.

Phyto-Compliant

Lab-validated, IPPC-standard certified for destination-country import rules.

Globally Trusted

Built for FCL-scale international buyers and private-label partners.

COMPLIANCE

Institutional Reliability & Global Compliance

The Export Quality Assurance Funnel

1. FARM & SOURCE — Agronomic Audit

GAP compliance checks and physical crop inspection at the origin.

2. PROCESSING — Mechanical Sortex

Strict size grading, optical colour sorting, moisture testing, and foreign matter removal.

3. PRE-PACKAGING — Lab Validation

Accredited lab testing for pesticide residues and aflatoxins to meet EU/USFDA norms.

4. PRE-SHIPMENT — Phyto-Certification

Final inspection by Plant Quarantine Authority.
SGS / Intertek third-party inspections available upon buyer request.

Why Global Buyers Partner With Us

Farm-to-Port Traceability

Every shipment linked back to its farming cluster of origin — no blind sourcing.

Flexible Order Scale

From 200kg processed-variant MOQs to full 40ft FCL bulk container loads.

Private Label Ready

Custom branding, pack sizes, and seasoning profiles for retail partners.

Responsive Trade Desk

Direct access to technical specification sheets, certifications, and quotes.

Packaging & Logistics Capabilities

Standard Bulk

25kg / 50kg PP woven bags with moisture-proof HDPE liners. Nitrogen flushing optional.

Retail & Private Label

1kg to 10kg vacuum pouches with custom branding available.

FCL Logistics

20-FCL (14–18 MT net) and 40-FCL (28–30 MT net) container planning.

End-to-end coordination from origin warehouse to destination port — domestic transport, ocean freight, and customs handled in-house.

Built for International Buyers

ICEIREX ships origin-verified agricultural commodities to importers, distributors, and private-label partners across key demand corridors — supported by phytosanitary certification aligned to destination-market import rules.
