

PICKLEPOP EQUIPMENT RESPONSIBILITY AGREEMENT

PicklePop Equipment Responsibility Agreement

This document outlines the responsibilities of the client and participants when using PicklePop portable pickleball court equipment.

By confirming a booking, the client agrees to follow the guidelines stated in this agreement.

1. Equipment Provided

Depending on the selected package, PicklePop may provide the following equipment:

- PicklePop custom modular PVC court flooring (5 rolls)
- High-density EVA foam base layer
- River heavy-duty pickleball net system
- Seam tape connection system
- Edge safety tape installation
- Full court barrier system
- Pickleball paddles (depending on package)
- Floodlight system (for night play if applicable)

All equipment remains the **property of PicklePop**.

2. Setup and Teardown

PicklePop staff will arrive approximately **one (1) hour before the scheduled play time** to install the complete court system.

This includes:

- flooring installation
- net system installation
- barrier system installation
- lighting setup (if applicable)

After installation, the court will be **handed over to the client for private use**.

PicklePop staff will return **after the scheduled play session** to dismantle and collect all equipment.

3. Staff Supervision Policy

PicklePop provides **court installation and equipment setup services only**.

Our staff **will not remain on-site during the entire play session** unless specifically requested by the client.

The booking client or event organizer is responsible for supervising all players and participants during the session.

Optional **on-site staff supervision** may be requested in advance and may be subject to an additional fee.

4. Proper Use of Equipment

All equipment must be used **only for pickleball play**.

Participants must not:

- climb on the net system
- hang or lean on the barrier system
- move lighting equipment
- tamper with flooring installation

Only PicklePop staff are authorized to install, adjust, or dismantle the court system.

5. Lost or Damaged Equipment

The client is responsible for ensuring that equipment is returned in good condition.

Charges may apply if equipment is lost or damaged due to negligence.

Examples include:

- Lost paddle – replacement cost
 - Lost pickleball – replacement cost
 - Damaged net components – replacement cost
 - Damaged lighting equipment – replacement cost
-

6. Equipment Security Deposit

A **refundable equipment security deposit** is required before setup.

This deposit will be returned once all equipment has been inspected and confirmed to be in proper condition.

7. Responsibility of the Booking Client

The booking client or event organizer is responsible for:

- supervising participants
 - ensuring proper use of equipment
 - ensuring that players follow court safety guidelines
-

8. Agreement Confirmation

By confirming a PicklePop booking, the client acknowledges that they have read and agreed to this Equipment Responsibility Agreement.
